

## TESTING WEST FOR WATER

Irrigation Experts Will See About the Artesian Flow in Nebraska.

## NEW ELECTRIC RAILWAY PROJECTED

Men Said to Represent Westinghouse Prospecting Along the Route Between Omaha and Lincoln.

(From a Staff Correspondent.)

LINCOLN, Sept. 29.—(Special).—F. H. Newell, chief of engineers of the government force in the middle west, was in the city today consulting with Senator Dietrich over irrigation matters. Mr. Newell says that the government will shortly begin the work of putting in test wells to ascertain at what depth in western Nebraska water can be found. Previous experiments have shown that in the eastern portion of the state artesian wells need not go below 1,000 feet, but in Colorado and Wyoming it is often necessary to go 7,000 feet, it has been decided to ascertain just how far underneath the surface water may be found in the western part of this state.

Field Engineer Dorton is now in that section selecting the site of experiments. Mr. Newell thinks that Nebraska may hope for much benefit from artesian wells as a source of irrigation. Storage reservoirs cannot well be located in this state, but he thinks that the establishment of them in the mountains is certain to spread more benefit to the western part of the state.

No canal work will be done in the state this fall. Mr. Newell and his assistants will meet in Denver in about two weeks to plan the campaign for the winter in the south and west.

## Third Electric Railway Project.

Two men acknowledging themselves to be promoters of electrical construction connected with the Westinghouse company of Cincinnati are canvassing the territory between Omaha and Lincoln ostensibly toward the projection of an electric railway between the two cities. They were in Ashland last Saturday for the purpose of examining the water power at that point, the old mill dam and falls in Salt Creek, to ascertain whether or not it could be made to afford adequate power for the operation of such a line. Mr. Boynton of Muskegon, one of them, subsequently declared that, while he was not an engineer, he had little doubt that there could be power enough derived from the Ashland dam to operate the line. He said that the dam there affords a fall of about seven feet and that this fall could be increased without great expense to nine feet.

Mr. Boynton and his companion were in Omaha over Sunday, but will canvass the entire territory during the current week. They work chiefly among farmers and seem to avoid banking and business interests. Mr. Boynton says that if the line should be built, it will be constructed by the Westinghouse company without backing further aid from the people along its course than the franchise, for the acquisition of which the inevitable fight with the railway interests may be expected. It was stated by one of these promoters that the project which they are representing has no relation to the two projects now coming forward for water rights before the irrigation board.

## Divorce in High Life.

Mrs. Emma A. Muir secured a divorce in the district court this morning from her husband, Dr. Daniel H. Muir, one of the leading physicians of the city. The Muirs have moved in the best society for years. Incompatibility of temper was the cause of all their troubles. For weeks at a time it was testified, they did not speak to one another, and for ten years they have not maintained the relation of husband and wife. By agreement the wife secured title to the home property and also got \$50 a month alimony.

## Found Wait on Doorstep.

Frank N. Hopkins, state commander of the Macabees, was awakened at 2 o'clock yesterday morning by a noise on his front porch. Investigating, he found a baby babe 4 weeks old wrapped in a bundle. Placed to the wraps covering the child was this note: "Mrs. F. N. Hopkins: I need a good home. Please help me. BABY."

Attached to a bottle in the folds was the direction: "Give good warm milk every two hours."

It is thought that the mother lives in the neighborhood and knew of the Hopkins.

The children of the latter are all grown, and Mrs. Hopkins insists that she will undertake the task the homeless mother imposed upon her.

## Held to District Court.

Alfred Hayes, the old man who sought to punish his wife for eloping with another man, appeared in police court this morning without counsel. He insisted he wanted no lawyer. After the testimony was taken the court held him in \$500 bond for his appearance at the next term of court. He was taken back to jail. He said that he was made crazy by his wife's declaration, on her return, that she loved the other fellow better than she did him. "I don't know what it was I threw," he told the court. "It was mad, crazy mad. I threw the stuff, whatever it was. God knows I am sorry now, but it can't be helped. I loved the woman as I love my life. We have children dead and buried and some day we will have to meet them. Her doings have set me crazy and I don't know what I am doing."

Mrs. Hayes was immediately afterwards arraigned on the charge of adultery and admitted her guilt. She could not give the \$500 bond required for her appearance at district court. Walker was not inclined to plead guilty until he heard the woman had done so, and remarking that "whatever the lady says I did, I did," he walked back to his cell.

## Lad's Narrow Escape.

Jed Blodgett had a close call from instant death last evening. He is 11 years old and lives at 1845 O street. He climbed to the top of an electric light pole and was displaying his agility when he got hold of a live wire. A companion, Frank Campbell, noticed his struggling, and without a knowledge of his own danger, climbed up

## Quick Colds

A draught, a quick cold; Ayer's Cherry Pectoral, a quick cure. Get well before you have to think of weak lungs, bronchitis, pleurisy, pneumonia. Ask your doctor what he thinks of this advice. If he has better, follow it. If not, follow ours.

"I have found Ayer's Cherry Pectoral the best all-around remedy for la grippe, bronchitis, and other lung troubles that I have ever used. It has benefited or cured in every instance."

and jerked him loose from the wire. His hands were badly burned and the boy received a severe shock.

## New Corporations.

The Elkhorn Valley Irrigation company filed articles of incorporation today in the office of the secretary of state. Its headquarters are given as O'Neill, Holt county, and its avowed purpose the acquisition, construction, maintenance and operation of irrigation works in Holt and adjoining counties. Its authorized capital stock is \$300,000 and its incorporators: F. M. Widner, Thomas L. Maxwell of Cornish, Ia., F. G. Foster, H. S. Rand and E. S. Huston of Burlington. The company has recently bought out the interests of the Elkhorn Valley Irrigation and Land company.

G. W. Short and H. A. Gierich are named as incorporators of the Anoka State bank, articles of incorporation for which were filed at the state house today. It is located at Anoka, Boyd county, and has an authorized capital of \$15,000.

James W. Carr of Omaha has filed with the secretary of state a statement of expenses incurred by him in his campaign for the nomination as judge of the district court before the republican primaries. His ambition is shown to have cost him \$5 fees for filing his delegation and \$5 for the printing of sample ballots.

Nelson C. Pratt's formal showing of expenses incurred in his race for the republican congressional nomination embraces \$6.70 for hall rent, \$5.05 for buttons, cards, sample ballots and postage, \$14 as fees for filing of his delegation and \$12 for workers and carriages at the polls.

## Governor Savage left at noon today for St. Louis to be present at the allotment of space for the various states at the Louisiana Purchase exposition.

## Vandalism Punishable.

On a statement of facts more or less common to all school buildings, especially in country districts, the state superintendent of public instruction has submitted the following opinion for the guidance of a school official in the district into the case for the information of school officials generally where similar complaints may be made.

You state that you may be called upon to prosecute persons for entering your school grounds and committing acts of vandalism. In such cases you should be guided by the following principles: First, the offense is a criminal one, and you should be guided by the criminal code, which makes it a crime to enter school grounds and commit acts of vandalism. Second, the offense is a civil one, and you should be guided by the civil code, which makes it a crime to enter school grounds and commit acts of vandalism. Third, the offense is a moral one, and you should be guided by the moral code, which makes it a crime to enter school grounds and commit acts of vandalism.

## STANTON REPUBLICANS MEET

Held Enthusiastic Convention and Name a Strong and Popular Ticket.

STANTON, Neb., Sept. 29.—(Special).—The republicans of this county held their nominating convention in the court room in this city Saturday afternoon. The representation was good. Hon. W. W. Young, dressed the occasion in an eloquent fifteen-minute address, in which he commended in the highest terms the administration of President Roosevelt, discussed briefly political issues, eulogized J. J. McCarthy and appealed in forceful language to the republicans to support him for congress.

The convention proceeded to an informal ballot. The names of G. A. Eberly and J. A. Ehrhardt were presented for county attorney, but Mr. Eberly withdrew his name, having previously stated that having held office for four years and having repeatedly stated that in case any other republican attorney in the county was running for the place, he would not permit his name to go before the convention, he could not consistently do so. Other attorneys of the county having been importuned to accept the nomination and having declined to do so, the convention was left with no other alternative than to nominate Mr. Ehrhardt, which was done.

## Agree Axon was nominated for county commissioner and will make a strong candidate and a good officer if elected.

## To Pay Depositors in Full.

TECUMSEH, Neb., Sept. 29.—(Special).—L. A. and John Graf, officers and stockholders in the defunct Chamberlain bank of Graf, are paying all depositors in full in the failed institution. The gentlemen are individuals and do not propose to see a depositor lose a cent. They are not responsible for but double the amount of their stock, nor would this settle in full, and consequently the depositors of the Graf institution can congratulate themselves that they were not depositors in the failed institution. The gentlemen are business men as honest as they are fair, and they are leaving open a new bank in the village, one in no way connected with any other institution.

## Increased Interest in Revivals.

YORK, Neb., Sept. 29.—(Special).—There is continued interest in the great revival meeting that is now being held in the large frame tabernacle building that was built expressly for these meetings. Already over a hundred people have gone forward and at yesterday's services there were at least 3,000 people at the morning service and eighty people went forward. Evangelist Williams' work is appreciated and if the good work continues, it is estimated that before the meetings close that nearly 500 will be converted. Evangelist Williams is assisted by all the ministers in the city, a fine choir, and is being assisted by nearly every Christian in York.

## Rain Spoils the Fair.

AURORA, Neb., Sept. 29.—(Special).—The Hamilton county fair of last week was poorly attended owing to the rain. The entries were the largest in a number of years, but the bad roads and weather prevented the bringing in of stock and other articles. The display of vegetables and fruit was small but good. The race track was under water most of the time, consequently there were no races.

## Flour War at Tecumseh.

TECUMSEH, Neb., Sept. 29.—(Special).—The flour war with the local millers is still on. Brands of the mills' product that usually retail at from \$1.15 to \$1.25 per sack are selling at 85 cents per sack, and lower grades are proportionately low. One mill is running night and day to keep up the supply.

## Johnson County Prohibitionists.

TECUMSEH, Neb., Sept. 29.—(Special).—The prohibitionists of Johnson county will hold a nominating convention in Crab Orchard next Saturday afternoon. The prohibitionists of this neighborhood are faithful. They invariably put up a county ticket, but their strength is slim in this county.

## Frontier County Fair Closes.

STOCKVILLE, Neb., Sept. 29.—(Special).—The Frontier county fair closed Saturday. The exhibits of agricultural products were the best ever shown here, also the display of fowls. The attendance was good Wednesday and Thursday. The storm prevented the expected attendance Friday and Saturday.

## A LETTER TO OUR READERS

NEW HAVEN, Addison Co., Vt. Dr. Kilmer & Co., Binghamton, N. Y. Gentlemen: About a year ago I was suffering from what I supposed was rheumatism. I became so bad that I could hardly go on my feet from a sitting position. I run down in weight from one hundred and ninety-five to a hundred and forty-five pounds. I tried different kinds of medicine but received little or no help. I saw Dr. Kilmer's Swamp-Root highly recommended for kidney trouble, but I never had any idea that my kidneys were affected. I thought I would try a fifty-cent bottle of Swamp-Root and see what the effect would be. I commenced taking it according to directions and in a few days I saw that it was helping me. I used the fifty-cent bottle and then bought two more dollar bottles, and they completely cured me. I have got back to my original weight, one hundred and ninety-five pounds, and I am a thorough advocate of Dr. Kilmer's Swamp-Root. Very Truly, Wm. M. PARCH.

You may have a sample bottle of this wonderful remedy, Dr. Kilmer's Swamp-Root, sent absolutely free by mail, also a book telling all about Swamp-Root. If you are already convinced that Swamp-Root is what you need, you can purchase the regular fifty-cent and one dollar size bottles at the drug store everywhere. Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## INVESTIGATION PAYS COUNTY

Two Former Treasurers Found to Be Indebted Several Thousand Dollars.

HARTINGTON, Neb., Sept. 29.—(Special Telegram).—Last April an investigation of the Cedar county treasurer's records was begun by accountants Cannon and Valentine. In July a report was submitted to the county board covering the four-year term of ex-treasurer H. B. Suling, from 1898 to 1902, finding a shortage of \$6,079, which Mr. Suling promptly settled. Notwithstanding the official report has not been made public yet, it is currently reported and well understood that the report when made public this week covering the two terms of ex-treasurer T. F. Zeigler, from 1894 to 1898, will reveal a shortage, considerable over \$20,000. Of this amount the report will show no small amount belonging to the state, and a very large sum belonging to the county school funds. Zeigler's first term was secured by a personal bond, his second by a bond given by the Fidelity and Deposit company of Maryland. No doubt remains that practically all of the shortage occurred during his second term.

Accountant Giehrich of Omaha was here last week in the interests of the securities company and will return this week and make a thorough investigation of the second term of Zeigler's records in behalf of the bond company.

T. C. Cannon, being west on his summer vacation, the investigation of Zeigler's records was made entirely by Mr. Valentine and much credit is due in unearthing the matter, inasmuch as Zeigler's accounts were inspected and approved by the state examiner, the bond company examiner and settlement was made by him with the Board of Commissioners.
