Marshall kicked to Yale's twenty-fiveyard line and Metcalf ran back fifteen yards pefore he was downed. Three plays with A RICH WOMAN'S KINDNESS Kinney back and Glass making the hole brought back for the tackleback formation and with a wide hole opened for him through Barnard by Glass he tore up the field for thirty yards. Glass and Kinney continually broke through and Glass helped by dragging the runner along until Harvard's thirteen-yard line was reached. Then Metcalf was given the ball and again Glass made an opening. He caught Metcalf about the body and dragged him with two Harvard men who were hanging on his legs to Harvard's two-yard line. On the next play Kinney smashed through

Knowlton for the third touchdown of the day. Metcalf kicked a pretty goal and sent the score up to 18 to 0 in favor of Yale. When the teams lined up again Hurley relieved Putnam at right half. Marshall kicked to Yale's five-yard line and the ball was forced back sixteen yards by Metcalf.

Yale's charge did not gain much and Vanderpool kicked. Tandem plays carried the ball to Yale's twenty-five-yard line, where Marshall

It Would Appear That Local Remedies Would be Best for Cure of Catarrh.

It would seem at first glance that catarrh being a disease of the muceus membrane, that salves, sprays, etc., being applied directly to the membranes of the nose and throat, would be the most rational treatment, but this has been proven not to be

The mucous membrane is made and repaired from the blood and catarrh is a blood disease and any remedy to make a permanent cure must act on the blood, and when the blood is purified from catarrhal poison Fair Today and Tomorrow Both in Nethe secretions from the mucous membrane will become natural and healthy.

In this climate thousands of people seem scarcely ever free from some form of catarrh; it gets better at times, but each winter becomes gradually deeper seated and after a time the sufferer resigns himself to it as a necessary evil.

Catarrh cures are almost as numerous as catarrh sufferers, but are nearly all so inconvenient and ineffective as to render their use a nuisance nearly as annoying as catarrh itself; anyone who has used douches, sprays and powders will bear witness to their inconvenience and failure to

really cure. There are a number of excellent internal remedies for catarrh, but probably the best and certainly the safest is a new remedy, composed of Red Gum, Blood Root and similar antiseptic remedies and other valuable eatarrh specifics.

This remedy is in tablet form, pleasant to the taste and sold by druggists under the name of Stuart's Catarrh Tablets, and anyone suffering from catarrh may use these tablets with absolute assurance that they contain no cocaine, opiate nor any poison

A leading druggist in Albany speaking of catarrh cures says: "I have sold various catarrh cures for years, but have never sold any which gave such general satisfaction as Stuart's Catarrh Tablets. They contain in a pleasant, concentrated form all the best and latest catarrh remedies, and catarrh sufferers, who have used douches, sprays and salves, have been astonished at the quick relief and permanent results obtained after a week's use of Stuart's Catarrh Tablets," All druggists sell full sized packages for 50 cents.

Commissioner Hermann Issues Circular to Land Registrars.

PLAN TO CHECK ILLEGAL ENTRIES

Names of Promoters to Be Reported to Washington-Superintendent Sannders' Head in Danger.

(From a Staff Correspondent.) WASHINGTON, Nov. 22 .- (Special Teleagent of the general land office, left Washington tonight for Omaha. Colonel Mosby will spend a few days in Omaha to consult lands in Nebraska.

Binger Hermann, commissioner of the general land office, has issued a general circular to receivers and registers of his office, notifying them to look askance at widows desiring to make homestead entries under the act of June 8, 1872. The circular issued by Commissioner Hermann

It has been reported to this office that persons are systematically engaged in the business of inducing, by false representations of law, widows of soldiers to make homestead entries under the act of June 8, 1872, for the benefit of other persons than claimants; that these persons seek out soldiers' widows at their homes and represent to them that they are entitled by law to make entry of 160 acres of land and perfect title to it without residing upon or oultivating it, and that they are permitted to lease or enter into a contract to sell their claim as soon as they make the eriginal entry. It is reported that soldiers' widows have been transported in car lots from their homes in eastern states to the vicinity of the land to be entered, and all their expenses paid by interested parties, who induce them to make entries and who secure lease or purchase of land so entered.

You will report at once whether entries is as follows:

entries and who secure lease or purchase of land so entered.

You will report at once whether entries by soldiers' widows have been made at your office, in considerable numbers, at about the same date, and under circumstances which would raise suspicion that they were not made for the sole use and benefit of claimants. If any such entries have been made, you will transmit a list of names, giving number of entry, date and names and postoffice address of entrymen. You will also give names and residences of parties who appear to be promoting these entries, and state your reasons for supposing that the entries are not made in good faith for homes. In cases where a soldier's widow appears personally at your office, you will, before allowing her application to enter, see that she understands the homestead affidavit which she is required to make. she understands the homester which she is required to make.

ST. PAUL, Nov. 22.-Paul Rader, coach and fullback of the Hamline team, is in a precarious condition from injuries sustained in the Hamline-Carleton game on Lexington park field. In the last part of the game Rader was laid out.

For three hours he remained in a comatose condition, but he regained his senses after he had been treated by a physician. Until yesterday Rader seemed to be improving, but it is now believed that he is threatened with spinal meningitis.

Rader is the son of Daniel Rader, D. D. who recently was transferred to the Metho dist church in Tacoma, Wash. The young man is pastor of the Asbury Methodist Episcopal church. He was fullback on the University of Colorado team for two years, until that time holding the far western championship.
