

THE VALUE OF CHARCOAL

Few People Know How Useful It is in Preserving Health and Beauty.

Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature...

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities...

All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is Stuart's Absorbent Lozenges...

A Buffalo physician, in speaking of the benefits of charcoal, says: "I advise Stuart's Absorbent Lozenges to all patients suffering from gas in the stomach and bowels..."

Like a Diamond in the Sky

In the annals of medicine Kodol is up above the world so high that it is like a diamond in the sky.

True merit has elevated this famous remedy to that position wherein it stands preeminently as the world's recognized cure for all disorders of the stomach and digestive organs.

Unlike all other remedies, Kodol combines the natural digestants with the greatest known tonic and reconstructive properties. It does not purge the system.

The weak should never be weakened and the sick should never be sickened. Such treatment gives temporary relief often, but permanent good never.

Immediate benefits follow the first dose, and perfect health is the permanent result derived from the use of Kodol.

A LAWYER. Five years ago dyspepsia took such a hold on me I could scarcely go. I took quantities of medicines, but nothing helped me, I tried Kodol and improved at once. It cured me.

A BANKER. I suffered for four years with indigestion. After having almost despaired of ever getting well, Kodol was recommended to me. I began to improve at once. I am now taking the third bottle and I feel as well as I ever did. Can eat anything without bad effects.

A MERCHANT. I suffered heart-burn and stomach trouble, caused by dyspepsia, have had some very bad attacks of indigestion. My sister-in-law has had the same trouble. She lived entirely on warm water. Two bottles of Kodol cured her. As for myself, I am glad to say that a dose of Kodol always gives me instant relief.

A MINISTER. For years I suffered from dyspepsia, growing worse and worse, until culminating in a bad case of ulceration of the stomach. Every known means, and many of the best physicians, were consulted. My people sent me to Europe. Each Hemorrhage left me weaker and weaker. Finally I was induced to try Kodol Dyspepsia Cure. It relieved me beyond imagination. I am now using my third bottle, am preaching twice every Sunday, and thank God I expect to be well soon.

A DOCTOR. After three years almost constant use of Kodol in hundreds of cases referable to faulty digestion and assimilation, I can truthfully say it is the most efficient combination for dyspepsia, indigestion, flatulence, nausea and all gastric disorders that it has been my good fortune to discover. My experience in a general and hospital practice dates from 1872, and of all the digestants prescribed in those thirty years, none in my hands have proved so thoroughly effective as Kodol.
