Omaha won all three games Thursday, thereby fattening its percentage considerably and putting it on a basis where the last round with Milwankee, to commence Saturday next, will be a hair trigger con-test. The day's trio came easily, by scores of 5 to 3, 4 to 2 and 5 to 2. Today is la-dies' day and the Rangers have a definite DES MOINES, Sept. 18.—Des Moines tried a new pitcher, losing the game to Milwau-kee. Attendance, 500. ## Morning Game.

Omahs won the morning's game from Peoria 5 to 3. Frank Pears was more effective in the box than Lezotte in every way. Pears held the Distillers to six hits and gave but two bases. Meanwhile the stocky right fielder handed out four gifts and allowed a considerable fusiliade of safe ones, well bunched in two innings.

From one of threatening coolness the norning developed into sunny warmth, and he ball players cavorted around the dianond like a bunch of frisky colts. The Rangers started the scoring in the very first inning, touching up Lezotte for two doubles, a single and two bases on balls. which brought three runs. In the third they look another on a base given and a single, and in the fourth they rounded out the local tally with one more run on a gift and two singles.

By the end of the fourth the score was 5 to 0, and Frank Pears had so far pitched a no, hit game. But in the fifth the visitors began, and gradually increased their pace. A single hit was all in the fifth, while a single and a double resulted in their first score in the sixth. They finally ended up in the ninth with two singles and a double, netting two more runs. There the score died.

On a matter of time consumed the game was a record-breaker, requiring but fiftysix minutes. One hundred fans were out. Score.

Races and Ball Game at Fair. WAHOO, Neb., Sept. H.-(Special Tele-gram.)--The second day of the Saunders county fair closed today, with an attend-ance of nearly 10,000. The display of live stock was not up to the ordinary and the exhibits of farm products were very allm, but there were a great many attractions aside from the regular program. The tug-of-war between the teams of different na-tionalities was won by the Swedes. The horse races were one of the leading fea-tures of the day, quite a number of horses being entered for the different races. At 5 o'clock the Wahoo base ball team and an interesting game resulted. LOUISVILLE, Ky., Sept. 18.—Judge Field in the Jefferson circuit court tonight granted the injunction prayed for by State's Attorney General Pratt to prevent the contest between Terry McGovern and Young Corbett, scheduled for next Monday night. The attorneys for the Southern Athletic club will apply to the court of ap-peals tomorrow for a dissolution of the in-junction and a decision in this matter is expected by noon. A dissolution of the in-junction by the appellate court means a victory for the promoters of the contest. Concerning Judge Field's decision Man-ager Gray of the Southern Athletic club said tonight: "Friday morning my at-torneys will apply to a judge of the court of appeals for a dissolution of the injunc-tion. The defense claims Judge Field has no jurisdiction. My lawyers say there can be no injunction against an alleged criminal offense. I am absolutely confident the con-test will take place." It became known today that A. H. Craney, jr., legal representative of a lighting company at the time when the ten-year lighting bill was pending in the municipal assembly. has not been found thus far by the deputy sheriffs who are looking for him with subpoenas issued at the instance of the grand jury. Mr. Craney is desired in the grand jury's present investigation, which is directed toward finding the giver or givers of the \$47,500 bribe to the house of delegates' combine.

Delegate Charles F. Kelly, former Delegates Julius Lehmann, Louis Decker, dolph Madera, Emile Hartmann and John Interest in Creston Races Growing. Sheridan, indicted on charges of bribery and perjury, who have not been apprehended, were officially declared today to be fugitives from justice.

Rewards for the arrest and return of the men are offered in circulars in the regulation police form, which will be issued tomorrow.
