

NEW SHOPS WITHIN A MONTH

Unless Pacific Will Be Operating in New Buildings Very Soon.

ELECTRICITY TO BE USED FOR POWER

Immense Storage House Yet to Be Erected, the Foundation Having Just Been Finished—Great Modern Plant.

Within another month the Union Pacific will be using its new shops or at least the main part of them. The machine shop, which is now complete, will, it is calculated, be in operation by October 15.

As has been published by The Bee, these new shops are to be operated by electricity, a plant having been established by the Union Pacific on its grounds for this purpose.

The new machine shop building is a huge structure. Its ground dimensions are 295 feet long by 150 wide and its height is two stories.

Some of the striking features of this shop is the large movable cranes that have been installed. They are tremendous machines and have no duplicate in this part of the country.

The oil house has been about completed. The painters are just now putting on their finishing touches and the company may take possession of it within a few days.

A building yet to be reared is the new storage house, the foundation of which has just been finished. This structure will be two stories high and 300x150 feet in dimensions.

Dr. Pierce's Golden Medical Discovery puts new life into weak, worn-out, run-down men and women. It strengthens the weak stomach, purifies the blood, and effectively stimulates the liver.

Don't be fooled into trading a substance for a shadow. Any substitute offered as "just as good" as "Golden Medical Discovery," is a shadow of that medicine. There are cures behind every claim made for "Discovery," which is no "just as good" medicine "can show.

Biliousness is cured by the use of Dr. Pierce's Pleasant Pellets.

FORMING A FESTIVAL CHOIR

Omaha Singers Uniting to Bring Best Voices Together in Grand Chorus.

Omaha people will probably have a fine May festival next year. Negotiations are pending with an eastern orchestra and a bureau controlling prominent eastern soloists.

Locally, a "Study club," for the purpose of working on the newer musical compositions for choir, orchestra and soloists has been organized under the personal direction of Mr. Thomas J. Kelly.

A few prominent citizens have signified their willingness to support financially and influential in proposed plan. The festival choir will be composed of seventy-five of the best voices to be found in Omaha, Council Bluffs and South Omaha.

As the membership list now consists of forty-one members and the limit is seventy-five, it will be necessary to arrange for membership at once. Mr. Kelly will receive intending members on Saturday afternoon at his studio in the Davidge block.

GUARD GETS INTO TROUBLE

Union Pacific Patrolman Fires Revolver Twice and is Arrested.

The first disturbance in the vicinity of the Union Pacific yards since the murder of Earl Caldwell at Twelfth and Cass streets occurred Tuesday evening and its cause was a dispute over a dog.

Swan claimed he accidentally discharged his pistol, but a Missouri Pacific switchman called "Weeping Water Bill," with whom Swan is said to have had some previous trouble, happened to be at work on the scene where the firing occurred, others held that the shots were not accidental.
