ings. No such book has ever before been

published. No such wonderful information

Large British and German detective staffs were on duty and the junctions and the approaches to the stations were closely watched and cleared of spectators during the passage of the train.

was raining heavily when Emperor William left the train at Dover, whence, mounted on one of his own chargers, rode to Shornelliffe, accompanied by Lord Robarts and a brilliant staff.

Prior to starting for the camp, Emperor William received three addresses from representatives of local bodies, to all of whom he replied simply: "I thank you very much for coming to see me."

His majesty arrived at the review ground at the head of the cavalcades with Lord Roberts at his side and reviewed some 600 men of his regiment. The inspection lasted only ten minutes, the emperor passing down the line while torrents a gale of wind.

Emperor Addresses Regiment.

His majesty, however, kindly scrutinized the officers, men and horses. He then proceeded to the saluting base. After the march past the dragoons formed a hollow, square and Emperor William would react against his defamers. briefly addressed the regiment as follows: It gives me great pleasure for the first time aloce the death of your fate queen, my beloved grandmother, to have the honor of being able to inspect you. I congratu-late the regiment on its appearance and on the way it conducted itself in South Africa.

Africa. T congratulate you on your return home, and on the arduous dutles which you have fulfilled, with honor to your country and to the gratification of your king. It is owing to my visit to your king that. I am pleased to be able to inspect you today, and I think the best way of hanking his majesty for the kindness I am receiving is to order the regiment to give three cheers for their sovereign. Three cheers for his majesty, King Ed.

services will be held here tomorrow, and East Toxteth to such an extent that they entered upon a vigorous campaign against Mr. Taylor and prominent unionists issued Blair for burial. Her daughters, Mrs. Hitchcock of Wayne, Mrs, Cameron of an appeal for aid for the liberal candidate. Blair and Mrs. Baker of Minot, N. D., with Premier Balfour and Colonial Secretary Chamberlain intervened, but were unable to restore harmony. The curious spectacle was then presented of a liberal backed up by nonconformists, daily denouncing the clerical features of the education bill, yet having the support of the fashionable

clergy and their congregations. Both bye-elections, taken in conjunction with other liberal successes, are interpreted by the opposition party as being sure signs that the government will be defeated should a general election be held. This, however, is quite unlikely, and it would take a good many East Toxteths and Clevelands to even appreciably disturb the equanimity of Mr. Balfour's large, solid majority in the House of Commons. In this connection an interesting rumon

soon to be gracefully retired with a peerage or some office. There seems but slight recound to believe it is founded on fact.
