Des Moines Takes Another.

DES MOINES, Aug. 3.-Des Moines again demonstrated ability at the bat to-day, making it three straight from Colo-rade Springs. Poor fielding and inability to hit Hoffer at opportune times character-ized the work of the visitors. The three runs scored in the seventh by Colorado Springe resulted from questionable de-cisions. Attendance, 700. Score: R.H.E.

NEW PUBLICATIONS.

When the summer's heat gets about 90 degrees, you are liable to be sunstruck any time you are out in the sun, unless you take the proper precautions. Several years ago, the writer of this, who has spent much of his life in the tropics,

thought he was safe from sunstroke. One day he collapsed, remained unconscious for five hours, and at times his life was dispaired of. As a matter of fact, any person whose stomach and bowels are in bad shape in the summer time, is liable to be sunstruck in temperature that would be harmless under normal conditions. That's all there is to it. Stomach and bowels full of festering, fermenting refuse that forms acids and gases, raise the heat of the body and

SUNSTROKE INSURANCE

South Sea Islands, living on laxative fruit, bananas, cocoanuts, bread-fruit, have a temperature 20 degrees lower than that of white men who are careless about their food or their bowels. It has been found in years of experience, that a CASCARET Candy Cathartic taken at bed-time every night will keep the body clean and cool inside all day, and forms a safe and thoroughly reliable form of sunstroke insurance.
