I AM of good appearance, well educated, middle aged, very wealthy and I want to marry an intelligent, practical, sympathetic lady, no matter what her circumstances or station in life; more attention is paid to hunting gold than a true companion, hence the number of unhappy marriages, so why not go about it in a business like manner? It is of no consequence how people become acquainted, the paramount thing is the individuals, and I have set aside custom, as the happiness of a lifetime is of more moment, believing there is somewhere in this broad land a genuine woman whom I can love and with whom I can share my vast fortune, if she will only lay aside her scruples, as I have mine, long enough to address, Mr. Weller, Real Estate Board Bldg., Chicago.
