Union Stock Yards Company Will Put in Many New Chutes.

BIG CONTRACT FOR EXCAVATION LET

Steam Shovels Will Be Used in This Work Which Marks Beginning of Series of Improvements--

Magic City Gossip.

A contract was let yesterday afternoon to McShane & Elmore of Omaha by the Union Stock Yards company for the removal of about 150,000 cubic yards of dirt.

Chief Engineer King of the Stock Yards company said last evening that the understanding was work was to begin at once. The grading contracted for will be the clearing away of the hill in the vicinity of the stand pipe and the ground just west of the present cattle pens.

The contract calls for the use of steam shovels and plenty of teams. All dirt taken from the side hill will be hauled by trains to the lowland north of L street and along the track on Boyd street.

King did not attempt to say just how long it would take to complete this work, but he says that the grading will be pushed as rapidly as possible in order to permit the erection of the additional tracks and pens before there is another big rush of cattle to this market.

MADE HER A WELL WOMAN. "I was all run down, had no appetite, was troubled with indigestion, pains in my back and suffered untold misery during my monthly periods until I used Warner's Safe Cure. Thanks to it I am now as strong and healthy as any woman could be. My mother suffered for over twenty years with what our doctor called weakness peculiar to women. She had severe pains in her back and her head ached almost constantly. In fact, she was an invalid until the doctor prescribed Warner's Safe Cure. Three bottles made a permanent cure. She has no more of her old troubles and enjoys perfect health. All her complications were caused by diseases of the kidneys and my mother taken Warner's Safe Cure in the first place instead of a list of so-called cures for female weakness she would have been saved a great deal of suffering. We will never be without a bottle of Warner's Safe Cure in the house and if every poor, suffering woman knew the merits of Warner's Safe Cure she might be restored to perfect health. LILLIAN RAMSEY, President of the Denver Quincy Club, Denver, Colo.

Kidney Disease

WARNER'S SAFE CURE is purely vegetable and contains no harmful drugs. It is free from sediments and pleasant to take. (Beware of so-called kidney cures which are full of sediment and of bad odor—they are positively harmful and do not cure.) It does not constipate, it is a most valuable and effective tonic. It is a stimulant to digestion and awakens the torpid liver, repairs the disease, soothes inflammation and irritation, stimulates the enfeebled organs and heals at the same time. It builds up the body, gives it strength and restores energy. You can buy Warner's Safe Cure at any drug store, or direct, 50 CENTS AND 1 A BOTTLE.

SALT LAKE HAS A CANDIDATE

Renowned E. E. Calvin is to Succeed Dickinson as General Manager of Union Pacific.

A telegraphic communication from Salt Lake City was received in Omaha last night saying it was reported in Salt Lake that E. E. Calvin, general superintendent of the Oregon Short Line, is to be appointed general manager of the Union Pacific, to succeed Edward Dickinson.

While many believe that if Mr. Berry makes the appointment, which it is his natural function to do, Chief Engineer J. B. Berry will be the man. One who claims that an appointment will be given to Berry was up before the judge was a trifle lenient because the culprit had the sad, downcast eye of one who mourns the wrongs of his own sins.

John Berry has a steady job. Judge Baxter of the criminal bench of the district court gave it to him yesterday. When Berry was up before the judge was a trifle lenient because the culprit had the sad, downcast eye of one who mourns the wrongs of his own sins.

LIUT. BROATCH AT PANAMA

Young Omaha Officer with the Marine Battalion Detailed for Duty at the Isthmus.

A letter from Lieutenant James Wallace Broatch of the United States marine service bears information of interest to his Omaha friends that he is with the naval forces on shore at the Isthmus of Panama, where he is detailed as battalion adjutant of the corps instructed to guard the railroad property there belonging to Americans from destruction by the warring Colombians.

The officers on shore are living temporarily in box cars on a pier that projects out into the Bay of Panama, although there are three American vessels on duty in the vicinity, the Wisconsin and Ranger at Panama and Panther at Colon.

The Missouri Pacific will send round trip tickets at very low rates on Tuesdays, November 18th and 19th, December 2nd and 3rd, for certain points in southwest Missouri, Kansas, Oklahoma, Indian Territory, Texas, Arkansas, etc.

General Corbin expressed his gratification over the cordiality of the reception of the American generals in England. Lord Roberts, he said, was coming here next September and would "take in the country from New York to San Francisco."

General Corbin had this to say of Emperor William: "He is so graciously well-poised, gracious and tactful and yet very forceful."

"The German army is the best in the world," added the general, "but there is a difference between the best army and the best soldiers. It goes without saying that the American soldier is the best."

General Corbin was asked whether it was congress that was to blame for what was lacking in the American army. To this he replied: "Congress is very kindly disposed, but there are so many reasons for the lack of it that have to do with the general out-look of the country that we never seem to agree on a plan for reorganization. The plan is always a minority report. In Germany there is no interference with the army."
