AM of good appearance, well educated, middle aged, very wealthy, and I want to marry an intelligent, practical, sympathetic lady, no matter what her circumstances or station in life. It is of no consequence how people become acquainted; the paramount thing is the individuals, and I have set aside custom, as the happiness of a lifetime is of more moment, believing there is somewhere in this broad land a genuine woman whom I can love and with whom I can share my vast fortune, if she will lay aside her scrupies, as I have mine, long enough to address Mr. Weller, Real Estate Board Bidg., Chicago.
