

\$1,000.00 IN GOLD FREE!

THE PARROT HAS ESCAPED FROM THE CAGE—TRY TO FIND HIM

Boys and girls over twelve years of age who will cut out this picture and mark each pencil or pen the missing bird (if they can find it) MAY SHARE IN THE DISTRIBUTION OF \$1,000.00 WHICH WE ARE GIVING AWAY IN FIVE MONTHLY PREMIUMS for doing a little work for us. This is a contest where both brains and energy count. We are determined to make the name of our charming monthly magazine a household word, and we take this novel plan of advertising. This and other most liberal offers are made to introduce one of the most entertaining New York magazines into every home of the United States and Canada. WE DO NOT WANT ONE CENT OF YOUR MONEY. There is only one condition, which should take less than one hour of your time, which we will write you as soon as your answer is received. After you have found the missing parrot, send it to us at once. You may take an entire evening, but it will pay you to STICK TO IT AND TRY TO GET YOUR SHARE OF THE \$1,000.00. A sample copy of our MAGAZINE WILL BE SENT FREE to everyone answering this advertisement. Try to solve this puzzle. Do not delay. Send your answer in immediately. We positively guarantee that this Missing Parrot can be found. Of course, like all problems, it will require some thought, patience and time. But the reward is well worth striving for, especially when we do not ask you to send us any money with your answer. The golden prizes of life are being gained by brains and energy nowadays. Lazy people and the drones and idlers are always complaining of bad luck. Now here is a GOLDEN CHANCE for anyone who will strive hard, and the pleasing part of it is that it does not cost you one cent outside of the letter you send us. Our magazine will please you. It delights us to please our readers. We are continually giving away large sums of money in different contests, as we find it is the very best kind of advertising. Try and Win. If you find the parrot and send the slip with it marked thereon to us at once, who knows but what you will get the gold? Anyway, we do not want any money from you, and a puzzle like this is very interesting. As soon as we receive your answer we will at once write you and you will hear from us by return mail. We hope you will try for it as we shall give it as a reward. Do not delay. Write at once. Address THE ROBINSON PUB. CO., 23 NORTH WILLIAM ST., NEW YORK CITY.

ON THE GRIDIRON

The Great Game of Autumn is Here in All its Lustre and Brutality.

DANGER AND DEATH ARE DEFIED

Meantime the Country Looks On and Wonders What Would Happen if the Army Were to Engage in Foot Ball.

More men are injured playing foot ball in a single season than were wounded in the Spanish-American war. More American men lost their lives as a result of this great athletic sport in October and November of last year than were killed by the Filipinos during the same period. Nevertheless each year finds the foot ball fever more intense and the college rivalry more keen.

THE GAME IS HERE TO STAY.

Those of us who regret its cruel brutality and wish it might be refined are simply wasting our regret and thanklessly look on and worry. We may as well give in. The boys are determined to play foot ball. They know of no other form of athletic sport so fascinating. The best thing for us all is to accept the situation and make the best of it. Fortunately the life insurance companies do not include foot ball as a prohibited game or occupation, and

THE BANKERS RESERVE LIFE

invites every first-class foot ball player in the west to take out a policy of life insurance. Although there is some risk in insuring these reckless athletes, they are usually most excellent subjects for insurance. Trained athletes, full of life and vigor, their exercise and training make them especially healthful. For this reason

B. H. ROBINSON, PRESIDENT

Whittier's Home

in East Haverhill, Mass., has a typical fireplace, used for cooking and heating in the early part of the last century by both freemen and slaves. In pioneer days money could not purchase luxuries in the way of heating or cooking appliances such as you can get today. Great stove supply houses such as the Omaha Stove Repair Works, 127 Douglas street, were then unknown, and in fact the modern repair house was almost unknown until within the last two decades, a place where millions of pounds of repairs are constantly on hand. The mind can scarcely think of the name of a stove, range or furnace that they do not carry repairs for.
