

## A Woman's Reasoning.

One of Omaha's society matrons was on her way to Boyd's the other evening with her husband, and getting off a car at the corner of The Bee building. As they were early they walked up the broad sidewalk in front of The Bee building to see what was the occasion of the celebration. What attracted them was only the regular illumination of the new store front of the MacCarthy Tailoring company. Standing in front of the handsome plate glass window a particular fabric caught her fancy, and she said to her husband: "You will certainly have to come here the first thing in the morning before anyone else gets that pattern. I noticed their advertisement in The Bee the other evening, and I think this is probably one of their exclusive patterns. Besides, if you get your suit here instead of from one of those tailors who charge you \$20 extra for the label he sews into the lining we will have enough to pay for our theater tickets for almost everything we wish to see this season."

## Are You Going to Buy A Suit, Overcoat or Pants Soon?

If so, do not overlook the fact that the Guarantee Clothing Co., 1519 & 1521 Douglas street, has one of the largest clothing stocks in Omaha. Here are four floors devoted to goods for men and boys' wear. Everything is new and up-to-date, every article is marked in plain figures, from which price there is no deviation. Everything sold by the Guarantee is guaranteed to be as represented. The aim of this house is to sell good goods for as small a cost as possible. Suits of clothes sold by the Guarantee for \$5.00, can't be matched anywhere else for less than \$7.50 in fine suits; they handle such fine makes as Benjamin's, Kuppenheimer's, "Koozbaum's handmade," the K. N. F. brand and many others, ranging in price from \$10 to \$25.00; the latter ones are as fine as any tailor can make, no matter how high is price, besides the Guarantee employs first-class tailors to fit the clothes to your form, free of cost. Be sure and look us over before you buy.

## New Smelting Company.

The Arizona Smelting and Reduction company of Yuma, Arizona, has recently been incorporated by a number of well known western business men. It is claimed that Yuma is the center of an extensive mining country and that at present all ore mined in that district must be shipped long distances for smelting, and that a plant at this point should prove a good investment. Stock is now being offered for subscription and Mr. L. E. Williams, a well known banker of Glenwood, Ia., is a director and general eastern representative of the company, from whom information may be obtained.

## Drexels \$3.50 Specials

These are not a 45 shoe for \$3.50—that is, a Drexel \$5 value. It is, however, a \$5 value as shoes generally go, and you can bank on their not being the usual \$3.50 kind.

We can sell a better shoe for \$3.50 than you can get anywhere else, because the selling and carrying of them do not cost us anything, and these men's shoes are "special" with us—having the same style and comfort and wearing qualities as the higher priced ones.

Ask your friends and see if their shoes do not come from Drexel's—most everybody's does.
