

LEAVING THE MERCER SHIP

Republicans Put on Nonresident's Delegate Tickets Refuse to Run.

FOUR PULL OFF IN SOUTH OMAHA ALONE

Printing Committee Arranges Form of the Official Ballots with Anti-Mercer Tickets in the First Column.

South Omaha was in evidence before the printing committee of the republican county committee yesterday morning.

The declaration of Joseph Christensen was received, he refusing to serve on the Mercer county delegation in the Sixth ward.

The question of the arrangement of the tickets on the ballot was then considered. John L. Pierce moved that the Mercer delegations be placed in the left-hand column on all ballots in each ward and precinct in the county.

It was then decided that all names appear on the ticket in alphabetical order and that a mark in the circle to the right of the delegation would vote for all of the names on that delegation.

The secretary was ordered to prepare the ballots in the order named and the printing committee adjourned until 4 o'clock in the afternoon to approve the copy before it is sent to the printer.

Charles W. Fear, a printer employed by the Daily News and a man widely and favorably known in union labor circles, is the latest candidate to enter the lists in the Eighth ward.

Another Eighth ward candidate whose fortunes rest with the anti-Mercer delegation is George F. Munro, who aspires to the state senate.

Candidates for the republican nomination for county attorney are plenty, and the fact that all but two of them have aligned themselves with the anti-Mercer forces is another indication that the nonresident congressman is not very generally credited with the strength necessary to win out at the primaries.

Every ward in the city, with the exception of the First, has from one to four candidates for the house of representatives.

For the senate George A. Mead of the Third, L. N. Gordon and J. A. Sunde of the Seventh, George F. Munro of the Eighth and M. A. Hall of the Ninth are in the running.

E. D. Evans of the Sixth and George B. Eddy and William Arnold of the Fifth ward are candidates for county commissioner in the Fifth commissioner district.

As one result of the general fight against

the renomination of Congressman Mercer, the placing of two delegate tickets for each congressional, county and judicial convention in every ward but the Ninth, the county committee comes in for a nice windfall.

Eighty-seven members strong, the North Side Second Ward Republican club sprang into being last night in Minicun hall, at Twentieth and Pierce streets.

Auspicious in its inception from the fact of its large charter enrollment, the club further proved its passage under a lucky star by holding an initial meeting one of the most rousing political gatherings ever known in the Second ward.

"This is an honor totally unexpected by me, but I assure you that I do elect to the presidency of a club destined to wield such a strong influence in the republican politics of this ward is the proudest achievement of my life."

A large crowd was present when Chairman Turner called to order the meeting of the West Side Republican club at Fortieth and Leavenworth streets last night.

It was then decided that all names appear on the ticket in alphabetical order and that a mark in the circle to the right of the delegation would vote for all of the names on that delegation.

The secretary was ordered to prepare the ballots in the order named and the printing committee adjourned until 4 o'clock in the afternoon to approve the copy before it is sent to the printer.

INUNCTION WORKS IN TWO WAYS

Danger of Interference from Strikers Being Removed Dissatisfied Workers Take Occasion to Desert the Company.

The Union Pacific's injunction which Judge McPherson of Iowa issued at the behest of Attorney John N. Baldwin against the strikers is working with a reflex action.

Owing to some dissatisfaction in former years in awarding prizes for the best floats and uniforms teams it has been decided this year to distribute the same sum of money, but in the following manner, believing it to be more satisfactory:

First—The sum of \$40 will be donated toward the construction of each float and the number of such floats will be limited to twenty.

Second—Selections will be made from sketches to be submitted to the board of governors on September 20, who will meet on that date at 8 p. m., at the Commercial club rooms.

Third—No one lodge will be entitled to more than one appropriation for one float. Each lodge will be allowed to participate in the parade, although there will be but twenty to receive the appropriation.

Fourth—Two hundred and fifty dollars will be distributed pro rata to the lodges representing in uniform about the membership they represent according to the last report.

Fifth—No lodge will be entitled to both the appropriation for float and distribution for team and members in uniform.

Lodges who desire to participate in the parade will please report to C. H. T. Rippen, 109 South 16th street, not later than Saturday, September 27, in order that their names be allotted to them.

All music in parade will be furnished by the Knights of Ak-Sar-Ben. Yours fraternally for the good of Omaha. SAMSON, P. O. Box 777, Omaha.

FIREMAN HURT IN COLLISION

Train Breaks in Two and the Following Runs into the Rear Section.

A rear-end collision occurred at 7:10 last evening on the Burlington road a short distance from Bellevue between freight train No. 87 and a special of two freight cars.

The injured man was brought to Omaha on a special car sent for him and at 8:35 o'clock Depotmaster O'Connell telephoned the city station for an ambulance to take him to St. Joseph's hospital.

The wrecking train was sent down to clear the way, but could not do so in time for passenger No. 13, which was due here at 11 o'clock and which passed on by way of South Omaha, a stub track being used to meet it.

The men on hand to be careful to obey every order of the police and do nothing to court or incur trouble, said Vice President Conlon of the machinists.
