Frustees of Parsons College Ask \$150,000 of Fairfield to Retain the College at that Place.

(From a Staff Correspondent.) DES MOINES, Sept. 20 .- (Special.)-The republican district convention at Hampton on Thursday next, or rather the recon-It is alleged that it was due to the care- vening of the old convention which met and launched in the waters of Massachusetts is a fascinating and beautiful stretch of tion, billousness and malaria, fever and be one of the liveliest conventions in district politics. Already practically every county has a candidate except Dubuque Notice of Dividends to Stockholders. Courtright, Blackhawk county; Charles E. taches, made the occasion a notable one. Pickett, Blackbawk county; Judge W. D. Evans, Franklin county; Judge B. P. Birdsall, Wright county; Representative Burton E. Sweet, Bremer county; C. E. Albrook, Hardin county; Charles E. Ransier, Buchapan county; Senator George E. Craig, Butler county.

The fact that the old delegates will make have an opportunity to express preferences is regarded as certainly eliminating both hold another convention, that when the adjourned sine die, as it did May 1 last, they were no longer delegates, that the action amounts to nothing more than the congressional committee naming all the delegates, and therefore that the nominee of the convention will have to go on the ballot by petition instead of by filing certificates of his nomination.

An added element came into the campaign today when Ephraim J. Dean of Waverly filed nomination papers as a can-on an anti-monopoly platform. The socialists also intend to make a nomination. The prohibition candidate is already in the field at work.

Plen Made for Boics.

The democratic congressional committee has called a meeting at Waterloo on Monday for a conference with ex-Governor Boles in regard to the campaign. At that time the plan of campaign will be mapped out. They are preparing to make a strong campaign for Boies. They will hold out the hope that if Boies can go to congress with the prestige of having caused the defeat of the speaker in a strong republican district he will at once become so fully \$15,000. Thursday night Jones took a prominent in the councils of the democratic party that he will be the democratic nominee for president in 1964.

The claim made here that Congressman Hedge, who has been renominated in the First Iowa district, at the recent conference offered to withdraw if the county committeemen felt that his place on the ticket a coal endurance rather above the average. Mrs. the main deck being planked. Smith thereupon, without another word, shots at him as he lay on the ground, and Mrs. Smith at the time and they both immediately took a street car for their home. They were soon after arrested and Mrs. Smith declared that young Clark had been the author of her daughter's ruin and she only regretted she did not kill him instantly. Harry Clark was taken to a hospital. His wounds are serious, but probably will not be fatal. He stated that he only a slight acquaintance with the girl. She and another girl had come to the hotel the night before and desired to stay all night, but were prevented from so doing. He denies he was in the least intimate with her. Others assert, however, that he was, and that the girl bore a reputation for being very bad. Clark is a cripple and 17 years old, and is well known in the city as a bright boy of good habits. His parents own the Arcade hotel. The statement of a police officer is to the effect that he found the girl, Alice Smith, at the hotel at a late hour and took her away, and that she then declared that young Clark had been her ruin.

Sensational Divorce Case.

A sensational suit for divorce was filed in the courts here today in which the wife of M. B. Handley, a well known grocer and baker, sues him for divorce and asks alimony in the sum of \$8,000. The sensational part of the accusation lies in the fact that she alleges her husband has tried systematically to kill her for several years.

Red Cross Litigation Closed. The litigation over the transfer of the membership of the Order of the Red Cross to the Bankers Union of the World has been settled by stipulation and the injunction secured by the Vinton members of the Red Cross society has been dissolved.

Carleton of Haverhill. Mass., cut the ropes which held the last keel block and started the ship down the as well as for its altitude, which affords ways.

Des Moines is the largest vessel ever adjourned sine die May 1 last, is likely to bay, and it is the first of the government ships under construction by the Fore River gether with what is expected to be done by Try it and see. company. Although the weather was cloudy and at times threatening, the day county. In view of Henderson's declination was practically a holiday for Quincy, while Dubuque will present no candidate. Among the attendance of a large company of disthose who are either avowedly candidates tinguished guests, including a delegation or are being seriously considered for the from lows, many government officers, state place are the following: Senator O. B. and city dignitaries and foreign naval at-The launching party and other guests left Boston on a special train. Shortly after noon the party mounted the launching stage,

right under the massive bow of the ship. The Iowa party included, besides Miss Macomber, the following: Governor Cummins and Mrs. Cummins, State Treasurer Gilbertson, State Auditor Merriam and Mrs. the nomination and the district will not Merriam, Brigadier General M. H. Byers, Colonel Joseph R. Prime, Colonel John G. Loper, Colonel C. G. Saunders, Colonel J. B. of the Blackhawk county candidates, and Santee, Colonel Charles E. Mitchell, Colonel indicates that the friends of Henderson Walter M. Davis, Colonel Robert M. Bigelow will dominate the convention in its entirety. and Major Joseph Bessom of the governor's There is much complaint because the old staff; Governor's Secretary John Briar and delegates were called together again. The wife, Miss Anna Cummins Mr. and Mrs. claim is made that they have no right to G. M. Curtis, Mr. and Mrs. Way, Major Brenton, D. O. Hanger and Patrick Brackett convention which they were elected to of the Des Moines city government, and others.

Owing to the Illness of Governor Crane, Massachusetts was represented by Lieutenant Governor Bates and several of the governor's staff.

For an hour or two before the party reached the launching stage the workmen of the yard were engaged in knocking away many of the shores and braces, until at last one single block alone held the great ship. At a given signal Miss Carleton cut the rope which held this piece of timber with hatchet made from the iron and mahogany used in the construction of the ship. Scarcely had the rope been cut when Miss Macomber dashed the bottle of champagne against the steel bow, with the words: christen thee Des Moines.'

The big vessel hesitated but a few monents and then proudly started down the The plunge into the river was made WAYE. gracefully and was halled by a deafening oar of cheers from those in boats and en the shore. A number of tugs were ready to tow the vessel back to the pier.

At the conclusion of the launching i lunch was served to the invited guests. Des Moines represents what its designer, Admiral Hichborn, regarded as the most useful of the medium sized type of war ships. It was never intended that it should be a racer, nor yet that it should e a battleship in resisting qualities, but Des Moines was planned to combine a fair rate of speed, a moderate but still formidable armament, good seagoing qualities and a coal endurance rather above the average. gether in a vessel of 3,200 tons displace ment, 308 feet 9 inches long, 44 feet beam and 15 feet 9 inches draft and a speed of 1614 knots.

Des Moines has a protective deck two inches thick, and its sides are lined with cellulose to exclude water in case they are pierced by a shell. It has no other armor. It carries five 10-inch rapid fire guns, eight 6-pounders, two 1-pounders and four Colt automatic guns. The indicated horse power will aggregate 4,500, the engines being triple expansion. Six water tube boilers will supply the necessary steam. The coal supply, 700 tons, will A senational shooting affray ocurred in give this ship a radius of action at 10 the state fair grounds at 8:30 o'clock this knots of 7,000 knots without coaling; East Des Moines, not far from the state cisco to Manila without stopping for coal. fair grounds, entered the resturant at the Des Moines is designed for hard Arcade hotel, which is a boarding house service, without fancy qualities. Somewithin the state fair grounds, and, finding what special consideration has been given Harry Clark there, she asked him if he to its strength and the scantlings are unwas the young man who was out with her usually heavy. It has no ram and the use daughter, Alice, yesterday afternoon. He of wood is confined to the minimum, only

The ammunition supply will be unusually drew a revolver and shot the boy. The first large, including 250 rounds for each of the bullet entered his chest and he sank to the main 5-inch guns and 500 rounds for the ground. She then fired two or three more 6-pounders, all smokeless powder. Distilling plants and ice machines fit the vesthen retreated. The daughter was with sel for tropical service and it has six electric ammunition hoists and winches and blowers and every one of the latest devices that a vessel of this size can carry. Four hundred and fifty men can be accommodated on Des Moines, although its regular crew is 263 men, so that it can be used to advantage to carry relief crews to foreign stations or for similar service.

Yankton County Republicans. YANKTON, S. D., Sept. 20 .- (Special Telegram.)-Yankton county republicans today nominated county tickets as follows: C. H. Dillon for senator, T. E. Price, Henry Stroller and John Larsen, for representatives Henry Grebe, register, Han Halgerson, assessor; Elmer Johnson, treasurer; Charles Lawrence, auditor; Peter Royan, clerk; Jacob Ruthgeber, sheriff; John Nolman, attorney; S. A. Boyles, county judge;

Mighty Slim

are the chances of your getting better plumbing work done by other hands than ours. Why bother experimenting? We never disappoint when it is at all possible to avoid it. We always do honest, conscientious work and do not charge the mammoth prices about which the comic weeklies write. For estimating any kind of plumbing on a business basis, give us the first opportunity. If we do it, it's done

J. C. Bixby & Son 202 Main, 203 Pearl St., Council Bittffs, Ia. Telephone 193.

Expletives spent over frayed collars, torn shirts, poorly washed skirts, lose time and gain nothing. Patronize the Bluff City Laundry for a change and see if you caunot get better satisfaction. We know we know how, we try with a will and the result should be pleasing. Just a trial order,
