WANTED-MALE HELP.

Omaha Commercial College.

Grand Opening of FALL TERM.

More Than One Hundred New Students. Fifty More Next Week.

New Students.

Fifty More Next Week.

ALL DEPARTMENTS BOOMING.

NEW CLASSES TOMORROW

Pointer No. 2-More than twenty new students have entered our Nigh School already. More have arranged to enter tomorrow night. Four sessions each week. Tuitten nominal. Begin now. You can have any branch desired.

Fointer No. 3-it will pay you to watch next Sunday's papers. You will have a chance to win one of six prizes.

Fointer No. 4-Prof. Mosher's new book on Mosher-Gregg Shorthand is now ready. It is the finest thing ever published on shorthand. More than a hundred orders have been received. It presents the Gregg system of shorthand in such a logical and simple way as to save the student half has time and worry, besides enabling him to write more legibly and with a greater degree of speed. Every Gregg writer ought to obtain a copy in order to adopt the wonderful improvements made upon this system. The improvements are so marvelous and far-reaching as to forever discourage the use of this system as now presented by Mr. Gregg in his revised edition. It will be sent to any address upon receipt of \$1.50. It is elegantly bound and contains many new features not found in any book thus far published upon shorthand. It is a self-instructor.

Pointer No. 5-The following extract from a letter received from Mr. Gregg is pretty good evidence of the thorough work done in Gregg Shorthand at the Omaha Commercial College. The letter was received without soliciation and could not be made much stronger:

"We are giad to learn of the success your students are having with Gregg Shorthand, and as we naturally desire to have the system taught in the best possible manner we have no hesitation in saying that the Omaha Commercial College is the only institution in Omaha in which we would recommend intending students of our system to take a course. As far as we are aware there is no other school in your city having a teacher competent to give instruction in Gregg Shorthand, and as a recognition of your enterprise in introducing this system we have

I HAVE designed and constructed a number of automobiles during the past four years and would like to interest some gentleman in building a number that have all of the very latest of improvements and of the very latest design; will give above party one-half interest in two very strong inventions (on which patents will be applied for) for sufficient capital to construct the same in four different sizes of power. Have very good references as to what I have done in this line and also show photographs of the cars I have built and the satisfaction they are giving, together with references as to my ability as a mechanic. Party can handle his own money, and any gentleman that can afford capital sufficient I can assure them that I have what I claim. This is not an experiment, but has been tried and proven. If this interests you address I 59, Bee.
