ELECTION IS ALL ONE WAY

Council Bluffs Republicans Sweep the Plat-ter Clean Again.

Anti-Third Term Cutting Shows Prac-tically No Effect on the Re-sult in the City.

Wards.

Complete returns from the twenty-nine country and the twelve city precincts yesterday showed that Tuesday's election had resulted in another grand victory for the republicans in Pottawattamie county, al-though in the case of the county ticket the majorities of two years ago were mate-rially lowered. The republicans opposed to the third-term proposition slashed the county ticket right and left, but voted the state, congressional and judicial tickets straight.

Freeman L. Reed, republican candidate for clerk of the district court, on account of his seeking a fifth term had to bear the brunt of the slashing and, whereas two years ago he led the county ticket with a majority of 1,159, he only secured re-election by a majority of 148 over Louis Zurmuehlen, the democratic nomi-nee. Owing to the harshly made against Reed for a fifth term he was low man on the county ticket.

William R. Martin, candidate for secretary of state, who headed the republican state ticket, received in the county and city, 5,135 votes, as against 3,969 for Rich-ard Burke, the democratic candidate, mak-ing Martin's majority over Burke 1,230. Two years ago Martin's majority was 1,681.

The vote by precinct on the head of the state ticket follows:

The rest of the republican township was selected as follows: Lee Alberti and H. A. Baird, for constables; Harvey DeLong for trustee and G. P. Kemp for clerk.

Congressman Walter L. Smith not only headed the entire ticket in Pottawattamie, where he received 5,190 votes, as against 3,881 for George W. Cullison, the democ-ratic candidate, but returns from the nine counties comprising the Ninth congress-ional district show that he carried the district by 7,435, an increase of 487 over 1900, and this in an off year is considered remarkable. Cullison carried Shelby, his home county, by eight votes. In 1900 Smith carried it by 158. Congressman Smith's pluralities in the Ninth district follow:

In the case of Ewan Fegeley, charged with being a diplomat, the motion filed by Mrs. Fegeley for a dismissal was ar-gued and taken under advisement. The court said it was a question if the person filing the information could withdraw it after the proceedings have once been com-menced. Fegeley, who has been in the county jail since August 28 last, was re-leased on a \$200 bond yesterday.

CENTERS ON CONGRESSMEN

Interest in Iowa Election Takes on Its Final Aspect.

TEN REPUBLICANS ARE RETURNED

One Lone Democrat Falls Through in Second District With Plurality of Less Than 1,000 Votes.

(From a Staff Correspondent.)

DES MOINES, Nov. 5.—(Special.)—The political situation in Iowa remains un-changed. The sole interest is in the vote on congressman in a few of the districts.

The complete returns show that Judge Wade (dem.) retained a plurality of about 900 in the Second district. He carried Clin-ton county by 405, Johnson by 741, and had about 100 each in Scott and Iowa. Lofman (rep.) carried his own county by 365 and Jackson by 109. The vote for Hoffman was less than expected in every county of the district, and this was due to the work of the old line democrats, who had organized the district for Wade. In the Third dis-trict it is believed the plurality of Judge Birdsall (rep.) will be about 4,000. Boies made a great run in Dubuque and Black-hawk, but the republican majority was suf-ficient to elect Birdsall. In the First dis-trict Hedge lost in nearly every county, his losses being from 100 to 250, but he will have nearly 2,000 majority in the district. In the Sixth, Major Lacey has about 2,000. He had some losses, but gained in others.

ONAWA, Ia., Nov. 5.—(Special Tele-gram.)—Complete returns from Monona county give a republican majority of 625 in the head of the ticket. District Judges are elected by an average majority of 325. Ellis, for county auditor, has 944 majority; Bradbury, for clerk of the courts, defeats Vredenburg by 408 majority; Oliver Olson, recorder, defeats Harrison by 755 ma-jority; W. L. Smith, one attorney, defeats John W. Anderson by 125 majority; James, for supervisor, defeats John P. Olson by 300 majority. This is an increase of 225 majority on the state ticket over the vote for governor last year. Monona county, on the banner populist county in 1896, with 1,080 for Bryan and 1,000 for Jones, was permanently enrolled in the republican column.

Will Find Wife and Mother Dead.

SHENANDOAH, Ia., Nov. 5.—(Special.)—A pathetic tale was that of Mrs. Sadie A. Dinwiddie, at the home of her mother in this city, on Ninth avenue. For several years she had been an invalid and had lived with her family in Minnesota. Re-cently it was thought a winter spent here would benefit her and the family decided to move to this place. Owing to her ill-ness she came by rail and her husband and children are driving overland. Their ex-act whereabouts is not known and they will not learn of the death of the wife and mother until they reach Shenandoah.

Vote in Woodbury County.

SIoux CITY, Ia., Nov. 5.—(Special Tele-gram.)—The latest returns in Woodbury county show the election of the entire re-publican ticket, with the exception of the Second supervisorial district, where M. R. Wilson (rep.) was defeated by Diederich Schoelhaase (dem.) by forty votes. Martin, secretary of state, has a plurality of 1,576. Congressman Thomas' plurality in the county is 1,427, running fifty-two votes be-hind his ticket. In the city Thomas ran 135 votes behind his ticket.

Paper Mill to Be Moved.

CEDAR FALLS, Ia., Nov. 5.—(Special.)—J. D. Elisworth of Independence, Kan., has purchased the machinery belonging to the old paper mill and has shipped it to In-dependence, where it will be placed in a mill now being erected. The mill was at one time one of the main industries of this city, but the competition became too sharp and the company failed. Mr. Elisworth was the organizer of the company and is still in the business. He is now inter-ested in several paper mills.

Accused of Forging Check.

SHENANDOAH, Ia., Nov. 5.—(Special.)—Chant Bloom of Norweth, seven miles east of this place, has been charged with for-ging a check, the information being filed by A. G. Anderson of Norweth. It is claimed that the young man, who is 17 years of age, signed the name of Anderson to a check, which was cashed by Ernest Linco. At last reports the young man was in hid-ing and could not be found.

Refuge Certificate to Doctor.

The State Board of Health today refused to release the certificate to practice medi-cine of Dr. J. W. Crofford, who was con-icted in Decatur county last summer of murder. He had applied for reinstatement after he had secured his release on bonds, pending an appeal to the supreme court, and claimed that he would have the right to return to his practice. The state board today discovered that he had been con-icted of counterfeiting in Missouri some years ago and refused to permit him to practice.

Abandons Practice of Law.

SIoux CITY, Ia., Nov. 5.—(Special Tele-gram.)—J. H. Quick, lawyer, politician and literateur, candidate for judge of the supreme court on the democratic ticket and ex-mayor of Sioux City, has abandoned the practice of law to become the manager of the Clark Automatic Telephone company and the Nebraska Clark Automatic Tele-phone company, with headquarters in Sioux City. Mr. Quick is a gifted speaker and the head of his party in this section. He has published poetry and has just written a novel dealing with Sioux City life in the boom days.

Often Disagree With Us

Because we overeat of them. Indi-gestation follows. But there's a way to escape such consequences. A dose of a good digestant like Kodol will see you at once. Your stomach is simply too weak to digest what you eat. That's all indignation is. Kodol digests the food without the stomach's aid. Thus the stomach rests while the body is strength-ened by wholesome food. Digesting is unnecessary. Kodol digests any kind of good food. Strengthens and invigorates.
