

BABY STARVED TO DEATH

Sensational Notation on Card Returned to Health Commissioners.

MOTHER HAD FIRST TRIED TO CHOKE IT

Beautiful Child Received at Child Saving Institute Under Mysterious Circumstances Dies from Effect of Previous Treatment.

A case which will receive the attention of the coroner and police department was disclosed Monday among the mortuary returns filed at the office of the Board of Health.

In explanation of his report to the Board of Health, Dr. Zimmerman stated that the child died of starvation because it could not assimilate its food, probably because it had not been properly nourished during the first few days after its birth.

Some Secrecy About It.

The identity of the child's mother is unknown to the matron of the institute, Mrs. Edwards, who is in charge during the absence of Superintendent Clark from the city.

"I am in honor bound not to tell the name of the party who brought the child here," said Mrs. Edwards, "at least for the present, for it was purely a charitable act."

"I have investigated some myself and no good could come of making the name of the party or the name of the mother public. I am sure no one could be brought to justice."

The child was received into the institute under circumstances out of the ordinary. It was brought there during the absence of Mrs. Edwards, at 10:30 o'clock at night, and received by an attendant.

Talk of Attempted Murder. Mrs. Edwards said of the child's reception into the institute: "A party brought it here late at night and was told by the attendant that one was not prepared to say, but the doctors said death was due to starvation."

"Now whether the condition resulting from the attempted strangulation caused the starvation of the child, and not prepared to say, but the doctors said death was due to starvation. It was a beautiful baby and we hoped to be able to bring it through."

Coroner Bralley will make a thorough investigation of the case today. "According to the death certificate," said Mr. Bralley, "it looks like a case of murder. The case should have been reported to the authorities at once by the management of the institute."

Dr. Christie said he did not believe that the attempted strangulation of the child had anything to do with its death and he mentioned it on the burial certificate because he learned at the institute that the mother of the child had tried to strangle it.

Another Fortune for Charity. A \$1,000,000 fortune was recently left to one of the charitable institutions in the east, and while the idea is very praiseworthy and will no doubt accomplish much good, there are many other agencies which accomplish just as much good.

A Reduction in Fares to Indiana and Ohio Routes. Early in October western railroads will sell excursion tickets via Chicago and the Pennsylvania lines to Louisville, Ky., Cincinnati, Columbus and Marietta, O., Wheeling, W. V., Pittsburg and Erie, Pa., and intermediate points in Indiana and Ohio on the Pennsylvania system.

Mortality Statistics. The following births and deaths were reported at the office of the Board of Health during the twenty-four hours ending at noon Monday:

Deaths—Jennie Zimmerman, child saving institute, aged 1 month; Tom Parrington, 204 Maple street, aged 80 years; Emma Galt, 2901 Junney, aged 28 years; Edward Schoonover, 216 Burdette street, aged 75 years.

A Weak Stomach

Indigestion is often caused by over-eating. An eminent authority says the hard work that exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat.

Kodol Nature's Tonic. Prepared only by E. C. DeWitt & Co., Chicago. The B. bottle contains 12 times as much as the smaller one.

MARKET BREAKS THE RECORD

Five Hundred Cars of Live Stock Arrive at South Omaha in a Day.

The largest number of cattle arrived at South Omaha yesterday in the history of the market. There were 500 cars of 12,791 head. On August 25 of this year 428 cars or 11,071 head arrived, which up to yesterday was the high mark.

Trading was active from start to finish and the market held up remarkably well in the fact of big supplies at all points. The better class of cattle sold at practically steady prices with last week, but the inferior grades naturally sold a trifle lower.

COLD DEAL FOR VETERANS

Dr. Burdick Reports Unusual Amount of Sickness at Grand Army Camp.

Dr. F. O. Burdick, medical director of the department of Nebraska, Grand Army of the Republic, having just returned from his duties at Camp Sherman, reports a very large attendance at the reunion and an unusual amount of sickness.

THREE SERGEANTS GO DOWN

Weisenberg, Davies and Rebut Reduced to Rank of Patrolmen.

H. W. DUNN MADE CHIEF OF DETECTIVES

Board Adopts Resolution Providing for Temporary Increase of Police Force by Addition of Thirty or More Men.

Although the main session of the Board of Fire and Police Commissioners yesterday was not of long duration, several important changes in the police department were effected, and in results it may be said that more business was transacted than at many of the evening meetings.

Following is the full text of the resolution providing for the increase in the force: Resolved, That the police force be increased temporarily by the addition of thirty or more men, and the chief of police is hereby instructed to receive applications and submit them to the Board of Fire and Police Commissioners on or before Saturday, September 16, 1902.

The action of the board as to the change of sergeants is effected and set forth in a resolution declaring "that the more effective working of the police department requires that Henry Weisenberg, D. Davies and A. Rebut be relieved from their duties as sergeants," and accordingly relieving them from such duties and assigning them as patrolmen; and appointing as sergeants H. C. Cook, L. Rentfrow and J. Gibbons.

In the resolution whereby George Stryker a member of the force as a detective, it is not specified that he shall be pawnshop detective, but from his appointment at the same time as the removal of Shoop it is presumed that such is the purpose.

In addition to the action mentioned above, the board devoted its attention to instructions to the chief and other members of the police department, one resolution adopted being as follows: Resolved, That where there is continuous breach of law or ordinance on the part of any patrolman, failure to observe and report the same will be considered incompetence or willful negligence on the part of such patrolman.

In another resolution the board directed the attention of the chief and men to the rule of the board prohibiting the "officers and men of the department, while in uniform or while on duty, from drinking intoxicating liquor in saloons or other places of public resort." Appended to this is an announcement that the rule will hereafter be rigidly enforced and violations will be attended by the dismissal of the offenders.

One resolution which was adopted quotes several paragraphs from the election law bearing upon the manner in which the polling places shall be protected, and particularly prohibiting electioneering within 100 feet of any polling place. The chief and other members of the department are instructed to strictly enforce the provisions of this law.

By motion it was determined that Harry Trimble and Frank Brundage shall be placed at the head of the list for appointment on the fire department. The names were reported at the last meeting by Chief Salter as having served the probationary term of sixty days and recommended by him for regular appointment. The chief was at that time instructed to notify the men that "their services would not be required."

Attention, Veteran Firemen! There will be a meeting of veteran firemen at the office of the chief tonight at 8 o'clock to make arrangements for the funeral of our late comrade, Albert Sanders, F. H. KOESTERS, Secretary.

Inner Lining of Stomach. Must be cured by destroying the unhealthy mucus that prevents proper flow of the gastric juice. Nau's Dyspepsia Cure.
