

# Which Way Does Your Future Point?

**Your Fortune Told Free**

**WHAT YOUR FUTURE CONTAINS WILL BE TOLD YOU ABSOLUTELY FREE.**

The Science of Astrology enables everyone to learn their characteristics, what they should do to make a real success of their life, to win fame, wealth and popularity. You can learn all this without having to pay a penny for it. You can learn what misfortunes are in your path, so that you can avoid them and have success instead. You will be told what to expect in love, in marriage, in business, in politics, in social life. What you shall do to secure good fortune and wealth.

**Knowledge That Will Make You A Winner.**

The Science of Astrology enables you to easily overcome the hard things in life, and to be far more successful and prosperous than you have ever dreamed of being.

You are therefore advised to write at once to take advantage of this free offer, which is made through the generosity of a little league of earnest occult Myrks Adepts, who have given up their lives in a study of psychic sciences with the hope that their fellow-men may profit thereby.

You will have to pay absolutely nothing for this knowledge of your life. It will be given you entirely free, as, at the same time there will be sent you a most interesting book on Astrology, which you will be only too glad to read from cover to cover, and also a copy of that wonderfully successful and helpful magazine, called the **NEW YORK MAGAZINE OF MYSTERIES**, which vibrates with words of hope and optimism and is full of information which will enable you to make your life what it should be.

**Accept This Great Free Offer At Once.**

This League of Myrks Adepts urges you to take advantage of its free offer and to write at once, and your name, together with the book and the copy of the **MAGAZINE OF MYSTERIES**, will be sent you absolutely free of all charges, and the information you will get from them will be of immeasurable value to you.

All you need do is state your name, the date of your birth, and of course for extra postage, and the homelike together with the magazine on Astrology and the **MAGAZINE OF MYSTERIES**, will be sent you absolutely free by return mail. Address your letter to: **Enlightened Myrks Adepts, League of Myrks Adepts of Mysticism, 33 North William St., New York City.**

**400 OF THE BEST MEN**

In Nebraska Constitute the Advisory Board of Nebraska's Vigorous and Successful Young Life Company, the

**BANKERS RESERVE LIFE ASSOCIATION**

They Are a Guarantee of Good Faith, Good Management, Safe Risks and Rapid Growth.

ALREADY the Bankers Reserve Life association takes rank with the strongest of life companies. Although less than four years in active existence, this vigorous home organization writes every week more business than its strongest alien competitor.

BUILT upon sound principles, economically conducted, conservative in all things, its growth has been phenomenal. No other company in America of its age has a larger proportion of assets to liabilities and no other company has had a smaller death rate.

THE SECURITIES of the Bankers Reserve are deposited with the state auditor. Every honest death claim is promptly paid. Every business obligation is met when due.

THE OFFICERS of the Bankers Reserve are well known business men of experience, integrity and energy.

THE POLICIES of the company are thoroughly up to date, liberal, scientific, clear, complete and reliable. None better in the world.

THE BUSINESS AT RISK is the best which experience, conservative management and careful investigation make possible. Any so-called "old line" company would gladly reinsure it at our terms without medical re-examination.

THE AGENTS of this company are writing the business under the direction of the management, with the aid of the advisory board and are selecting the best men in Nebraska.

THE ADVISORY BOARD, composed of 400, is made up from the best class of our citizens and it is a part of their contract to assist the company in expanding its business and protect the company from imposters.

B. H. ROBISON, PRESIDENT, Omaha, Nebraska, is in need of more agents to push the good work forward. Excellent territory is open for good men at remunerative compensation. Address

This is a stove used at the present time in the country and small towns of Switzerland, a progressive republic in many ways, but in stoves they belong to the twelfth century. Two million pounds of stove supplies, such as we carry, if cast in thin sheets or plates would almost cover their entire republic.

No other house in the world has the variety of repairs that we carry. It does not matter where you bought your stove, range or furnace, you can get supplies from us. Water fronts and furnace repairs our specialties.
