Omaha and Des Moines Have Exhibition Gams Which Omaha Loses.

PEARS TRIES HIS HAND AT PITCHING

Does Well for Three Innings and Then His Arm Gives Out-Des Moines Tries Out a Youngster.

DES MOINES, Aug. 27 .- (Special Telegram.)-Des Moines today won a very closely contested exhibition game. Today was an off day all over the league, but owing to the large crowds which are attend-ing the fair in Des Moines this week a game was arranged for. Willis, a semiprofessional from Newton, Ia., was given a trial in the box for Des Moines and showed up in fine form. He has good speed and curves and seems to use his head more than the average pitcher. Pears, the oldtime National leaguer, was on the slab for Omaha and did good work for the first few innings and then his arm failed him. He pitched the entire game out, however. The brilliant feature of the whole game was a triple play by Des Moines in the fifth, which cut off Omaha's chances of making two or three scores. As it was Omaha managed to slide in one in the shuffle. Pears started off the inning with a single. Then Stone bunted, but got a life on an error by Willis. Carter then came in with scratch hit, which filled the bases. Genins then hit a hot grounder by second bass. O'Leary made a beautiful one hand stop, kicked the bag and threw to Davis. Pears had come in from third and Stone was try-ing to make it from second, but was caught by Hanson with a throw from Davis. Teorrow's game will open the scheduled series. Attendance, 1,300. Score:

CROWD SEES TENNIS AT ITS BEST

American and Englishman Both Play with Dash and Cleverness, but the Former Ras Superior Endurance.

NEWPORT, R. I., Aug. 27 .- For the third time in eight years English aspirations for the highest American, tennis honors in singles have been dashed when they seemed almost within reach of the persistent foreigners, for today William A. Larned of Summit, N. J., successfully defended his title as championship by defeating Reginald F. Doherty of England three sets to one. The scores were 4-6, 6-2, 6-4, 8-6.

It was a grand game on both sides, but It sapped the vitality of each player until it became a question of endurance and the American proved to be in better condition. scorching sun was no insignificant factor in the result, and at the end Deherty, unused to such hot rays, almost collapsed. It was generally acknowledged that had the day been cool like those of last week the battle would have been fought longer, harder and perhaps with a different re-suit. Larned, however, played the game of his life, for Doherty is undoubtedly the strongest player who ever came to Amer-

The defeat of the Englishman was not only a surprise, but a bitter disappointment to the Doherty brothers. The team just missed capturing the Davis trophy. and now to be beated for the American championship, when it seemed almost theirs, accentuated their disappointment. They will not go home empty handed. however, for the pair are the American champions in doubles and next year they will return not only to defend this title, but for another chance at the more important single championship.

Americans' Joyous Moment.

But if the result was disappointing to the English it set nearly 4,000 loyal Amercans who watched every stroke almost frantic with joy, and the demonstration which followed the last play, when Doh-erty sent the ball into the net, will live for many years in the annals of the sport. The Englishman was outplayed probably for the first time in his life at every point. Larned was stronger at the net, covered court far better, proved a sterling base line player and, when the strain came in the third and fourth sets, showed himself to be in magnificent condition.

It was the Roger Williams \$19,000 trotting stake today that smashed all precedent. It is still unfinished, with five heat winners, and all have broken their records. Old-time horsemen say it is the grandest race they ever saw. The first four heats all broke the stake record of 2:084 and the slowest tied the record of the fastest horse in the race. About 10,000 people were toth to leave when darkness necessitated post-ponement until tomorrow.

Sectt Hudson's blind horse Rhythmic, 2:094, was picked to win the rich purse, but after reducing his record to 2:084, the brown stallion had only one heat in six. Duice Cor won two heats and got a mark of 2:084, the new stake record. Alice Carr won the first heat in 2:084, a new record for a mare. Rhythmic came third and then won the second heat in 2:085. The third went to Wentworth, who tied his mark of 2:084. Duice Cor won the fourth heat in the best time, 2:084. Then Nut Bearer took the fifth heat, reducing his record from 2:134 to 2:10%.

No Summer Bowel Troubles

Not for me! I'm safe from all of them and happy. The heat of summer causes organic matter everywhere to decay. All dead vegetable or animal matter rots if not kept on ice. All undigested food in the human body will ferment a hundred times as quickly in summer as in winter. Consequence - stomach, liver, bowels poisoned, thrown out of order-sour stomach, gases, colic, diarrhoea, dysentery, cholera, appendicitis, and in some regions yellow fever and the plague. Little children suffer terribly everywhere. What does good sense tell you to do? You can't keep the human body on ice, and the drinking of ice-cold drinks does more harm than good because it stops digestion and chills the internal organs. The proper thing is to keep all impure and unnecessary matter out of the body every day, not give it a chance to sour and decay in the stomach and bowels, and poison the blood and the whole body. In this way you will stop all hot, feverish conditions, and keep your insides cool and healthy. To do it, use a medicine that is not offensive to the taste and not harsh and violent in its action. There is only one safe system-cleaner

to take in the summer time, because it will not cause diarrhoea or griping, and that is Best for the Bowels. All druggists, 10c, 25c, 50c. Never sold in bulk. The genuine tablet stamped C. C. C.
