MANILA CHEERS FOR TAFT

Gives the Civil Governor a Rousing Welcome Home.

MANILA, Aug. 22.—Civil Governor Taft reached here at daylight on board the gunboat General Alvaro, from the Straits settlements. He was welcomed with an enthusiastic popular demonstration. The day has been made a holiday. Eight arches were erected. Twenty thousand natives from adjoining provinces participated in the demonstrations in honor of the governor's arrival. There was a parade of vessels in the bay and thirty decorated carriages carrying members of the civil commission, military officers and the reception committee met the gunboat down the beach and escorted it to the entrance of the Pasig river. The governor was escorted by a large procession to the palace in the walled city, where a public reception was held. Responding to an address of welcome, Governor Taft outlined the negotiations at Rome and said that all church questions were progressing toward a satisfactory settlement. The governor said the action taken by congress concerning the Philippine islands showed that the American people honestly desired to help the Filipinos. The Americans were determined the islands should not be exploited by Americans at the expense of the Filipinos. Governor Taft predicted that eventually the archipelago will have practically free trade and he congratulated the Filipino people on the restoration of peace. He advised the Filipinos to fill their soil rather than waste time in senseless political squabbles. He asked for their confidence and support. Governor Taft was given an ovation on the streets during his progress to the palace, and he received another ovation at his reception.

SPECIAL OFFICERS A BURDEN

Guards Employed by Coal Mine Owners Number Five Thousand.

COST TO DATE NEARLY TWO MILLION

Besides Paying Their Daily Wages the Companies are Obligated to Also Supply Them with Food and Lodging.

WILKESBARR, Pa., Aug. 22.—It is estimated that the coal and iron policemen now guarding the idle collieries in four counties of the anthracite region number 5,000.

The employment of so many special guards has necessitated an expenditure by the companies to date of \$1,800,000. Besides paying the special policemen a daily wage, the companies supply them with food and lodging. Every company in the anthracite district and nearly every washery has its quota of police. The commissions are all granted by Governor Stone at Harrisburg and the companies pay for the granting and recording of each commission. Of this sum \$2 goes to the state and \$3 to the county. Strikers Close Collieries.

WILKESBARR, Pa., Aug. 22.—The Butler washery and the Dodge colliery of the Delaware, Lackawanna & Western company, in which operations had recently been resumed, were closed today by striking miners. At the Butler washery the men marched out in a body.

It is asserted by the men that all through the Dodge colliery and the strikers prevailed upon them to leave the workings. TAMAUQUA, Pa., Aug. 22.—Today the mine workers sent a petition to Governor Stone asking that the troops be recalled. It is rumored here that the Lehigh Coal and Navigation company is preparing to mine coal under the protection of the troops. The officials refuse to affirm or deny the report.

SIK WORKERS RETURN TO MILLS.

NEW YORK, Aug. 22.—A number of strikers who quit work in the silk mills of Jersey City in sympathy with the Paterson strikers returned to work today. Two hundred of them went to work in one mill. At another mill, where about 100 persons are employed, quite a number have already returned to work and more are expected. There was no occasion to summon the police, as everything was quiet at all the mills today.

DIES WHILE HIS BAND PLAYS

Samuel Pryor, Founder of Pryor's Band, Passes Away Listening to Tunes of Lively Music.

ST. JOSEPH, Mo., Aug. 22.—Samuel Pryor, founder of Pryor's band and father of Arthur Pryor, the celebrated trombonist, now touring with Sousa, died today of a gastric disease. Prof. Pryor was one of the interesting characters of this city, 53 years of age, and had never performed a day's labor at anything except music. He had been filled with engagements to many of the leading cities of the country. In response to a request of the dying bandmaster his musicians played lively airs for him as he passed away, several pieces being of his own composition.

RENEW HUNT FOR BARTHOLIN

Chicago Police Head Energies Toward Devising Some Plan to Locate Alleged Murderer.

CHICAGO, Aug. 22.—The Chicago police today bent their energies toward devising some new means by which to land in their drag net the fugitive, William Bartholin, charged with the murders of his mother, Mrs. Anne Bartholin, and his sweetheart, Minnie Mitchell. Circulars containing a more recent picture of the missing man than has been yet issued by the department, are being prepared and will be sent broadcast over the country today. Little light was shed on the mystery of the murders today. Edward Counselman, the intimate friend of Bartholin, who was held yesterday by the coroner's jury for complicity in the murder, was removed to the county jail. Inspector Hunt made several efforts to locate the prisoner to talk, but they were fruitless. Counselman was greatly agitated and cried frequently, but would confess to nothing. A new letter, supposed to have been written by Bartholin, was found today at One Hundred and Nineteenth street and Michigan avenue. It bore the date of August 2 and was addressed to "Friend George," asking that the friend meet Bartholin at the latter's home.

POSSE PURSUES MURDERERS

Crowd of Determined Men Will Capture Band of Kentucky Outlaws Dead or Alive.

MIDDLEBORO, Ky., Aug. 22.—An organized posse will leave Freeburg, Va., tonight for the purpose of pursuing the George Potter band of outlaws, who are said to be guilty of several murders, robberies and numerous other offenses. Their last crime was an assault on Miss Cora Wallis, a prominent young woman. George Potter, the leader and principal in the affair, was pursued by a posse and ridden with bullets. His comrades escaped and fled to the Kentucky border. The posse will take them dead or alive.

COAL ADVANCES IN CHICAGO

Price in Nine Dollars Per Ton for Anthracite, Being Jump of One Dollar.

CHICAGO, Aug. 22.—Anthracite coal advanced to \$9 a ton here today. This is a jump of \$1 a ton since Wednesday. Coal stocks are so nearly depleted that even at this rate the gradually increasing demand cannot be met. To settle the coal strike at an early date is the aim. Conservative dealers, however, are advising their customers to hold off in the belief that coal mining must resume before exorbitant rates become general.
