J. Barnes on two indictments for forgery, one a note of \$3,000 held by the bank at Arlington and the other a note for \$2,000 held by the Aetna State bank at Oelwein. These indictments were seven years old. and it is not probable had Barnes remained in the west that an effort would have been made to bring him back for trial. But he concluded a few weeks ago that he might safely return to the old home. When the case against him was called he pleaded guilty. He has not yet been sentenced.
