CLOSE LAST NIGHT BEFORE THRONGS

Despite Much Unfavorable Weather Attendance Has Been Large and Nearly All Have Enjoyed Prosperity.

The Midway which did service during the coronation period of King Ak-Sar-Ben VIII is a thing of the past. It became such last night, dissolving into the history of this of people were on hand to witness the tranthere was nothing to suggest that the great gay festivities and the happy crowd did not want vivacity.

Notwithstanding there have been only five carulval days out of the ten with earnival weather, the attendance will reach a higher number than any previous year. The ent board whose names will appear on the total number who passed through the turnstiles, the pass gate and the wagon gates is not known, and it will be several days before the checking up is concluded, yet it is almost a certainty that it will be much larger than on previous occasions.

While the exact figures are not available mates place the total paid admissions in mark was the first Saturday, when over Tuesday, Wednesday and Thursday of last week, which went over 20,000 each. The Ak-Sar-Ben management gets not only the gate receipts, but a percentage on the concessions and Midway attractions, and although the expenses of the fair are expected to mount up over \$15,000, a surplus of several thousand dollars is sure to be diseigsed when the accounts are all settled. The committees in charge naturally are feeling good over the result.

Midway is Jammed.

The last night, usually the banner night of the carnival, was not so slow, considering the downpour of rain which began Friday night and continued intermittently until late yesterday afternoon. At 7:30 o'clock the crowd began to arrive and within an hour the Midway was jammed, the Banda Rossa was very popular and thousands strolled the streets and listened to the spielers giving their last dying wail.

Yesterday, though, was marred by the rain. Spielers spent their time spieling at each other; the Cherry sisters played to empty seats; the ossified man called on Ike Miner and the fat girl from Missouri; the diving elks took their plunge to keep in training; a smoker was held at the opium joint to which Buck Keith and Spud Farrish took their Esquimaux; the Abyssinian groundhog went in his hole and refused to come out; the streets of Cairo was a deserted village and Roltair tried to make the absence of the crowd an illusion: it was a day during which the entertainers took leave of each other.

The Midway will scatter to the four winds of the earth-the Cherry sisters and Nello. the snake charmer, will go to Illinois, as will also the Streets of Cairo; the Old Plan-

TOO GREAT EXPENSE

Not the Reason.

It is not because Pyramid Pile Cure is so expensive that many people decline to give it a trial, but because they find it too great a tax on their credulity to believe that the published letters bearing testimony to the merit of this remedy are genuine and bona fide; especially to those who have realized the suffering incident to piles is it incredible that anyone who has been afflicted twenty-five and thirty years with the worst forms of protruding piles should be cured by the application of a simple remedy, when their physician has assured them that the only relief is in a surgical operation. This is rightfully viewed with dread by all those afflicted, as it means at the least a great shock to the nervous system, with a tax on their credulity to believe that the great shock to the nervous system, with more than a possibility of utter collapse and death; in the majority of cases, too, there is a return of the complaint, owing to

the fact that the cause is not removed. The proprietors of Pyramid Pile Cure agree to forfelt one thousand dollars to anyone who will show a single published testimonial to be not genuine and unsolicited; this latter feature is most gratifying, inasmuch as these letters are written solely out of gratitude, and with the hope that those who are afflicted as the writers have been may learn that relief is at hand. at a comparatively trifling expense. > Of the many blessings attendant upon the accession of King Ak-Sar-Ben to the throne of Quivera none is more substantial or more genuinely gratifying than the benefit it has brought to the merchants of the capital city and the evidence it furnishes of prosperity throughout the realm. That the coronation which has just passed into history brought together more of the subjects of the kingdom than any of the preceding ones is generally agreed, and that their visit has been of profit in a business way the merchants of the city almost without exception will readily testify. All of the hotels have been crowded to their utmost capacity throughout the entire carnival period and restaurants have been doing all the business they could, not only throughout the day, but far into the night as well. The street cars and public conveyances have reaped no small share of every line of local industry "business has

I am here to undertake the development work for more than 600 companies already contracted for in Europe to operate the oil fields of Wyoming. It has taken my brother, Henry Walter of London, nearly five years of the hardest kind of work to acquire the control of what we are led to believe from the reports of the highest and most competent authorities of the United States and Europe are the most valuable oil sections throughout the state.

Associated with my brother and acting as members of the board of directors of the Belgo-American Drilling trust are the kings of finance of Europe, who have personally and on behalf of their respective personal groups, pledged capital sufficient to carry out, the objects above alluded to, even though such capital should exceed three times the entire national debt of England. In other words, literally unlimited capital is behind this enterprise, and under the guidance of Prof. Wilbur C. Knight of the University of Wyoming, and Dr. Boverton needwood of London, nothing will be left undone to place the now thoroughly recognized unequalied resources of Wyoming, especially so far as petroleum is concerned, on the markets of the world, where competition need not be feared and supremacy over all competition must inevitably ensue. The companies will not enter upon the work of refining the oil, but will sell it on the market to the highest bidder in its natural state. The chief engineer is now here and is preparing to erect the first drill. He will set up drills in every field in the state where our companies have acquired land.

W. I., Park of Wyoming Division Stated for Position of General Manager If Vacancy Occurs.

CHEYENNE, Wyo., Oct. 4 .- (Special.)-It is reported here that General Superintendent W. L. Park of the Wyoming division will be promoted to succeed General Manager Edward Dickinson in the event of the latter tendering his resignation, as has been reported from Kansas City. Mr. Park, with the possible exception of General Manager Dickinson, is one of the most popular as well as the most efficient officials on the Union Pacific, and his promotion would be hailed with delight by employes

in all branches of the service. Mr. Park entered the employ of the Overland as freight brakeman on the Nebraska division. He was promoted rapidly and soon was the senior passenger conductor at North Platte. His next advancement was to the position of trainmaster, the profit and it may truly be said that in then assistant superintendent and then superintendent. Three years ago be was promoted to the position of general superintendent of the Wyoming division, and notwithstanding the fact that the western end of the Union Pacific is the most difficult to operate, Superintendent Park has bandled its affairs so successfully that he has come to be recognized as one of the ablest officials in the west.

IT IS YOUR KIDNEYS!

Thousands of Men and Women Have Kidney Disease and Do Not Know It Until It Has Developed Into Bladder Trouble, Rheumatism, Diabetes or Bright's Disease Which Will Prove Fatal if not Attended to-

Pains in the small of the back, painful passing of urine, inflammation of the bladder, torpid liver, cloudy urine, pains in the back of the head and neck, rheumatic pains all over the body tell you your kidneys are diseased and are not able to do their work properly. If you have any of these symptoms, great care should be taken to stop the progress of the disease and prevent it becoming chronic and pregnating the entire system, by taking Warner's Safe Cure.

IF IN DOUBT MAKE THIS TEST.

Put some urine in a glass; after it stands 24 hours, if you find a reddish brickdust sediment in it, or particles floating in the urine, or the urine is milky or cloudy, you will know your kidneys are in a diseased condition and are unable to perform their work; the result will be the bladder and urinary organs will become inflamed, uric acid will poison the blood, the stomach will become affected and unable to digest the food, the system will become weak and the result will be a break-down of the general health, with Bright's disease or diabetes, which will prove fatal if not treated with promptness and great care.

Warner's Safe Cure will purify and strengthen the kidneys and enable them to do their work; it will cure backache, kidney trouble, rheumatism, rheumatic gout, diabetes, Bright's disease, uric acid poison, gail stone, inflammation of the bladder and urinary organs and restore the patient's health and vigor, when the simple home test described above has been made in the earlier stages of the disease.

URIC ACID POISON CURED.

Mr. Thomas J. Stoddard, a prominent builder of 2701 Hampton ave., Baltimore, who is now 64 years of age, was so far gone with inflammation of the bladder and uric acid that his urine was black and he could only pass it in small quantities with excruciating pain. His bladder had become so inflamed and his kidneys so diseased that he had constant drubbing pains in his back and groins; he tried doctors and medicine, but grew worse until he began taking Warner's Safe Cure, which was recommended to him by a friend who had been cured. He took three bottles and was completely cured, his urine became its natural color, the uric acid was driven out of his system and his kidneys and bladder resumed their normal healthy condition, so that they can now perform their work of purifying and filtering the blood.

Mr. Stoddard says he can now stand in a stooped position any length of time without feeling any pain in his back. Thousands of letters are received every day from men and women who have been cured by Warner's Safe Cure.

Warner's Safe Cure

is purely vegetable and contains no narcotic or harmful drugs; it is free from sediment and is pleasant to take. (Beware of so-called kidney remedies which are full of sediment and of bad odor—they are harmful.) "Safe Cure" does not constipate; it is a most valuable and effective tonic; it kills the disease germs.

WARNER'S SAFE PILLS move the bowels gently and aid a speedy cure.

You can buy Warner's Safe Cure at any drug store. Two regular sizes, 50c and \$1.00 a bottle. REFUSE SUBSTITUTES. There is none "just as good" as Warner's Safe Cure. It has cured all forms of kidney disease during the last thirty years. It is prescribed and used by doctors and in the leading hospitals as the only absolute cure for all forms of diseases of the kidneys, liver, bladder and blood.

TRIAL BOTTLE FREE.

To convince every sufferer from diseases of the kidneys, liver, bladder and blood that Warner's Safe Cure will cure them a trial bottle will be sent absolutely free, postpaid. Also a valuable medical booklet, which tells all about the diseases of the kidneys, liver and bladder, with a prescription for each disease, and many of the thousands of testimonials received daily from grateful patients who have been cured by Warner's Safe Cure. Just write Warner's Safe Cure Company, Rochester, N. Y., and mention having read this liberal offer in this paper. The genuineness of this offer is fully guaranteed by the publisher.

Clark Waldo C. Johnson and M. Sutherland Irving. The church was elaborately decorated with palms and flowers. When the guests had been seated Rev. Dr. Grosvenor, rector of the Church of the Incarnation of New York, who performed the ceremony, and Rev. Dr. George F. Nelson took their places and awaited the arrival of the bridal party. march and the bride, escorted by Lleutenaisle, where they were met by the bridegroom and his best man, Rev. Dr. George F. Nelson. Mrs. Clark was attended by her niece, Miss Chaffee, as maid of honor, and by Mrs. D. F. Woods of Philadelphia, one of her oldest friends. Rev. Dr. W. W. Lord

pronounced the benediction. The bridal gown was of white satin crepe de chene trimmed with point applique lace and was of extremely simple design. In the place of a bonnet the bride wore a fichu of point applique lace. The only jewelry worn by the bride was a brooch of diamonds. She carried a shower of lillies of the valley and

white orchids. A wedding breakfast was served to about thirty at Fernleigh, Mrs. Clark's residence. The admission to the church was by card. There were a very few intimate friends and a few members of old Cooperstown families admitted to the church.
