PACKING HOUSE EMPLOYES Word Comes from Chicago that Gen-

eral Strike is Among Probabilities. Word comes from Chicago that packing house employes there and in other meat centers will make a demand for increased rages to take effect the day after Labor

day. It is reported that a general strike will occur if the demands of the men are not granted. Packing house employes at South Omaha, where there are seventeen organizations, have nothing to say in regard to the report that a general strike is in contempla-tion. Leaders of the local unions declare they will take no action until they hear from

Chicago and insist that they have received

no information about pending trouble.
