FROM ALL QUARTERS OF THE GLOBE

PEOPLE FIND BENEFIT IN PE-RU-NA.

An Interesting Letter Concerning the Merits of Pe-Ru-NA.

Mr. and Mrs. Anne L. Turner. "Ye Alpine Tavern" Eureka, Mont., Cal.

"During the past few years we have had a large number of guests who came here in search of health, and I could not help but notice that a number of these carried Peruna and took it while here. I heard many good things said of it by those who used it, so I decided to try it for a few months while I was under special strain and overwork. I did not and found that I was able to do twice what I usually did; my appetite was excellent, and I was able to rest well."

"My husband took it after he had contracted a heavy cold, and it cured him in four days. I consider Peruna a remarkable medicine, and do not wonder that people from all quarters of the globe find benefit in its use."

A Congressman's Endorsement. Hon. Harry Skinner, ex-Member of Congress from North Carolina, writes from Greenville, N. C., as follows:

"Your Peruna on a tonic and a cure for catarrhal troubles has been generally used by many of my friends and acquaintances who suffer from the same. I can safely recommend its excellence to all persons who are suffering from the same."

"If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis."
