NEBRASKA STILL WINNING

Defeats the Kansas Jayhawkers by a Score of Sixteen to Nothing.

KANSAS DEFENSE SURPRISINGLY STRONG

Cornhuskers Plainly Not in Best of Form Owing to Light Practice Since Game with Haskell Indians.

(From a Staff Correspondent.)

LINCOLN, Nov. 8.—(Special Telegram.)—Nebraska university mowed down the Kansas Jayhawkers on the gridiron today, scoring sixteen points and administering a shutout to their opponents. Short halves of twenty-five minutes each were played by mutual agreement, Kansas rather expecting a defeat and preferring to save its energies for next week's battle with the Haskell Indians, while Nebraska has a hard proposition to face in Knox college and gladly acquiesced in the arrangement to cut the time.

The result of today's struggle, while a foregone conclusion that the Cornhuskers would triumph, furnished a surprise by the splendid spirit of the Kansans, who resisted Nebraska's charges with Spartan desperation and forced the victors to play to the very limit of their energies in order to win. Nebraska was able only to score a solitary touchdown in the first half. The feature was duplicated in the second half, and with a goal from field represented the sum total of its enforced effort.

The game was lacking in many of the spectacular features of open play which delight the onlookers and sets the rooter wild with glee. Only twice Bender relieved the monotony by scoring long runs, but the game was devoted chiefly to the playing of straight foot ball and both teams in this regard performed creditably. Nebraska plainly was not on edge. Having been keyed up to down the Haskell Indians last week, Booth prepared for the Kansas game by holding only light practice—this from the fear that his men might go stale. Leftend Shedd and his substitute, Follmer, both were prevented from playing because of injuries, and Kansas made this wing of the Nebraska line their chief point of attack.

Jayhawkers Are Strong.

Although out of form, much of the Cornhuskers' failure to pile up a greater score was due to the cold, unvarnished fact that the Jayhawkers put up a strong article of foot ball, stubbornly contesting the Cornhuskers' rushes and even making consistent headway when on the offense. Once the Kansans advanced the oval forty yards on a series of fiercely directed plunges, before losing it to their adversaries. The nearest, however, the Kansans came to the Nebraska goal line was thirty-five yards.

Detailed notes compiled on the side lines show that Nebraska, by the use of straight foot ball tactics, carried the ball only a few yards short of 300, while the sum of the Jayhawkers' efforts was but seventy-five. Fumbles were frequent at critical times, this cause cutting off any chance that Kansas might have had to score, and checking the Cornhuskers twice when they were close to their opponents' goal.

Nebraskans Score Promptly.

Nebraska's first touchdown came off the reel after the blowing of the whistle with but little delay. After an exchange of punts, Booth's proteges began a march for the Kansas goal. Seventy yards they advanced, the Jayhawkers fighting back stubbornly, but unable to stop Nebraska's charges. Bender and Bell, the halfbacks, with the aid of a revolving mass formation on tackle, scored gains of from two to five yards on every plunge. Englehart at fullback varied the program by battering the line and never failing to make his distance. On the three-yard line Etchen, left tackle, stole the ball out of Englehart's arms, Bounding away like a shot, he raced the entire length of the field and across the goal. The trick, however, was witnessed by Referee Clark, who called the ball back and gave it to Nebraska on a ruling that it had been called down and was not in play when Etchen wrested it from the Nebraska fullback, who was prostrate on the ground. With the oval again in their possession only one more plunge was needed and Englehart was through for the score. Benedict kicked the goal. For the remainder of the half Kansas fought back with commendable determination and held Nebraska for downs when its goal line was threatened and the ball but twenty yards distant from a score.

Bender Makes Star Play.

An electrifying dash by Bender netted Nebraska's second touchdown. The Cornhuskers had bucked their way for fifty yards, when the Jayhawkers' defense suddenly stiffened and threatened to hold for downs. Benedict, the Nebraska quarter, dropped back as if to punt; instead, the play was a trick. Bender took the oval on a double pass and plunged through a hole in the Kansas line. Writhing and twisting, he worked his way past a half dozen tacklers, and finally planted the ball behind the goal posts.

Returning to the attack after the next kickoff, Nebraska began another steady march toward the opposing goal. On the fifteen-yard line Kansas braced and the capture of the ball on downs seemed imminent. Here Benedict booted the ball squarely between the goal posts for as pretty a place kick as was ever achieved on the field. Time was called two minutes later.

Kansas did not lack for support. In spite of a disastrous foot ball season, 250 excursionists, with Chancellor Strong and the university band, came from Lawrence by special train, cheering wildly for their favorites. The lineup:

WINS IN SPITE OF FUMBLES

Harvard Defeats Pennsylvania University, but Plays Wretched Foot Ball.

CAMBRIDGE, Mass., Nov. 8.—As was expected Harvard defeated Pennsylvania on Soldiers' field today without difficulty, but the score of 11 to 0 was about one-half of what it should have been as far as the Crimson was concerned.

Four times Harvard was inside of Pennsylvania's twelve-yard line, but two fumbles, holding in the line and a grand brace by the Quakers on their own three-yard line kept the Crimson from scoring any additional points. There were other fumbles by Harvard during the game, though not so noticeable or so costly.

With the exception of five minutes in the first half and less than one minute in the second the play was entirely in Pennsylvania's territory, so that the Quakers were on the defensive. And well did they hold the heavier Harvard team. Every yard of the field the Crimson covered was only gained by physical force. It was therefore disappointing to Harvard backers to see all this energy thrown to the winds by a miserable fumble when the fruits of it were almost within reach.

Three times in the first half Harvard started for the Quaker goal. The first time the twelve-yard line was reached, where the ball went to Pennsylvania for holding. The next time Putnam fumbled within three yards of the goal line, right under the posts. The third time Harvard scored, starting from Pennsylvania's thirty-yard line and gradually pushing the ball along until Graydon was dragged across. Barnard made a miserable failure for the goal.

Harvard narrowly missed making a safety just after this score, as Putnam muffed the ball at the kickoff and after carrying it behind the line just managed to get back into the field.

The second half was in a great measure a repetition of the first. At the start Harvard banged, plunged, dragged and pushed until the ball was on Pennsylvania's twelve-yard line, where there was the usual fumble, Stillman being the offender. After a punting match, Harvard started again for a score and once more got inside Pennsylvania's five-yard line, again under the goal posts, but a grand brace by the Quakers gave them the ball on downs.

The second score followed soon after this and was the one spectacular feature of the game. From the very center of the field Stillman circled Pennsylvania's left end, and aided by a stone wall interference ran clear to the goal line. This time Barnard managed to kick the goal and the score of 11 to 0 was kept until the end of the game.

Except for a fine brace by Pennsylvania during which the team made four first downs to the astonishment of the crowd, there was very little of interest in the balance of the contest, and the game ended with the ball in Harvard's possession in Pennsylvania's territory.

The lineup:

HARVARD—11		0—PENNSYLVANIA

MINNESOTA DOWNS ILLINOIS

Fastest Game in Many Years Ends with Score of Seventeen to Six.

MINNEAPOLIS, Nov. 8.—Illinois was defeated by Minnesota, in one of the fastest foot ball games ever witnessed on Northrop field. The final score being 17 to 6.

The teams were evenly matched as to weight and speed. Each team started in to wear the other out, but this was impossible.

The visitors played much the same style of game as did the local team, though they played their speedy backs to advantage for end runs more than was attempted by the local men.

The only score made by Illinois was from a pretty drop kick by Cook, who raised the oval between the goal posts from the forty-yard line.

The visitors found it impossible to make great headway through Minnesota's heavy line and frequently tried fake plays. On one of these Captain Stahl made the sensational run of the day, sixty yards, but failed to get by Quarterback Harris and was downed on Minnesota's forty-yard line. The lineup:

MADISON, Wis., Nov. 8.—Wisconsin university easily defeated Northwestern on the gridiron this afternoon by 51 to 0.

Driver played in part of the first half, but retired in favor of Moffatt. Lillijequist was also saved as much as possible.

The feature of the game was the aggressiveness and speed of Wisconsin. Northwestern several times tried to gain by line bucking, but it was like going up against a stone wall, the purple not being able to gain a yard.

KICK ON REFEREE AND PLAYER

Grand Island College Questions Victory of Lincoln Medics and Contests Fullback's Eligibility.

GRAND ISLAND, Neb., Nov. 8.—(Special Telegram.)—The foot ball game between the Lincoln Medics and the Grand Island college team here today resulted in a score of 12 to 0 in favor of the Medics.

The local team questioned the decisions given by Dr. A. A. Carr, who was referee in the game. There was continual wrangling from beginning to end and the audience was greatly disappointed, as they expected to see a good game. The Medics scored one touchdown in each half. Kingsbury, the old university player, who is the coach for the Medics, played fullback for them. The Grand Island college boys intend to contest this, as they think that Kingsbury is not eligible to be a player in the team.

SMOTHERS THE HAWKEYES

Michigan Rolls Up a Score of One Hundred and Eleven.

IOWA TEAM LAYS DOWN EARLY IN GAME

One Touchdown Scored in Two Minutes, Another About as Quickly and Then the Hawkeye Heart Was All Gone.

ANN ARBOR, Mich., Nov. 8.—(Special Telegram.)—The deluge came to Iowa on Ferry field today. Michigan showered 107 points upon the Hawkeyes, still the Michigan taste for Iowa gore was unabated, with the grand stand shouting for "More, More." During the last half of the game, and hissing the decisions of the officials unfavorable to the Michigan team.

Sweeley opened the game by making a goal from placement. Palmer had kicked off for Michigan and Ochiltree for Iowa had punted on third down. Weeks heeled his catch of the punt on Iowa's thirty-yard line and Sweeley made his goal after one minute of time had passed. The crowd laughed and the Iowa team began to have a dead feeling of heart. Ochiltree kicked off to Weeks, who returned five yards. Michigan then went on tackle plunges and end runs to its fifty-yard line. There Iowa held and Ochiltree and Fred Buckley gained five yards each. Iowa fumbled, but held Michigan to short gains and on third down Sweeley punted to Roy. Buckley and Ochiltree gained five yards each on the Wolverine tackle. Then Michigan held on its forty-five yards line. Heston made a thirty-five yard run around the end and the Iowa team laid down. After this it was Michigan, all Michigan. Jones for Iowa played a plucky game at quarterback, McGowan at right tackle never gave up, but from captain down little was done by the rest of the team. They went through the motions of playing and occasionally did good work, but they had no heart and they tried but seldom. End run after end run resulted in long gains because the Iowa backs failed to attempt tackles. The Iowa line tried to hold and succeeded in keeping the game from being a free-for-all Michigan sprinting match.

Michigan's end runs were stronger this year than last on account of a tackle being called back to in front of fullback, when the end run signals were called. Sweeley was the Wolverine especial star, but Heston, Hernstein and Maddock kept him close company. Captain Weeks showed himself a great field general, constantly correcting mistakes and keeping the Wolverine team up to its top strength.

BELLEVUE COLORS ARE UP

Nebraska University's Second Team Falls Before the College Team on Latter's Grounds.

Bellevue college, 15; second team University of Nebraska, 0.

The purple and gold wave in triumph over Elk hill at Bellevue and all because the college lads took several falls out of the University of Nebraska second eleven Saturday afternoon and finished with the score 15 to 0 in favor of the local institution.

'Varsity kicked off to Bellevue at 1:30. Moore, A. Cooper, McWhorter and Conwell skirted the end for several gains and the U. of N. gained the ball at the center of the field on a fumble. On the first bound 'varsity fumbled and Plato Scofield, Bellevue's center, gathered in the oval and managed to cover the fifty yards necessary for a touchdown. The boys say they will put Plato on the track team next spring. Moore failed an easy goal.

'Varsity kicked to Moore on the ten-yard line and "Tom" advanced twenty and then five yards and punted thirty. Bellevue held for downs and after several short gains around the end they criss-crossed and sent Moore down the field for Bellevue's second touchdown; failed goal. Only the call of time saved Bellevue's goal in the remaining minute of the first half, for Marsh and Meyers and their men were going through Bellevue's line every clip.

In the second half Marsh advanced ten yards on the kickoff and soon added ten more. Bellevue was penalized for holding. 'Varsity fumbled, but retained and finally Bellevue held for down. "Cuby" Cornwell ran ten yards and on a fumble by Bellevue he gained fifteen yards. However, the ball was brought back and 'varsity penalized ten yards for offside play. "Cuby" netted only five on a criss-cross. On the next play the 'varsity left end was neatly blocked and Alex Cooper tolled off fifty yards and Bellevue's third touchdown; Moore missed a difficult goal.

"Cuby" quit at this juncture with a bad shoulder and Sloan went in.

'Varsity kicked to Gibbs, who advanced twenty-five yards and over the side line. Moore punted thirty yards and Friedland downed the man. 'Varsity punted; Cope missed a flying catch with a clear field before him and Stroud landed on the ball. 'Varsity held and Moore tried a drop kick for goal, but was blocked. 'Varsity tried a fluke, but failed, and after several short gains over Bellevue's lines time was called. Final score: Bellevue, 15; 'Varsity, 0.

PLAY GOES ALL ONE WAY

Cornell Does Not Give Washington and Jefferson Even Chance to Score.

ITHACA, N. Y., Nov. 8.—In a game in which the weakness of the visitors was the chief determining factor Cornell overwhelmed Washington and Jefferson today by 50 to 0.

In the first half 23 points were made by Cornell and at the beginning of the second many substitutes were sent on. For some places three and four men were used, but still the visitors could not repel Cornell's attacks.

In offense the visitors were helpless, the ball never being even within kicking distance of Cornell's goal. Whenever Washington and Jefferson obtained the ball they were immediately obliged to surrender it on downs or punt. On but two occasions were they able to get the required five yards.

Time of halves: Twenty-five minutes.

The local team is composed of graduates of the Osceola High school and the game was played on their home grounds. The village of Osceola was almost deserted and the citizens were all out to see the game, and to do the cheering for the fellows that came out ahead. Osceola had it put all over them by David City, the score being 28 to 0 in favor of David City.

YALE WINS ROUGH GAME

Beats Bucknell Easily After Injured Men Have Left the Field.

NEW HAVEN, Nov. 8.—In a game marked by the roughest play seen on Yale field in years Yale defeated Bucknell today, 36 to 5. Rafferty of Yale was compelled to leave the field with a bad scalp wound, which bled freely, and Smith of the visiting team was so badly hurt that he was unable to stand when assisted to his feet after a scrimmage.

Spectators disapproving of the rough work protested loudly, and the referee, while not ruling any one off the field, several times personally punished Bucknell players.

He had acted as Bucknell's coach part of the season and at times during the game apparently lost patience with the performances of one of the visiting players. After one scrimmage he sent the grandstands into convulsions by administering to the offending player a kick which seemed to carry with it some vigor and later he seized the same player by the head and raised a hand as if to strike him. Evidently he thought better of it and contented himself with pushing the man so vigorously on the nose guard that it was sent flying several feet.

Yale secured a touchdown early in the game, but a few minutes later on a fumble the ball bounded out of a scrimmage to Bucknell's quarterback, who ran for a touchdown with almost a clear field.

Yale scored twice more in the first half and three times in the second.

OMAHA DEFEATS KAW GOLFERS

Country Club Journeys to Kansas City and Rubs It Into Evanston a Second Time.

KANSAS CITY, Nov. 8.—(Special Telegram.)—The Omaha Country club golfers duplicated their success of a week ago this afternoon on the Evanston links by defeating the local golfers 10 up. While the score was not so large as that of last Saturday at Omaha the defeat was just as decisive and the Evanston's were snowed under by the superior playing of the visitors. There were ten men on each team and six of the Nebraska golfers won over their opponents, Leavitt coming off the course with high score, winning over George Mathews by 11 up. The close match of the day was between W. D. Bancker and J. A. Roberts, the Kansas City representative losing 1 down. Nothing of a spectacular nature marked the match and there were no unusually good medal scores made, the play being marked for its events

It was good golf, but nothing wonderful. A dinner was given the visiting golfers in the clubhouse this evening and this was followed by one of the delightful Evanston dances. About half the visitors will remain over tomorrow to play on the local links. In the match today R. R. Kimball was pitted against the champion of Kansas City, Richard Taylor, and the day saw the downfall of the local crack, Kimball winning by 8 holes, Taylor failing to show his true form. The Omaha man played a hard, steady game at all times. Score:

WINS IN SPITE OF INJURED

University of Chicago Defeats Indiana with Six Strong Players in the Hospital.

CHICAGO, Nov. 8.—Chicago university defeated the University of Indiana today 39 to 0. Six of the strongest players of the Chicago eleven were in the hospital, but the team that went upon the field this afternoon was too fast for the Indiana men. The latter seemed weak on the defensive, but their offensive game was strong enough to secure a first down ten times against the Chicago team.

The home team scored its first touchdown after six minutes of play in the first half. In making the second Bezdek of Chicago carried the ball fifty-seven yards to the line. Ellsworth failed to kick goal and later in the half repeated the failure. The first half ended 16 to 0 in favor of Chicago.

Both elevens played a faster game in the second, but Indiana was unable to withstand the Chicago rushes, and touchdown after touchdown was scored. Ellsworth failed once more in the second half to kick a goal.

CRESTON'S VISTORIOUS CAREER

Defeats Red Oak by 23 to 6 and Now Sighs for More Worlds to Conquer.

CRESTON, Ia., Nov. 8.—The Creston High school eleven again defended its claim of the champion high school team of southern Iowa by defeating the Red Oak eleven in a game here by the score of 23 to 6. The result of the game was never in doubt.

This leaves only the Council Bluffs High school team unbeaten by Creston. A game between Creston and Council Bluffs is now being talked of.

Athletics have sprung into great popularity in the Creston High school this year and are being encouraged by the teachers and faculty, who find it a great incentive to better work by the pupils. Besides the boys' foot ball team, the girls have an excellent basket ball team and plans are on foot for the organization of a girls' and boys' military company, to be drilled by experienced military men.

CADETS BEAT UNION COLLEGE

West Pointers Run Up Score of Fifty-Six Points to Nothing.

WEST POINT, N. Y., Nov. 8.—In the foot ball game today West Point defeated Union college badly, the score being 56 to 0.

Daly played throughout the game. It being his first appearance in a match game this season. He is preparing himself for the approaching game with Annapolis.

After the first half several men of the regular teams were replaced by substitutes.

The feature was a forty-yard run by Shannon, in which he made a touchdown. Daly kicked two goals from the field.

Time of halves, twenty-five minutes.

BROWN OUTPLAYS COLUMBIA

Wins by Twenty-Eight to Nothing After Splendid Exhibition.

NEW YORK, Nov. 8.—The Browns foot ball team swept Columbia off its feet today, winning by 28 to 0.

The visitors were in the best of shape and gave a splendid exhibition. Columbia, on the other hand, was weakened by the presence of many cripples in its team.

Columbia was outclassed at every point, the team failing to make any considerable impression and only once coming at all near scoring.

Time of halves, thirty-five minutes.

TOO MUCH FOR HIGH SCHOOL

Creighton University Has an Easy Frolic with the Youngsters.

SIXTY-TWO TO A CIPHER IS THE SCORE

Lads from Capitol Hill Do Their Little Best, but Weight and Age Are Against Them.

There was a hippodrome contest, a gymkahana, anything you like but not a foot ball game, at Vinton Street park yesterday afternoon. The Creighton did not play foot ball because there was nobody to play with and the High school youngsters did not play foot ball because they were hopelessly outweighed and outclassed. The score for this exhibition was 62 to 0, with twenty and twenty-five minute halves.

The High school scholars only twice had the ball to try what they could do with it. The first time it became theirs was when Eddie Creighton kicked off for the university at the beginning of the second half. The ball went forty-five yards and was caught by Loftus. In the two downs which followed High school lost nine yards and had to kick. The other time was when they held for downs—the only time in the game—but they lost the ball on a fumble, Dulaney failing on it, after a previous gain of two yards. Baxter, who was substituted for Robertson in the second half, H. Putnam and Sterricker were about the only men who could hold the Creighton runners. Sterricker did not kick in the good form displayed in former games. Little Shields, the High school quarterback, made some gallant attempts to stop the big Creighton backs in full career and was carried fluttering along across the line by them.

Kehoe, who has not played lately, made a good showing at left half for Creighton, and Mustain, Walker and Welch were fast and able to go from ten to forty yards on a down. The latter made a touchdown from one of Sterricker's kickoffs, running ninety yards. The Creighton interference was good, although the members of the team seemed to fall over and run into each other a good deal. Walker missed three easy goals. The Creightons did not fumble the ball once during the game. The first touchdown was made after two and a half minutes' of playing.

The lineup:

Dundee Loses in a Close Game.

PAPILLION, Neb., Nov. 8.—(Special Telegram.)—In the hardest fought game of foot ball ever seen in Sarpy county the Papios defeated the Dundee team from Omaha by 6 to 0 this afternoon. The visitors possessed both skill and strength, and came here looking for an easy game. They were much surprised at being outplayed by the locals. In the latter part of the game the visitors were inclined to "rough it" and indulged in a great deal of slugging and other unfair tactics. Boup, Pike, Calhoun, Sage and Beadle of the local team distinguished themselves by their individual work. The team play of the Papios was very good.
