The Baldwin political locomotive is rushing to a head-on collision.

Corn worth 50 cents a bushel may yet prove a cheaper fuel than hard coal.

It is not about time to make it a criminal offense to escape from blood-hounds?

It is easy enough to see why the railroads wanted to own the Omaha police board through the Baldwin-Mercer alliance.

Trades union workmen of Omaha should keep off the grass on Jefferson square at the peril of being injuncted and incarcerated.

It may be necessary yet to require pulpit orators to submit their manuscript when they are to speak with a president in the audience.

It can be said for Colonel Bryan that if he does throw bricks at the Iowa democrats, he keeps out of the state when throwing them.

How many members of the school board would run their own private business the same way they are running the business of the public schools?

Government by nonresidents seems to be the new order of the day. Our revolutionary forefathers hit the first vital blow at nonresident government.

French naval critics say that American warships are too large. Spanish naval critics are on record as holding that American gunnery is too accurate.

The requisition of the Anheuser-Busch Brewing company in support of Our Dave has been received, but the amount of the contribution is only known to Mercer's Pooch-Bah.

And every member of the Baldwin-Mercer police board subscribed to a solemn oath that he would not be influenced by political considerations in the discharge of official duty.

It is extremely dangerous, under the injunction of Judge McPherson, to insinuate that the lockout of the Union Pacific shopmen, which is ordinarily called a strike or combine, could and should have been settled long ago by arbitration.

Judge John M. Craig, in accepting the democratic nomination for congress in the First Iowa district, declares that he is right on all the great issues. Perhaps he means to say that he would rather, in the democratic sense, be right than be congressman.

Possibly ex-Governor Boies may ask the democratic nomination for president on the ground that he is now trying to undo some of the monetary mischief that he advocated when an aspirant for that honor in 1890. At any rate, that would be the strongest plea he could possibly make for himself.

If you want to keep out of jail, do not mention it above a whisper that Mr. Burt's pleocwork mandate to the Union Pacific shopmen is a lockout to force the workmen either to forswear their allegiance to the union or to quit work and expose themselves to all the hardships and privation incident.

It is gratifying to note in the census returns that among all the states of the union Nebraska continues to head the list for small per cent of illiteracy. Of its population between the ages of 10 and 14 years 99.96 per cent are returned as able to read and write. Iowa comes next with 90.63 per cent. The lowest is Louisiana, with 67.12 per cent.

THE STATES AND THE TRUSTS.

There is nowhere a disposition to deprive the states of whatever authority they possess to deal with the trusts. The democratic assumption that this is the purpose of the republican party is absolutely unwarranted.

A POLITICAL EMERGENCY.

The Mercer-Broach police commission has resolved to appoint thirty additional policemen to serve temporarily, beginning next Saturday, until the crisis has been passed.

THE ONE THING NEEDED.

Washington Post. It is said that President Palma may bring on a revolution if he vetoes the bill providing for a \$30,000,000 loan.

APPROVED AT THE BALLOT BOX.

Springfield Republican. The truth is that the president's trust speeches actually helped the republicans of Maine and Oregon.

THINGS THAT MIGHT BE AVOIDED.

Chicago Inter Ocean. Despite many apparent drawbacks in the way of labor troubles, the commercial agencies report a general increase in industrial activity.

THE SHOW OF PLAYING WAR.

Philadelphia North American. Kaiser Wilhelm's charge at the head of his cavalry was magnificent, but it was not war.

SHORTENING DISTANCE TO THE COAST.

Boston Transcript. The plan to bore a tunnel seven miles long through the Sierra Nevada mountains at a cost of \$14,000,000, in order to shorten by twelve hours the trip over the Central Pacific, is an illustration of the immense resources of our great corporations.

THE FOREST FIRES.

The forest fires in Oregon, Washington, Wyoming and Colorado, which have already destroyed a great deal of property and many lives, and threaten to be yet more disastrous, again call attention to the question whether adequate precautions are taken to prevent these fearfully destructive visitations.

PROTECTING GOVERNMENT EMPLOYEES.

The civil service commission has taken steps to protect employes of the government against persecution and intimidation, as well as from political assessments.

THE UNION PACIFIC RAILROAD PAID \$46.98 IN TAXES FOR THE YEAR 1902 ON THE WEST HALF OF ITS BRIDGE, WHICH IS ASSESSED AT \$1,566.

THE LOWA EQUAL SUFFRAGISTS ARE ABOUT TO HOLD A STATE CONVENTION AND TO START A NEW CRUSADE FOR A CONSTITUTIONAL AMENDMENT.

AGAINST INTIMIDATION OR FORCED ASSESSMENTS.

The law should be faithfully observed and the civil service commission is to be commended for taking steps to have this done.

THE MERCER-BROACH POLICE COMMISSION HAS RESOLVED TO APPOINT THIRTY ADDITIONAL POLICEMEN TO SERVE TEMPORARILY, BEGINNING NEXT SATURDAY, UNTIL THE CRISIS HAS BEEN PASSED.

THE AMOUNT OF SUBSIDIARY COIN TAKEN FROM THE SUB-TREASURY IN NEW YORK FOR USE IN THE WEST FOR SEVERAL MONTHS HAS BEEN 20 PER CENT GREATER THAN DURING THE CORRESPONDING PERIOD OF LAST YEAR.

IF A REAL EMERGENCY EXISTS, THE THIRTY ADDITIONAL POLICE APPOINTMENTS SHOULD HAVE BEEN MADE AT ONCE, BUT BROATCH, MERCER & CO. COULD ONLY BUOY UP THE POLICE FORCE BY PINNING STARS TO THEIR COATS INSTEAD OF FOUR OR FIVE HUNDRED MEN WHOM THEY EXPECT TO ROPE IN.

THE PROSPECT OF KEEPING THE THIRTY NEW APPOINTMENTS ON THE PAY ROLL FOR ANY LENGTH OF TIME IS DECIDEDLY SLIM.

DAVE MERCER'S PALATIAL RESIDENCE, FOR WHICH HIDS WERE TAKEN FROM OMAHA CONTRACTORS TWO YEARS AGO, IS STILL ON THE STOCKS, OWING TO THE ADVANCE IN WAGES OF CARPENTERS, BRICKLAYERS, PAINTERS AND PLUMBERS.

THE DEMOCRATIC CAMPAIGN BOOK IS TO BE BELIEVED, THE RETURN OF PROSPERITY HAS REALLY BEEN A CALAMITY TO WORKINGMEN AND WAGE-EARNERS.

Tainted Money

Indianapolis News (Ind.). The Omaha Baptist association has raised an old question by resolutions (unanimously adopted) demanding the repeal of the present law of Nebraska, by which money received from certain license fees goes into the school fund.
