

FAIR IS A CERTAIN WINNER

Starts Off with Ideal Weather and Large Opening Day Attendance.

AGRICULTURE MAKES A FINE DISPLAY

Labor Day Parade Surprises Even the Laboring Man—W. J. Bryan Roasts the Anthracite Operators.

(From a Staff Correspondent.)

LINCOLN, Sept. 1.—(Special.)—The Nebraska state fair and exposition made its thirty-fourth annual bow to the people today and was most cordially received. The sun came out brightly from behind a few ominous clouds that were gathered early in the morning and a cool breeze swept over the grounds. The pilgrimage to the fair began with the opening of the gates at 7 o'clock and continued until after 8 tonight. Street cars, trains and carriages were kept busy, yet the attendance today was insignificant in comparison with what it is expected to be tomorrow and for the remainder of the fair.

Never in the history of the Board of Agriculture has a state fair opened under such auspicious circumstances. The exhibits are greater in number and better in quality and represent a wider range of subjects. The interest manifested seems to be more widespread and everything, in fact, seems to indicate that the prediction of Secretary Furnas that the fair will pass into history as the best ever held will easily come true.

RAIN SPOILS STREET FAIR

Sporting Element Has Trouble with Officers on Account of Skin Games.

HUMBOLDT, Neb., Sept. 1.—(Special.)—The street fair and carnival wound up on Saturday night under great difficulties, the races advertised for the last afternoon and all the minor sports being postponed on account of the drenching rain which came that afternoon and evening. Quite a large crowd was present and was considerably disappointed. One of the most interesting features of the entire session was the last afternoon when the home team and the team from Highland Kan. The day was fine and a large crowd present. Not a score was made until the last half of the evening inning, when Jimmie Pats of the home team knocked out a three-bagger, with two men on bases, and the crowd went wild. Both teams were at their best and were evenly matched. Linn was in the box for the locals and succeeded in striking out seventeen of the visitors, while Jones fanned nine of the locals. The city was filled up during the entire three days and with out-of-town people, the sporting element being largely represented. Some of those who were operating games, experienced some little difficulty with the authorities during the last afternoon on account of the racing of rural visitors and were compelled to take leave on short notice. Otherwise the affair was a success in spite of the wet and disagreeable weather, which prevailed during the entire time. Hon. J. H. Mickey, the candidate for governor on a republican ticket, was billed for a speech on Saturday, but owing to late trains failed to reach the city until late in the evening.

Telephone Rates Reduced.

HOOPER, Neb., Sept. 1.—(Special.)—Last week the Hooper Telephone company and the Farmers' Telephone company made an agreement for the exchange of services over their lines. This includes lines to all towns in the country, excepting Fremont, as the independent system is completed. The Nebraska Telephone company has taken notice of this arrangement by issuing a new schedule of prices, which practically cuts in two the former rates to towns in this neighborhood.

Labor Day Parade.

In a parade over a mile in length the labor organizations observed the holiday this morning. Eighteen organizations, uniformed and brilliant in color, with banners and badges and floats, marched and counter-marched. It was a surprise to all. Even the men themselves did not expect that they would make so good a showing. With ideal weather they were favored with a crowd that jammed the streets the entire length of the line of march. Following the parade the men went with their families to the park and passed the remainder of the day with sports of various sorts, including bicycle racing, base ball and dancing.

Only one unpleasantness marred the work of the morning.

This was an assault on a mountain plumber. H. O. Meade threatened to join the marchers, in spite of their protests. When he appeared in his wagon upon plumpers pounced upon him and tore his banners to tatters. He appealed to a policeman who scattered the crowd and allowed him to proceed. He says he knows all who interfered with him and threatens to make arrests.

First prize for appearance in the parade was awarded to the Painters' union.

Second to the bartenders. The first prize banner was carried by the plumbers and the second by the brickmasons.

The Central Labor union, which engineered the celebration, is elated over its success.

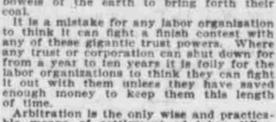

City, county and state officers on the reviewing stand, including Governor Savage, pronounced it a surprising and memorable exhibition.

At Lincoln park during the afternoon W. J. Bryan was the principal speaker.

Leading the labor unions throughout his address he took occasion to pound the anthracite operators for cowardice. He said: "They dare not show their backs to the public. That is the reason why they refuse

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stands your urine it is evidence of kidney trouble; to avoid this, pass it off or in the back is also a convincing proof that the kidneys are bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidney troubles, and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, as to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells how to find out absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

OPENING OF PUBLIC SCHOOLS

Month with the R. Brings School Books as Well as Oysters.

TABLE ROCK, Neb., Sept. 1.—(Special.)—The schools of Table Rock opened this morning. The attendance at the opening promises to be much larger than usual.

HARVARD, Neb., Sept. 1.—(Special.)

Harvard public schools begin their year's work today. Prof. D. D. Miles in charge, Miss Abbott, principal of high school; Mrs. Beckus, instructor, with a total list of thirteen teachers, of which eight are in central school and five in outside schools, the Harvard district being six miles square.

TECUMSEH, Neb., Sept. 1.—(Special.)

The public schools opened here this morning for another year. The opening ceremony was good for the opening day. The teaching force is as follows: C. N. Anderson, superintendent; Isaac Hospers, principal high school; Miss Fannie Pillsbury, assistant principal; B. E. Dill, principal grammar school; Miss Helen Wright, assistant; the Misses Evangeline Erwin, Nora Douglas, Sarah Bowen, grade teachers; the Misses Vinnie Metcalf, Idemna Swan and Clara Zutaewer, primary teachers.

KEARNEY, Neb., Sept. 1.—(Special Telegram.)

The Keary schools opened this forenoon under very favorable circumstances, the attendance for the first day being good and denoting an increase, with pupils and teachers in good spirits and Superintendent Thomas having the work well in hand. The move was promptly made to the new building, where the number of pupils is increasing, there being new pupils from the country in Buffalo county and also from Kearney county.

TECUMSEH, Neb., Sept. 1.—(Special Telegram.)

The branch banks of the Chamberlain bank at Vista and Graf will not open tomorrow. State Bank Examiner W. R. Hartwell saw fit to take them in charge today and brought the papers and books to this city. The move was prompted by some discoveries in the failure here. Both these little banks, which have been organized less than eighteen months, were in the hands of good officers and commanded the confidence of the villagers and farmers about them. C. C. Reed was president of the Vista institution and Ben R. Hunt was cashier. L. A. Graf was president of the Graf bank and J. O. Graf was cashier. Each was capitalized for \$5,000. These banks are in good shape and the depositors will be paid in full. A meeting of the depositors of the Chamberlain bank was held at the court house tonight and an adjournment taken till Wednesday night. At that time someone will be decided on to recommend for appointment as receiver and attorneys will be selected. One vote on these representatives will be given for each \$50 on deposit. A mortgage was filed on the Chamberlain home here today. It was for \$1,000 and was given by Cashier Chamberlain the day he left the city. He made no record of it at the bank and it is believed he realized the cash on it and took it with him.

END TEMPERANCE CONVENTION

York W. C. T. U. Pledged to Wage War on All Kinds of Vice.

YORK, Neb., Sept. 1.—(Special.)—At the second day of the Women's Christian Temperance union convention Mrs. Spurlough of the Orphans' home gave a very interesting and entertaining history of the present status of the Women's Christian Temperance Union temple at Chicago. Her resolutions adopted pledged the York Women's Christian Temperance union to do everything in its power against having saloons in York county. Also recognizes the fact that the city of York has made such a growth and that by reason of being a city it has gained some reputation for corruption, and they resolved to take a more determined stand against institutions of vice and use every means in their power to create an atmosphere of purity, so that the young and unwary may walk safely and be guarded against the vices of society.

York Gets Free Delivery.

YORK, Neb., Sept. 1.—(Special.)—Today was the first day of the free mail delivery in the city of York. Owing to its being Labor day and a legal holiday the mail carriers did not commence today, but are going over their routes, making themselves well acquainted with what work they are required to do. Mail will be delivered at all residences where there are sidewalks. This is in accordance with an ordinance passed by the city council. By reason of York's getting free mail delivery, more new, good, substantial sidewalks have been built and an ordinance was passed some time ago forbidding the building of any wooden walks.

NEBRASKA TOWNS CELEBRATE

Labor Day Appropriately Observed in Most of Larger Places.

SOUTH OMAHA HELPS OUT NEBRASKA CITY

Lincoln Unionists Have a Large Parade, with a Picnic and Addresses in the Park.

BEATRICE, Neb., Sept. 1.—(Special Telegram.)—Labor day was generally observed in this city this forenoon. The labor organizations, representing the painters, carpenters, stone masons and molders, made a union through the principal streets of the city. The procession was headed by the Second regiment band and about 400 men were in line. Aside from this demonstration no regular program was observed.

PLATTSMOUTH, Neb., Sept. 1.—(Special.)—One of the largest crowds of people ever seen in Plattsmouth gathered here today to celebrate the opening of the Plattsmouth pontoon bridge and Labor day. They came from Omaha, South Omaha, Nebraska City and the surrounding towns and the country. The crowd was roughly estimated at 50,000. The weather was delightful. The carefully arranged program was carried out to the letter. The large Labor day parade formed on Main street at 2 o'clock in the afternoon and was headed by Tom E. Parmele and Dr. Cummins in the latter's automobile, followed by the B. & M. band, the Hueft family band, consisting of father, mother, three daughters and one son of Greenwood, Neb., and what purported to be Nebraska City band, consisting of about one dozen persons with falcon faces, with tin horns, a snare and a bass drum; the Plattsmouth Clear Makers union and all other trades unions in Plattsmouth. Mills county, Iowa, carried away nearly all the large prizes hung up for the races, tug of war etc.

FREMONT, Neb., Sept. 1.—(Special.)—The county and city offices and banks closed today and flags were displayed on the court house and city hall, but there was no other celebration today as a holiday. The Leather Workers' union through the Masonic hall this evening, which was well attended and added considerable to their treasury.

NEBRASKA CITY, Neb., Sept. 1.—(Special.)—The labor day celebration which was planned and carried out by the committee chosen from among the various trades unions represented in Nebraska City was in all things a brilliant success. The day broke clear and bright, and all day long the most beautiful conditions imaginable prevailed.

The local unions met at their respective halls, and forming on South Sixth street marched to the Missouri Pacific depot to welcome the visitors who came from South Omaha on a special train. There were about 500 of these excursionists, and they marched up the street headed by their own band they made a very imposing showing. The visitors were warmly welcomed by the members of the Bricklayers' union. Following the visiting workers the local organizations formed a parade, including bricklayers, barbers, painters and carpenters all in line. The Merchants' band of this city did its share toward furnishing the music.

The procession moved up Central avenue to Thirteenth street and doubled back to Sixth, thence north on Sixth street to Tenth avenue and east to Metcalf's grove, where the entertainment of the day was to take place.

At 1:30 o'clock there was speaking by H. H. Hanks, democratic candidate for congress from this district; John H. Mickey, republican nominee for governor; Vice President C. E. Schmidt of the Meat Commission and others. After the speaking there were a number of races and other events and a game of base ball between the Argos of this city and a team representing the Omaha bricklayers. The excursionists left for home on their special train at 3:30 o'clock.

TORNADO DOES MUCH DAMAGE

Buildings Wrecked, Crops and Orchards Destroyed Near Humboldt and Table Rock.

HUMBOLDT, Neb., Sept. 1.—(Special.)—The storm which visited this city on Saturday night and brought a downpour of water to the extent of two or three inches, together with a liberal electrical display, developed cyclone symptoms a few miles northwest of the city and several stories of damaged crops and destroyed property are being brought to town this morning. A large barn on the farm of J. R. Starnford was completely demolished and the corn standing in the field of John Gutamer was practically twisted from the ground and is a total loss. An orchard belonging to G. B. Kory was blown down, many of the trees being uprooted in a manner, which indicated wonderful power in the wind.

TABLE ROCK, Neb., Sept. 1.—(Special.)—Further reports from the storm of Saturday night show that two or three miles south of this place the wind approached the nature of a cyclone, destroying the orchards on the farms of Martin Burge and Mr. Schultz, occupied by Charles Wilson, and doing damage on the places of Adolph Chase, William Wymann, Robert Taylor, M. H. Marble, F. J. O'Connell, Frank Kalina, William Robinson, and perhaps others.

HEBRON, Neb., Sept. 1.—(Special.)

Some of the farmers around Thayer county report slight damage to their crops as a result of the heavy winds and the rain-storm here last night. The cattle has headed out well and in some places has become topheavy. Some of this grain was blown over by the winds, then beaten down by the rain and to some extent badly damaged. The water in our streams have risen out of their usual portions and made travel over some of our county roads and bridges impossible. The Rock Island road between here and Deuel is damaged and passengers have to transfer between these two points to reach Nelson.

Death from Heart Disease.

NORFOLK, Neb., Sept. 1.—(Special Telegram.)—W. H. White, district manager for the Singer Sewing Machine company, with headquarters at Norfolk, died at 7 o'clock this evening from neuralgia of the heart. He leaves a wife and a son, aged 7. Mr. White and his family came here from Wahoo about three months ago, and were comparatively strangers in Norfolk. They had just returned from a week's visit to Clearwater and vicinity. Mr. White was at work at his office, between 4 and 5 o'clock in the afternoon, when he was stricken. Doctors were summoned, but were unable to aid him.

Former Grafton Resident Killed.

GRAFTON, Neb., Sept. 1.—(Special.)—A message received here yesterday evening announced that George Brady of Peoria, Ill., had been killed. No particulars were given. He formerly lived here and later at McCook, where he was employed in the Burlington railroad shops.

Call Grand Island Pastor.

FREMONT, Neb., Sept. 1.—(Special.)—Dr. Jordan of the First Baptist church of Grand Island yesterday accepted the call of the

Baptist church of this city and will assume the pastorate October 1. Dr. Jordan has been pastor of the Grand Island church for about nine years and has been very successful. He was chaplain of the Third Nebraska during the Spanish war, but resigned about the time the regiment was ordered to Cuba. Rev. T. L. Kettman, the former pastor of the Fremont church, left this morning for Chicago to assume the position of assistant secretary of the Baptist Publication society.

FREMONT MAN HUNS THE SPOUT OF AN OIL CAN INTO HIS BRAIN.

FREMONT, Neb., Sept. 1.—(Special.)—Fred Hahn, an employe of the Nye-Schneider company of this city, met with a serious and probably fatal injury Saturday afternoon. He was up in the top of elevator C pulling some machinery with a can having a long slender spout. In some way he slipped and fell, his right elbow striking against something down the spout into his head just above his left eye to a depth of nearly two inches. He was able to walk to his home, a distance of eight blocks, unaided and while the injury was painful did not consider it serious. Later he was taken worse and was removed to the hospital. The physicians think that some of the larger blood vessels of the brain are ruptured and consider his recovery very doubtful and should he recover it is feared his mind may be affected. He is 22 years old, unmarried, a graduate of the Fremont high school and has been for some time in the employ of the Nye-Schneider company.

Narrow Escape from Drowning.

HUMBOLDT, Neb., Sept. 1.—(Special.)—Hiram Wittwer and Charles Butler, two young farmers from south of the city had a narrow escape from death by drowning on Saturday night, after the big rainstorm. They attempted to cross the south fork of the Nemaha at the Butler ford and were swept away by the current, which was badly swollen. The side curtains to the buggy were in place and it was with great difficulty that the young men extricated themselves from the wreck, both being unable to walk for some time after dragging themselves from the stream. The team was found the next morning quite a distance below, both horses being dead and still fastened to the rig.

Otoe Old Settlers.

NEBRASKA CITY, Neb., Sept. 1.—(Special.)—The annual reunion of the old settlers of Otoe county was held at Morton's park today and an unusually large crowd of the pioneers of Nebraska and their descendants was present. The reminiscences of those who helped to make Nebraska what it is today were listened to with great interest by the younger generation. A number of very entertaining speeches were delivered and excellent music, furnished by a chorus of something over fifty voices.

Promotion for Roadmaster Bracken.

TECUMSEH, Neb., Sept. 1.—(Special.)—It is said that Roadmaster E. P. Bracken of the Burlington is soon to receive a promotion to trainmaster of this division. His headquarters will be at Table Rock and he will have supervision over all trains between Atchison and Rulo and Lincoln and St. Joseph. The promotion is a source of satisfaction to Mr. Bracken's many friends in this city.

Johnson Republican Convention.

TECUMSEH, Neb., Sept. 1.—(Special.)—At a meeting of the republican county central committee here Saturday, September 20 was selected as the day for holding the county nominating convention. There are several aspirants to the few offices to be filled.

Stolen Horse and Buggy.

FREMONT, Neb., Sept. 1.—(Special.)—Last night some one stole a light, open wagon from in front of John McGinnis' implement store, corner of Main and Third streets. An old buggy, worth perhaps \$2 or \$3, was left in its place.

ABSOLUTE SECURITY.

Genuine Carter's Little Liver Pills.

Must Bear Signature of Dr. J. C. Wood.

See Face-Stamps Wrapper Below.

Very small and so easy to take as sugar.

CARTER'S LITTLE LIVER PILLS. FOR HEADACHE, FOR DIZZINESS, FOR BRUISES, FOR TORPID LIVER, FOR CONSTIPATION, FOR SALLOW SKIN, FOR THE COMPLEXION.

DVORAK DRAMATIC SCHOOL

EDWARD DVORAK, Director. Kimball Hall, 243 Washburn, Chicago.

ACTING ELOCUTION

FALL TERM BEGINS SEPT. 6. Catalogue mailed free.

FOR SYSTEMIC CATARRH

Peculiar to Summer Pe-ru-na Gives Prompt and Permanent Relief.

C. S. Rhoads, Indianapolis, Ind., writes: "For the past two years I have hardly known what it was to have a sweet, restful night's sleep. Cares and overwork seemed to weigh me down more than it should or would had I been able to get my proper rest. My doctor was unable to help me and ordered me South for a complete rest and change. As this was simply out of the question and as I had heard several of the men under me speak of how much Peruna had helped them, I decided to try it and am glad indeed that I did. Six bottles made a new man of me. I eat well, sleep well and get up feeling refreshed and rested. "My official duties are not half so hard and I certainly have good reasons to highly endorse Peruna."—C. S. Rhoads.

A Prominent Business Man of Indianapolis Restored to Health and Vigor by Peruna. He Says: "Peruna made a New Man of Me."

Judge Wm. T. Zenor, of Washington, D. C., writes from 218 N. Capital street, Washington, D. C.: "I take pleasure in saying that I can cheerfully recommend the use of Peruna as a remedy for catarrhal trouble and a most excellent tonic for general conditions."—Wm. T. Zenor.

Mrs. Amanda Morrill, 130 Reid street, Elizabeth, N. J., writes: "I have been sick over two years with nervous prostration and general debility, and heart trouble. I have had four doctors, all said that I could not get well. I had not walked a step in nine months, suffering with partial paralysis and palpitation of the heart every other day, and had become so reduced in flesh as to be a mere skeleton, weighing only 88 pounds. "Up to this date I have taken Peruna for seven months. It has saved my life as I can safely testify. I have not felt so well in five years, having walked over one mile without ill result, and have also gained thirty pounds since commencing to take Peruna. In fact, I cannot praise it too highly."—Mrs. Amanda Morrill.
