ARRESTED FOR OLD CRIME

South Dakota Man Charged with Murder Committed Five Years Ago.

OLD MAN IS TORTURED UNTIL HE DIES

Omaha Bridge Builder Threatens to Bring Slander Suit Against Member of Lancaster Board of Supervisors.

(From a Staff Correspondent.)

LINCOLN, Sept. 20.—(Special.)—Regulation papers will be held for Monday, when return to this state of Eph J. Herrod, now under arrest at New Salem, South Dakota, on the charge of having been one of two men who robbed and tortured until death resulted, an old bachelor named David H. Jones, near Wynmore, five and a half years ago.

Herrod was run down through the instrumentality of Detective W. A. Bentley of this city, who, from four-year-old clues accidentally obtained some time ago, secured a hold upon one of the murderers and secured from him a confession. This man's identity is kept a secret, as he is not yet under arrest and was not aware when he confessed that it was an officer.

Jones lived alone in a farmhouse in the center of a section of land he owned, two miles from Wynmore. On March 18, 1897, he was called to his door and there knocked down with an axe. He was then blindfolded, and ordered to produce his money. Jones was a miser, and reputed to keep large sums of money hidden about the house. A few days before he had drawn \$200 from the bank, but unknown to the robbers he loaned it to a neighbor. Believing that he still had the money they tortured him, setting fire to coal-oil saturated rags on his feet and burning them until the flesh fell off. A pile of rags was also set on fire and the man on his naked stomach. He insisted that the \$4 he found in a trunk was all he had, and their tortures failed to produce any more. The old man crawled to a barn after they left and in the morning rode to his sister's a half mile distant, where he fell in a faint. Eight days later he died.

Although the men were not masked he could give no description of them sufficient to warrant an arrest. Rewards aggregating \$700 were offered for each of the murderers, and this will fall into Bentley's pockets.

Herrod and the other men lived at Wynmore at the time, but left soon afterwards. The unknown said that he had vainly tried to live down the horrible scenes of his crime, could not find rest anywhere. He implicated Herrod in the crime, but was not yet because Herrod had not divided with him evenly.

Herrod was a sewing machine agent and pleasure canvasser. By this means he was finally traced. He was in Galveston at the time of the deed, but escaped with his life. He was finally located through his employer as being in South Dakota and then run to earth.

Threatens Slander Suit.

It was stated at the courthouse today that John W. Towle of Omaha, a bridge builder and contractor, has notified County Commissioner Welton of his intention to sue him for heavy damages for slander. Towle was one of the bidders for a recent contract. He was lower than Sheeley, to whom the contract was awarded. Later Commissioner Welton attacked the Sheeley contract in court and defeated it. During the trial Commissioner Welton filed an affidavit in which he said that the reason why the board did not give Towle the contract was because the members did not consider him a responsible bidder. Neither gentleman was in the city today and their attorneys declined to discuss the matter.

Dies in His Bed.

S. J. Dobson, a wholesale hide dealer of this city, was found dead in his bed this morning. He had been ailing from heart trouble, but felt unusually well last night. This morning his wife found him dead. He was brother of State Engineer Adna Dobson and had lived in Lincoln for thirty-one years.

New Corporations.

Application for a charter was presented today to Secretary Roese of the State Banking Board by the Commercial Bank of Bassett, of Bassett, Rock county. M. E. Smith, M. J. Lipman, A. O. Smith, J. A. Douglas and G. A. Milburg were the applicants. The capital stock is fixed at \$5,000, fully paid up.

The Alliance Building and Loan Association also asks Secretary Roese for a charter.

The Alliance Building and Loan Association also asks Secretary Roese for a charter. The incorporators are B. F. Gilman, W. H. Bartz, John L. Adams, A. F. Baldrige, C. C. Smith, D. C. McIntyre, G. W. Clark, L. B. Johnson and J. E. Moore. Stock will be issued to the amount of \$250,000. The organization springs from a desire by Burlington shopmen at Alliance to build and own their own homes, making payments in installments.

Three convicts were admitted during the week to the state penitentiary, the names, place of conviction, nature of crime and length of sentence being as follows: Erich Eagle, Dawson county, burglary, one year; H. E. Deych, Hall county, assault with intent to commit statutory crime, four years; Joseph Douglas, Richardson county, horse stealing, one year.

VALUE OF TESTIMONY

Greater Than Assertion.

There is none of us so hardened but that when we have been able to aid our fellow creatures by conferring a benefit or bringing a little comfort into their lives we like to have appreciation shown. This generally affords more pleasure than the performance of the act itself, and in this connection the following letter from a Paris, Tex., lady is of more than usual interest: "Dear Friends: I address you as such, for you have been such to me. I suffered for three years off and on with piles. I was treated at the hospital, and the new and elegant hospital, of Memphis; they only gave me temporary relief. I came west, thinking the change of air and water would benefit me. Five months ago the bleeding piles came back on me, and bled so much that I thought I would die. I have had four of the finest doctors in this section of Texas, all they did was to finally nearly let me go to my grave, all they wanted was a big sum of money from me and to operate on me. I said no, no doctor, and I would enter me; if it was my time to die God knew it, and when I died I would die all together. I began hearing about your medicine. I had no faith in you, but I sent and got a box of your Pyramid Pile Cure; in two days the blood flow had slackened to one half the amount, and in one week I felt as much better I walked four blocks and did a little housework. I was not bleeding then; in three weeks I was well. God bless you for putting such a wonderful medicine within the reach of suffering men and women. I shall never cease to recommend your medicine or be without it; also I used your Pyramid Pills. Sallie A. Heardon." Testimony like this should be more convincing than all claims and assertions, and should leave no doubt in the mind of the reader as to the merit of the remedy. Pyramid Pile Cure is sold by druggists for 50 cents a package, or will be mailed by the makers to any address upon receipt of price. Write Pyramid Drug Co., Marshall, Miss., for their book on cause and cure of piles.

CELEBRATE IN COLD AND RAIN

Emancipation Day Program Draws Considerable Crowd to Nebraska City.

NEBRASKA CITY, Neb., Sept. 20.—(Special.)—The emancipation day celebration was marred somewhat by the inclement weather. The day broke cold and gray and a drizzling rain fell all morning. Notwithstanding the unfavorable conditions good crowds came from Lincoln, Hamburg, Atchison and Omaha. The parade formed at the Missouri Pacific depot and marched to Metcalf's grove, where dinner had been spread. In the afternoon there was speaking, music and the athletic program at the grounds and a game of base ball at the ball grounds. In the evening a grand ball was given at the armory, the music being furnished by William Lewis' band and orchestra.

MESSENGER BOYS ON A STRIKE

Lincoln's Western Union Service Slightly Interrupted by a Walk-out This Morning.

LINCOLN, Neb., Sept. 20.—(Special Telegram.)—Ten out of sixteen Western Union messenger boys went out on a strike for an increase of pay this morning. They were being paid \$14 to \$15 per month and demanded \$18 to \$20. Some disturbance was created by the boys assaulting those who remained at work and those who sought to take their places, and for a time the police were kept busy. The Central Labor union took a hand in the affair and organized the boys into a union, after which all went back to work, pending an appeal to President Clowry on their demands.

Hastings Street Fair Plans.

HASTINGS, Neb., Sept. 20.—(Special.)—The various committees in charge of the Hastings street fair, which will be held from October 6 to 11, are making much progress and have every reason to believe that the fair and carnival will be a great success. A contract has been made with the Collins Carnival company for six shows, giving six entertainments daily. The Great Day sport, the high wire artist, is another attraction, as well as De Lisle Chappell, contortionist, and Miss Frankie Barry, with her twelve trained French poodle dogs. Among the many free attractions will be a daily ball session, the slide for life by the Collins trick bicycle performers, vaudeville and other features. Among the sports for the week are games of football and base ball.

Teachers Attend Reception.

PLATTSMOUTH, Neb., Sept. 20.—(Special.)—Last evening at the home of County Superintendent W. C. Smith a reception was given in honor of the new city superintendent of schools, E. L. Rouse, and wife. Invitations were extended to the members of the Board of Education and their wives and to all the city teachers. A short program had been prepared, the opening number of which was a vocal solo entitled "Violet," sung by Miss Clara Street.

Factory Stays at Deshler.

DESHLER, Neb., Sept. 20.—(Special.)—The proprietors of the Deshler broom factory have decided to remain in this place. For some time they have been receiving offers from other towns and cities in this and other states to induce them to move the factory, a large bonus and other flattering concessions being offered from each. Now, however, the matter has been settled and land has been purchased on which to build the new factory.

Eika's Carnival a Success.

BEATRICE, Neb., Sept. 20.—(Special Telegram.)—The attendance was not large owing to the rain, which has been falling at intervals all day. The attendance for the week has been very good, considering the weather. The attractions on the midway drew large crowds and the Eika's will come out all right financially.

ENDORSE THE PRESIDENT

Adams County Republicans Laud the Administration of Roosevelt.

NOMINATIONS ARE ALL UNANIMOUS

Hope is expressed that Cuban reciprocity will be adopted upon the reassembling of Congress—Enthusiasm and Harmony.

HASTINGS, Neb., Sept. 20.—(Special Telegram.)—The republicans of Adams county and one of the largest and most harmonious conventions here today ever held within the history of the county. The fact that the fusionists anticipated an eruption seemed in solidifying the republican column. W. H. Stephens of Juniata was chosen chairman and Adam Bredee and M. Baulsa were secretaries.

There were several candidates for the nomination for senator, but it soon settled down between J. C. Hedge and Fred Olmstead. On the third ballot Hedge won out and was unanimously declared the candidate. The race for representative was between W. G. Sandler and I. D. Evans, but on the second ballot the nomination was unanimously tendered to M. Sandler. There were four candidates after the county attorney nomination, McCreey and Hartigan in the lead. After the second ballot Hartigan was declared the unanimous choice of the convention.

The following resolution offered by J. N. Clarke was loudly cheered by the convention and was unanimously adopted.

"Resolved, that we, the republicans of Adams county, Nebraska, in convention assembled, heartily endorse the administration of President Roosevelt, that we commend his obvious determination to continue the policies of our late lamented president, William McKinley, in fulfillment of his pledge made to the people.

"That we warmly approve the administration of affairs in the Philippines under Governor Taft, believing that his broad, wise and humane consideration of public questions will result in the permanent betterment of the inhabitants of those islands and continue to add to the glory and honor of this republic;

"That we regret that the president was not sustained in his laudable desire for reciprocity with Cuba, but we confidently hope and believe that upon the reassembling of congress, this mistake will be corrected and the Cubans given a fair opportunity to demonstrate their ability for self-government.

"That we anticipate with great pleasure the visit of President Roosevelt to the state of Nebraska, the county of Adams and the city of Hastings; that we pledge him our loyal support in the discharge of his public duties and responsibilities, and believe we voice the sentiments of the republicans of Nebraska in bespeaking his triumphant election in 1904."

Eighteen delegates were elected to attend the state convention to be held at Blue Hill, October 3. The convention turned out to be a regular republican love feast, and the ticket nominated meets with the approval of all.

E. D. Smith Declines.

YORK, Neb., Sept. 20.—(Special Telegram.)—At a meeting of the republican county committee here today a letter from E. D. Smith declining the republican nomination for legislature was read. The letter was addressed to Chairman Alfred Christian, and was a surprise to the committee. Mr. Smith gave as his reasons that it was necessary for the health of his wife, her physician recommending a change of climate. At the next meeting, Saturday, September 27, the committee will select a nominee.

Name a Strong Ticket.

PLATTSMOUTH, Neb., Sept. 20.—(Special.)—The Cass county republican convention met at Greenwood today and nominated Captain George L. Sheldon of York for state senator by acclamation and William Delia Derrler of Elmwood

and M. L. Frederick, residing near Plattsmouth, for representatives. Jesse L. Root of Plattsmouth was given the nomination for county attorney for the third term, City Attorney A. J. Beeson being the only other candidate before the convention. L. C. Todd was given the nomination for commissioner. The ticket is considered an exceptionally strong one and the candidates feel sure of election, as the county usually gives from 500 to 600 republican majorities.

Enthusiasm in Johnson.

TECUMSEH, Neb., Sept. 20.—(Special Telegram.)—The republicans of Johnson county met in convention here this afternoon. The weather was unpropitious, but notwithstanding this the representation was large. The meeting was called to order at 2 o'clock in the court house by chairman W. A. Campbell of the county central committee. Judge S. P. Davidson of Tecumseh was made chairman, and S. W. Thurber and A. L. Brillhart secretaries. The first business was the selection of a candidate for county attorney. Jay C. Moore, of Sterling was elected on the first ballot, with L. C. Chapman of Tecumseh a close second. For representative of the Fourth district, Charles C. Reed of Vesta was the unanimous choice. Delegates to the state senatorial convention which meets at Johnson next Saturday were then selected. The district includes Johnson and Nemaha counties. The fourteen delegates named from Johnson county were: S. P. Davidson, J. G. O'Connell, Theodore Smith, John Campbell, John Giesman, H. J. Banker, M. H. Carman, Frank Pink, John Tracy, E. B. Foster, G. W. Meyers, E. B. Laffin, William Ernst and A. Corbin. A resolution was adopted unanimously instructing this delegation for Hon. J. L. Young of Tecumseh for senator. The county convention then adjourned. The delegates from the Third commissioner district, which includes the precincts of Spring Creek, Helena and Sterling, then got together in convention and selected J. J. Brown as the candidate for county commissioner. The feeling throughout the meeting was of the best harmonious spirit.

Former Mayor Dean for Senator.

HOLDREGE, Neb., Sept. 20.—(Special Telegram.)—At the republican county convention held here today Fred Brown was nominated for representative and W. P. Hall for county attorney. Judge Norris, Attorney General Proust, Secretary Marsh and Auditor Weston were here and addressed the convention. The twenty-eight senatorial convention was also held and nominated for representative and W. P. Hall for county attorney. The ticket is a very strong one and the republicans expect to make a winning fight.

Harmony in Buffalo.

KEARNEY, Neb., Sept. 20.—(Special Telegram.)—Buffalo county republicans held a harmonious convention here today. N. P. McDonald, county attorney, was renominated by acclamation. J. H. Davis of Gibson and Oscar Knox of Riverdale were nominated for the legislature. The outlook is favorable for a majority for the county, state and congressional ticket.

NO FUSION IN DAWSON COUNTY

Populists and Democrats Hold Their Conventions and Name Independent Tickets.

LEXINGTON, Neb., Sept. 20.—(Special Telegram.)—The populist and democratic county conventions for Dawson county were held in this city this afternoon, the former in the courthouse, the latter in Darr hall. A motion in the populist convention to permit the democrats to name the candidate for county attorney was voted down, after which the following ticket was nominated. Representative, Lloyd Neil, formerly county treasurer; county attorney, J. M. Ellingsworth, heretofore twice defeated for the same position; commissioner, First district, J. T. Moore, present incumbent.

Fusion Nominations in York.

YORK, Neb., Sept. 20.—(Special Telegram.)—There was not a large attendance at the populist and democratic convention and many townships were not represented. Farmers are too busy taking care of one of the largest crops in the history of York county, and owing to scarcity of farm hands little interest is taken in politics even by populists. Dr. V. Moore, who ran for congress years ago against James Laird, was made chairman of the populist convention and George Corcoran secretary. Tom Owens of York was selected chairman and Oden Gilmore secretary of the democratic convention. After organization both conventions appointed a conference committee and agreed to make no nominations unless agreed upon by both conventions. Oden S. Gilmore of Blue Vale, a young man and successful life insurance agent, and John Bremer, one of the most prosperous farmers of York county, were nominated for the legislature. Teddy Bennett of York was nominated for county attorney. The democratic resolutions reaffirmed the Kansas City platform and proclaimed allegiance to Bryan. The populists pledged, if elected, that the nominees for the legislature would not ride on a pass; demanded the right to condemn grain elevator locations on railroad rights-of-way, a revision of railroad taxation and a maximum railroad rate law.

LONG PINE, Neb., Sept. 20.—(Special Telegram.)—M. F. Prantz, a well-to-do stockman of Rock county, was nominated today by the fusionists for representative from the Fifty-first district. Prantz is a democrat.
