CAMPAIGN IS NOW AT AN END

Democrats Have Put Up No Fight Except in Eastern Congressional Districts.

REPUBLICANS EXPECT TO CARRY THEM ALL

Democrats Make Claims on Four, but Give Out No Figures—Harry Levich is Released on Bail.

(From a Staff Correspondent.)

DES MOINES, Nov. 1.—(Special.)—This week has virtually closed the campaign in Iowa. The campaign, so far as it has been in any sense a contest between parties or candidates, has been confined to the eastern part of the state, chiefly in five congressional districts. The only exceptions have been in Carroll, Crawford and Marion counties, where there have been some local contests. The republican state committee claims that the plurality in the state will be about 65,000, but makes no special figures on any congressional district, except to claim that the entire congressional delegation will be republican. The majorities in the districts will run from 1,000 to 15,000. The republican committee has no doubt of the election of the republican candidate in the Second district, which is regarded as the one democratic district of the state normally. A good fight has been put up in the First, Second, Third and Sixth districts. It is claimed by the republicans that Judge Birdsall will have about 2,500 plurality over Governor Boies. The democrats give out no figures on the general result, but claim that there will be four democratic congressmen from the state. They claim that the Fourth district is likely to be republican, though the republicans do not concede any closeness in that corner of the state.

State Farmers' Institute.

The annual state farmers' institute for Iowa will be held in the state capitol, commencing December 9, and in connection therewith will be held an annual corn exhibit, which was delayed from the state fair until this time because at that time the corn had not ripened.

Levich Admitted to Bail.

Harry Levich, one of the men indicted for connection with the murder of Isaac Finkelstein, was today released on $5,000 bail, pending trial. On behalf of Levich it was urged that he was able to prove an alibi which would be complete, but for the testimony of one woman of questionable character, whose testimony would be impeached. The court considered this and admitted him to bail. Walker, who would be unable to give bail, was sent back to jail. It is expected their trials will commence very soon, as both are anxious for a hearing.

Inspected Two Companies.

Colonel Prime and Major Hume this week officially inspected two companies of the Iowa National guard, those at Hampton and at Marshalltown, to determine whether or not they should be mustered out. Both companies fell below the requirement in the matter of attendance at drills. Both are good companies, but have no armories, and it is probable they will be allowed to continue for some time.

FALL TO BOTTOM OF SHAFT

Cable Breaks and Five Men Drop Fifty Feet with Lightning Speed.

DES MOINES, Nov. 1.—Five men fell fifty feet down a coal shaft at Newton yesterday afternoon and some of them cannot recover.

The men were being elevated to the surface of French Bros.' mine at the close of work. The cable broke just as they reached the top and they dropped to the bottom of the shaft with lightning rapidity.

The men were found piled in a heap at the bottom, all unconscious. But one, Andrew Fleming, has regained consciousness. Hugh Smith cannot recover, and the fate of the other three—John Snook, Eugene Walsh and John Walsh—is uncertain. Each of the men has a family.

Big Fire Sweeps Iowa Town.

SIOUX CITY, Ia., Nov. 1.—Nearly the whole of the business section of Primghar, county seat of O'Brien county, Iowa, was destroyed by fire tonight.

There was no fire protection. The loss is estimated at $50,000.

State College Wins Debate.

CEDAR FALLS, Ia., Nov. 1.—(Special Telegram.)—For the third time the State college defeated the State Normal in annual debate last night.

ABSORBING PROBLEM

Of the Present Day.

The absorbing problem of today is, how to expend one's income so as to attain the best results; that is, get full value for one's money.

It may truthfully be said that this has been, is, and always will be an absorbing problem to those with limited means; but the fact remains that with the price of living necessities constantly rising one must husband one's resources more carefully than ever before if he would live within his income. In saying that prices are rising, we except one article which has come to occupy a prominent place in the family medicine closet, and that is the specific for piles or hemorrhoids known as Pyramid Pile Cure. This remedy is still sold by druggists at the old prices of fifty cents and one dollar, and these prices will remain unchanged. Those to whom this preparation has brought relief and a cure after years of suffering do not need to be told of its merits; others are advised that it is the greatest boon ever discovered to all those afflicted with any form of piles: it is in suppository form, is easily applied, reaches the seat of the complaint, and gives immediate relief and a lasting cure.

The reader may have tried salves, ointments and lotions without benefit, and feeling that his money has been wasted, resolves to suffer on rather than experiment farther. The reason for the failure of these treatments is that they do not reach the seat of the trouble, and hence do not remove the cause, as does Pyramid Pile Cure. A little book describing piles, their cause and cure, is published by the Pyramid Drug Co., Marshall, Mich., and anyone may procure a copy by sending name and address to above firm. As showing the estimation in which this remedy is held by the public it may interest the reader to know that its sales now exceed those of all other pile remedies combined.

MALVERN EASY FOR GUARDS

Soldiers Pile Up Score of Sixty-Four to Nothing for the Visitors.

Eleven shaggy-haired lads comprising the foot ball team from Malvern, Ia., came to Council Bluffs yesterday to try their luck with the Dodge Light Guards at Manawa and met with the same result as have all others who have thus far essayed conclusions with the soldiers, that is, defeat, and defeat by a score of 64 to 0.

The game from a spectator's point of view was devoid of interesting features, as there was little opportunity for the soldiers to display their ability as foot ball players, owing to the fact that their opponents, though somewhat bulky, were entirely outclassed.

Council Bluffs won the toss and chose the north goal. Within one minute of play Dailey went over the line for a touchdown. During the first half Dailey secured two touchdowns, Thomas two, Mullick one, Stuart one and Rutherford one. Thomas kicked five of the goals. Score: Dodge Light Guards, 40; Malvern, 0.

The second half was even less interesting than the first. Dailey tackled a Malvernite for a safety, Williams went across the goal line for two touchdowns, as did Dietrich. Thomas kicked two goals. Score: Dodge Light Guards, 64; Malvern, 0.

At no time during the first half did Malvern gain the ball on downs nor did it make its gains, and only twice during the second half.

The lineup follows:

IOWA TAKES ONE FROM AMES

Agriculturists Score First, but Are Unable to Keep Up Their Lick.

IOWA CITY, Ia., Nov. 1.—(Special Telegram.)—Iowa defeated Ames, 12 to 6, in a close contest on Iowa field today. Ames played a hard, plucky game from start to finish, scoring first and keeping Iowa from breaking a tie until near the close of the game. Penalties and fumbles cut down Iowa's score greatly and made a game in which Iowa would ordinarily have scored at least six touchdowns. It was one of the closest and most exciting contests which Iowa field has yet seen. The game was played in Ames territory, save for ten minutes in the first half, when Ames scored, and five minutes in the second half. Save for its unusual tendency to have trouble with the umpire and with fumbles, Iowa played in considerably improved form over the Minnesota game. Its right guard is still weak, but the rest of the line is reasonably strong and the backs show increased ability in the second line of defense. Within ten minutes of the beginning of the game Iowa was compelled by an off-side decision on Ames' five-yard line to yield the ball. Hard luck in the umpire's decisions followed it throughout the game. Ames was given the ball by the umpire on a penalty when it made its start for the touchdown and was aided by fifteen yards from the same official.

Iowa opened up the second half by going to Ames' three-yard line and fumbling and it took the third approach in the second half to the Ames goal to make the first Hawkeye touchdown. Iowa was penalized eight times for loss of distance and five times for loss of the ball. Ames was twice penalized for loss of distance and for loss of ball, but no time at critical positions. Ames held Iowa three times on its twenty-yard line and once on its ten-yard line. Ochiltree tried three place kicks in the first half and two in the second. Hollenbeck let Ebersol through to block twice and the other attempts fell short. Ames made its score by pounding Iowa's line, especially Captain Hollenbeck, for steady two-yard gains by tandem plays. Each distance as it approached Iowa's goal was made by a hair, but Ames kept steadily to its advance. Scott made the touchdown.

Iowa scored twice in the second half, once on line plunges, with the touchdown by Ochiltree, and once on a return of a punt by Grimith. Grimith caught Tener's punt on Iowa's thirty-five-yard line, was downed after ten yards' progress by Tellier, pulled out by White and aided by splendid interference, ran sixty-five yards for a touchdown.

HASKELL TEAM COMES TODAY

Indian Eleven Arrives for Monday's Combat with the Hopeful Creighton Gladiators.

The Haskell Indian foot ball team will arrive in Omaha at 3:25 this afternoon. They will meet the Creighton team on the Vinton Street park tomorrow afternoon at 3:30. The Indians came out of the game with Nebraska in good condition, and the game here promises to be a hard one. Representatives of the Creighton team who saw the game in Lincoln yesterday say that the local team has a good chance to win. That Creighton will score is almost certain. This is the game of the season in Omaha, and it is to be regretted that it could not be played on Saturday, but such an arrangement could not be made. The lineup for tomorrow:

BALL WINS A GAME FOR COE

Three End Runs and Touchdowns Give a Victory Over Iowa Normal on Latter's Gridiron.

CEDAR FALLS, Ia., Nov. 1.—(Special Telegram.)—The hardest foot ball contest ever played on the Normal gridiron took place today between Coe college and Normal. Normal showed superior strength at team and individual plays, but could not hold Ball, who made three end runs and touchdowns. He won the game for Coe as his team was weak on interference and line smashes, and fumbled repeatedly. The score was even at the end of the first half, which closed with the ball within five yards of the goal in Coe's field. The game lasted two hours. Cotton S. Jones and Streff scored for Normal. Halves, twenty-five minutes. Score: Coe, 18; Normal, 12. Lineup:

GRINNELL UTTERLY ROUTED

Minnesota Passes Century, While Iowa Boys Cannot Score at All.

MINNEAPOLIS, Nov. 1.—Grinnell was outplayed and outweighed today when its team went down to disastrous defeat before the husky Minnesota team by 102 to 0.

The Iowans played a plucky game throughout, but luck was against them. Many of them were compelled to leave the game on account of injuries.

Minnesota showed much improvement since the game with Nebraska. End rushes and masses were used repeatedly for big gains. Davies was the star ground-gainer for Minnesota, once making a sensational run of seventy yards for a touchdown.

LINCOLN LADS DO IT ALL

Omaha High School Forgets the Art of Scoring.

STERRICKER PROVES THE LOCAL STAR

Plays a Brilliant Game, but Tips Visitors Have Received in Watching University Coaching Come to Their Assistance.

The score, 18 to 0, and every one of the eighteen is a button on the string of the Lincoln High school. But it was almost not so bad. In the second half the Omaha school boys got strength and tore along with the ball right up to within a foot of the goal, and thereabouts it remained for many strenuous moments before it was punted away.

But that one foot of ground might have been a wall of stone, and Sterricker worked himself groggy and the bleachers shrieked insanely to no avail. The Lincoln eleven was heavier and the Omaha line could not hold against it. Furthermore, Lincoln has learned many things from observation of the coaching of the university team. The local men might have relied more on kicking, as they had a distinct advantage in this line, and could have made a field goal where they could not cross the line. Sterricker was far and away the star of the Omaha High school; Fairbrother, Thompson and Loftus were also prominent in the play. For Lincoln, Hawley, Kimmel, Barwick and Myers put up some good playing. A good crowd of locals was in attendance and many enthusiasts were there from Lincoln.

Story of the Game.

At 3:30 Lincoln kicked off from the south side, Omaha dropping the ball on the fifteen-yard line, but saved it from Lincoln. The ball went back for a punt, was fumbled and kicked out of bounds at thirty-five-yard line. Lincoln brought it back nine yards in four down and then tried a field goal, which fell short, and was returned ten yards by Omaha. On the next down Sterricker punted thirty yards. Lincoln then started for the goal; Hawley took ten yards around left end; then followed two yards through center, a tandem against left guard, eight yards around left end, a couple of gains through tackles, then a touchdown by Drain, after eleven minutes of play. Hawley kicked goal. Score: Lincoln, 6; Omaha, 0.

Sterricker's kickoff was a fluke and was stopped in ten yards. Lincoln was penalized on the next down ten yards, then punted twenty. Thompson then got the ball and ran fifty yards, being stopped on the ten-yard line, but the ball was brought back because the referee's whistle had blown. Omaha lost on downs. Lincoln made ten in two downs, but was penalized fifteen. After an exchange of punts Lincoln started on Omaha's twenty-five-yard line and worked the ball along by gains of four or five yards. Hawley finally broke through right tackle and made a touchdown squarely between the posts.

Matson was put out of the game for slugging Fairbrother and Munn took his place at right tackle. Hawley added a goal to the touchdown, making the score: Lincoln, 12; Omaha, 0. A few minutes later time was called, with the ball at the center of the field.

In the Second Half.

In the second half Omaha kicked off and the ball was run back to the twenty-five-yard line. Lincoln walked the ball down toward the Omaha goal at three or five yards to a down, going through and over the line and occasionally around the ends. Omaha braced up at its ten-yard line and Rogers took Baxter's place at guard. A play or two later Fairbrother had to quit and Thompsett came in. Lincoln took the ball over from the three-yard line, but it was brought back for offside play. Myers took it over on the next down and Hawley kicked the goal. Lincoln, 12; Omaha, 0.

After the kick off, which they fumbled, the men from the capital tried a close formation play, lost the ball on the thirty-five-yard line through a fumble, and on the next play were penalized ten yards for off side play. Then Omaha took a brace and played fast and hard. Sterricker went through left tackle for eight yards, a hurdling play netted four more, Sterricker got three more through the line, and Loftus took two. Thompson and Sterricker failed to make five yards and Lincoln took the ball six yards from the goal. They failed to gain in two down and punted to the twenty-five-yard chalk, Loftus running it back ten yards. Then Sterricker and Thomas made good gains, and Thomas took the pigskin to within six yards of the line. Sterricker tried the line twice, but failed to make good, and Lincoln got the ball four feet from the line.

Punt Helps Visitors Some.

After two futile attempts to gain, which were frustrated by the tackling of Sterricker and Loftus, the capital city men punted out of danger and the chance of Omaha was gone. After two downs Sterricker made an excellent punt of thirty-five yards, which was run back twenty by Barwick, who was then tackled by Sterricker. Kimmel got clear of all the Omaha men, except Rogers, who downed him after a gain of thirty yards. Time called, ball on Omaha's twenty-five-yard line. Final score: Lincoln, 18; Omaha, 0.

WEST POINT TIES WITH YALE

Repeats Performance of Last Year by Scoring Six to Six.

WEST POINT, N. Y., Nov. 1.—The largest crowd ever in attendance at a foot ball game here witnessed the battle today between Yale and the military academy team. The final score was the same as last year, 6 to 6, both touchdowns being made in the first half.

The game was exciting from start to finish.

Early in the first half Metcalf made a pretty run of thirty-five yards, eluding the ends, and Yale, by some splendid line bucking, actually carried their man with the ball for a gain of ten yards.

Several plays were made with the ball only three yards distant from the line. The excitement grew intense and finally Ward was forced over for a touchdown after ten minutes of play. Bowman kicked another goal.

In the next formation Yale punted short and Bunker caught and ran to the five-yard line. Off-side play was claimed by Yale and the ball was replaced at the five-yard line. It was then only a matter of a few seconds until Torney was pushed over for a touchdown and also kicked goal.

Better foot ball was seen in the second half, the last part being fought principally in West Point's territory. There was not so much punting, and most of the play was in line, bringing out the best there was in the two terms. Hackett made a sensational run of sixty yards and Metcalf one of twenty. Near the close West Point's line began to show weakness and time was called with the ball in Yale's territory on a punt.

LAST WEEK WITH THE BOWLERS

Changes in the League Standing Show Uncertainty in Team Form.

	Played.	Won.	Lost.	P.C.
Western	9	6	3	.667
German	9	5	4	.556
National	9	5	4	.556
Krug Park	9	5	4	.556
Clarkson	9	4	5	.444
St. Charles	9	4	5	.444
Gate City	9	4	5	.444
Omaha	9	3	6	.333

The third week of play on the bowling alleys has effected almost a complete change in the standing of the clubs, and has demonstrated in a marked degree the uncertainty of the players in the early part of the season. A striking example of this is furnished in the fact that the Omaha, the champion team of last season, with practically the same players, is now in last place. The leaders of last week have all slipped backward and those who are now toward the top of the column have come up from the half-way mark or even lower. The Krug Park is the only team of the league that has in the games of this past week shown any uniformity of play or has put up any really good bowling, the others having been more or less irregular and uncertain. By winning three straight the Western now leads, with an average of .667, and the German and Krug Park, who closed last week in the last group with .333 per cent, are now next in line to the leaders with .556 per cent, and on even terms with the National team, which had the lead at the close of last week. The Omaha, Clurkson and Gate City teams lost three each and with the St. Charles are trailing along toward the end of the list.

Following is the individual standing of the players for the week ending October 23:

Name.	Games.	Ave.	Name.	Games.	Ave.
Mockett	3	191	F. Krug	3	165
Beggie	3	189	Fowler	3	164

Fritscher	9	179	Beselin	6	164
Brancke	9	177	Bowman	6	164
Ahmanson	9	177	Clarkson	6	163
Tracey	6	176	Potter	9	163
Roth	6	174	Horwich	9	163
Jurgensen	6	174	C. Conrad	9	163
Al Krug	9	173	Jones	9	162

Following are the high scores for the week on the Gate City alleys: W. S. Sheldon, 254; W. A. Chandler, 221, 202; Al Krug, 229; B. F. Hull, 208; W. F. Kuhimann, 225; F. Jurgensen, 212; J. J. COUNTRY CLUB IS WINNER

Evanston Golfers from Kansas City Have but One Player Able to Make a Showing.

The Evanston Golf club of Kansas City learned defeat at the hands of the Omaha Country club Saturday afternoon by a net score of thirty-three up in favor of the latter. E. C. Sullivan was the only man from the Missouri city to make a showing. He won his game from R. R. Kimball by a score of four up. When it is remembered that Mr. Kimball recently fairly established himself as the amateur golf champion of the Transmissisippi association it will be seen how far superior Mr. Sullivan's work was to the other nine who came with him from Kansas City and were defeated by their opponents. The only handicap that the Kansas City men can be said to have had was the fact that they were unacquainted with the grounds. The day was very favorable for the contest and a large gallery followed the players. The visiting team was entertained at the club house.

With the exception of the first pair, the winners are all Omaha men: E. C. Sullivan beat R. R. Kimball, 4 up; J. B. Rahm and R. W. Hodge tied; T. R. Kimball beat H. C. Read, 4 up; W. D. Bancker beat J. S. Lillis, 11 up; Harrie Lawrie beat L. J. Long, 3 up; A. L. Reed beat B. Boone, jr., 1 up; E. M. Fairfield beat G. H. Haverfield, 10 up; E. M. Morsman beat G. B. Norberg, 3 up; W. A. Redick beat G. M. Payne, 2 up; H. T. Linquist beat Albert Young, 3 up.

MARTIN TO BOX CORBETT

Winner of Contest Will Then Meet Jeffries in San Francisco Next May.

LOS ANGELES, Cal., Nov. 1.—Thomas McCarry, manager of the Century Athletic club, has written James J. Corbett and to Billy Madden, manager of "Denver Ed" Martin, offering a purse of $10,000 for a bout in this city between the former champion and the negro heavyweight. McCarry proposes that the winner meet Champion Jeffries in May next at the time of the annual fiesta.

Madden has already expressed his willingness that Martin meet Corbett and the latter has taken the matter seriously enough to wire for assurance of McCarry's reliability.

Sutton Coursing Meet a Success.

SUTTON, Neb., Nov. 1.—(Special Telegram.)—The last events of the coursing meet were pulled off today, with a fair attendance. The first race on the program was the Sutton stake, in which Reno B. beat Jeff, Irmay Maid beat White Flier, Merry Girl beat Silver Sioux, Grace Greenwood beat Redwood Girl, Quite Right beat Hetty Green, Cataract beat White Raven, Biddy Doyle beat Red Fox and Havana Maid ran a bye.

The closing of the second puppy stake was then run, in which Friend Girl beat Frank Doyle, Little Vinona beat Maud Scattercash and Lord Van Fleet beat Lady Doyle.

In the second ties of the Sutton stake Irmay Maid beat Reno B., Havana Maid beat Merry Girl, Grace Greenwood beat Quite Right and Cataract beat Biddy Doyle.

In the puppy stake both the winners, Little Vinona and Lord Van Fleet, being owned by C. Ochsner of Sutton, the third round was not run.

The third round in the Sutton stake resulted in Grace Greenwood beating Havana Maid in a closely contested race and carrying off the first money. The managers say all prizes will be met and expenses fully paid.

A Weak Stomach

Indigestion is often caused by overeating. An eminent authority says the harm done thus exceeds that from the excessive use of alcohol. Eat all the good food you want but don't overload the stomach. A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the wholesome tonics Kodol contains soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fulness and bloating from which some people suffer after meals. Absolutely cures indigestion.

Kodol Nature's Tonic.

Prepared only by E. C. DeWITT & Co., Chicago. The $1. bottle contains 2½ times the 50c. size.

No man living can hope to know all the best written thought of the world. Nor can he ever place in his library—no matter how extensive—a fraction of the best books. But if a standard reference work gave him access to all literatures of all lands, his library would be more nearly rounded, complete and satisfying.

CHARLES DUDLEY WARNER

Assisted by 300 editors, critics, scholars & specialists

in his monumental "Library of the World's Best Literature" did, indeed, sum up the best of all books and authors. In a series of splendid essays by the greatest living writers every great author is discussed. With this immense work at hand no one need ever plead ignorance of any literary subject. And he will find here an inexhaustible mine of entertainment and instruction.

The Best of Fiction, Humor, Science, Poetry, Etc.

20,000 Pages In these wonderful forty-six volumes will be found the brightest thoughts of the greatest authors—complete novels and chapters, in fiction, humorous sketches, poetry, philosophy, history, travel, science, oratory, letters and essays. Translations from Persian, Hindu, Greek, Latin and all the modern languages are included. In short, the thousands of large pages fairly teem with interest and delight.

800 Illustrations Photogravures of famous scenes and paintings, portraits, art plates, color reproductions of beautiful manuscripts — all these form a wealth of attractive material profusely illustrating the Warner Library.

7,500 Authors This is the only work containing a complete "Dictionary of Authors," giving the correct pronunciation of the name and relative rank of each writer, his character, the names of his books, and dates of publication. This unique feature is of immense value.

2,500 Synopses of Books This valuable feature is unique with the Warner Library. Brief descriptions of all the world's great books are given in the space of a few hundred words each. No one has read or can read all the books which come up in the course of conversation, but these synopses will give the busy man the gist of them all; not only novels such as "Robert Elsmere," "Ben Hur" or "Quo Vadis," but poems, dramas and technical works.

5,000 Subjects In the matter of poetry alone nearly 1,000 complete masterpieces are given, many of which no private library and none but the largest public libraries contain. The other topics cover every range of thought. Many come from rare and forgotten volumes of bygone days.

Course of Reading A systematic course of reading and study equal to a four years' University course has been prepared. It not only gives the system of reading, but furnishes the material itself, through the pages of the Library, and by means of an admirable index. It is both teacher and text-book.

What Purchasers Say

DR. E. W. KELLOGG (Hartford):
"A wonderful conception wonderfully executed."

REV. CHARLES JAMES WOOD, LL. D.:
"The value of such a work as this in the education of the people is beyond computation. If it be generally circulated and read, as I suppose that it will, the Warner Library will prove the force that starts a new epoch in the intellectual life of the American people."

GEORGE C. LORIMER, D. D., (New York):
"If these lines shall come before the eyes of any with whom I have influence, I do most certainly urge them to enrich their own library and also their own life by giving a prominent place to this magnificent triumph of literature. Not only will the contents more than amply repay for the expenditure, but the clearness of type, the style of printing, and the luxuriousness of binding will all combine to render enjoyable their possessions."
