SECRETARY GLEASON

Of The Woman's Catholic Order of Forrester, Chicago,

St. Francis Xavier Court No. 174, Endorses Lydia E. Pinkham's Vegetable Compound.

Some women are tireless in their home work, others in their work in the church or their favorite society or club; they laugh and sing and are happy. But think of the poor one who is left at home, utterly unable to make any effort whatever, broken hearted and despondent.

The horror of female complaints is upon her; she is oppressed by that distressing bearing-down feeling, backache, her nerves are all gone, don't care to move and wants only to be left alone.

O, dear sister, don't you know by this time that Lydia E. Pinkham's Vegetable Compound will surely reach the cause of all this trouble and make you well and strong! It certainly will cure you as certainly as the sun shines. Read what Mrs. Gleason says:

"I want every woman to know that Lydia E. Pinkham's Vegetable Compound has been of untold value to a large number of women of our order. I know positively that it has cured many of the most distressing diseases of the pelvic organs, falling of the womb, ovarian troubles, and painful menstruation. There is no question in the world but that it is superior to any medicine for women. I have used it myself, and know whereof I speak. — Yours truly, Mrs. M. GLEASON, 554 West Taylor St., Chicago."

Two More Sufferers Cured.

"DEAR MRS. PINKHAM:—I was sick with female weakness. I took all kinds of medicines, you might say, and was operated on by doctors, but they did me no good. After taking five bottles of Lydia E. Pinkham's Vegetable Compound I found relief and am now enjoying good health. Since taking your medicine I have become the mother of a little boy. I will praise your medicine as long as I live."—Mrs. SARAH E. REEDER, Amherst, Ohio. (Dec. 27, 1900.)

"DEAR MRS. PINKHAM:—I suffered daily from backache and stomach ache. Menstruation was suppressed for six months, and then appeared again, but very painful and irregular. Instead of consulting a doctor I thought I would try Lydia E. Pinkham's Vegetable Compound. I now feel as well and strong as ever. I did, and since taking it I have given birth to a little boy, and we do bless your medicine. Will advise all sick women to use it."—Mrs. IDA PETERSON, Box 93, Amasa, Mich. (March 1, 1901.)

Mountains of gold could not purchase such testimony as we are constantly publishing; only the unquestionable merit of Mrs. Pinkham's great medicine can accomplish so much. Write to Mrs. Pinkham, at Lynn, Mass., if you are ill. The efficacy of her advice is proven by thousands of letters from women who have been cured of female troubles by her guidance and medicine.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to anyone who can find the above testimonial letters. If you are not genuine, or were published before obtaining the writer's special permission, you will advise all sick women to use it."—Mrs. IDA PETERSON, Box 93, Amasa, Mich. (March 1, 1901.)
