4285 Tucked Blonse Jacket

32 to 40 bust. Woman's Tucked Blouse Jacket, 4285-Blouse jackets are always jaunty, always smart and very generally becoming. The excellent model illustrated is of gibeline, in brown, with threads of tan color, collar and cuffs of brown velvet edged with bands of tan cloth, stitched with silk and makes part of a costume, but the design suits the odd wrap equally well and is adapted to all the season's materials. The collar is a special feature and is both novel and styl-

The jacket is made with fronts and back and is smoothly fitted at the back, but blouses slightly over the belt at the front. Fronts, back and sleeves are laid in tucks, in groups of three each, and are finished with machine stitched edges in tailor style. The right" front laps over the left and the closing is effected by buttons and buttonholes in double-breasted style. The neck is finished with the big turnover far and to the lower edge is scamed the basque. The full sleeves are gathered into shapely cuffs at the wrists and the belt conceals the joining of blouse and basque
