

TO CALL IN BUSINESS MEN

Council Will Hold Open Meeting for Discussion of Franchise.

QUESTION OF LOWER ELECTRICITY RATES
Councilman Hascall Proposes an Amendment Which City Engineer Rosewater Says Would Make Franchise of No Value.

Having threshed over the franchise ordinance of City Engineer Rosewater in committee three times without having reached an agreement as to its form, the city council has now decided to discuss it still further at an open meeting to be held next Monday in the council chamber.

At the committee meeting yesterday the ordinance came up for discussion. A controversy among the members over street lamps, which occupied a great deal of time. Mr. Rosewater presented to the committee at this time a revised draft of his ordinance which, he explained, embraced all but one of the amendments which had been suggested by Councilman Hascall.

Considers Condition Unfair.

This condition, Mr. Rosewater said, had not been imposed upon any other company which had been granted a franchise and he considered it unfair, and objected to it as a matter of business policy. No company, he argued, could be expected to expend \$2,000,000 or \$3,000,000 in the construction of a plant without positive assurance that it had the franchise necessary to make that plant of use.

Councilman Hascall was disposed to insist upon his amendment and opposed action of the committee at this time on the ground that the provisions of the ordinance should all be thoroughly discussed. Mr. Rosewater said he did not object to any reasonable postponement, but it was essential to the success of his plans, that the council should act upon the ordinance in time to permit the required legal notice that the charter necessary to be submitted to the vote of the people at the coming election.

Business Men Favorable.

Z. T. Lindsey of the Interstate Rubber Company, president of the Dewey & Stone Furniture company, said he had talked with a number of the principal business men of the city and had found them to be uniformly in favor of the franchise ordinance. The men he had spoken to were all, or nearly all, of them engaged in such lines of business as to necessitate their use of power and light in large volume and they all felt it to be urgently desirable that cheaper rates for this city should be secured.

There was much discussion as to when and in what manner the proposed ordinance should be further acted upon and finally it was decided to hold an open meeting of the council Monday night and to invite the Commercial club and the business men generally to be present and to express their views.

The committee spent the early part of the afternoon in a decidedly lively discussion of the subject of street lights and the apportionment of the lights among the various wards. So eager were the councilmen each to speak for his own ward that at times all of them were talking at once and pandemonium prevailed. The outcome of it all was an agreement that an ordinance should be prepared for the meeting of this evening, allowing Mr. Hoye eleven gas lamps for the Second ward, Mr. Burkley the same number for the Seventh, Mr. Hascall three for the First, Mr. Zimmerman three arc lamps for the Third, and Mr. Whitehorn five arc lamps for the Fourth.

WATKINS MAY BE FREE AGAIN

Uncle from New Jersey Squares Some Accounts for Maude Shonfeld's Husband.

The honeymoon of Philip D. Watkins and Maude Shonfeld-Watkins, so rudely interrupted by the strong arm of the law, which tore Watkins from the side of his bride and landed him in jail on a charge of passing worthless checks, will likely be resumed in the near future.

Edwin B. Goodell, an uncle of Watkins from Montclair, N. J., was in the city yesterday, enroute home from Billings, Mont., where he had been to see Watkins and to settle the many claims against him.

ASTHMA

"Business men, out, smoke and spray do not cure. They relieve symptoms instead of removing causes; whereas, we take Asthma out thoroughly out of the system that nothing remains which can produce an attack; patients are soon able to work, eat, sleep and stand exposure without the slightest return of Asthma. Being Right in principle our treatment does what 'quacks' cannot do. We cure to stay cured; severe, long-standing and pronounced 'incurable' cases. If you are skeptical it is because you are ignorant of our work. Since 1885 we have treated 2,000 Asthma and Hay Fever sufferers. If you desire complete relief, health restored, and no return of Asthma, write for our booklet 'Free, S. MARSHALL HAYES, BUFFALO, N. Y.'

CREIGHTON AND HIGH SCHOOL

New Athletic Alliance Formed at a Banquet Spread for Foot Ball Teams.

Last evening there gathered at the Her Grand hotel one of the largest and most enthusiastic crowds of athletes that ever met in this city, the occasion being a banquet given by President Dowling of Creighton university to the members of the Creighton and Omaha high school foot ball teams and the officers and directors of the two athletic associations. On his arrival from Europe a few days ago Father Dowling learned of the excellent work and proud record of the Creighton team. Wishing to show his appreciation of its work, wishing to show the interest that he and Creighton university take in the advancement of legitimate amateur sports in this city, and wishing to emphasize the value, joint interests and support, he gave a feast to his own and to the high school athletes and their future. Director of Athletics Prof. Newman, 'Athletics as Seen from the Hill,' Prof. Peares, 'A Voice from the Box Office,' Manager Fitzgerald, 'Managerial Versatility,' Mr. Thompson, 'Right Backs Back,' Captain Walker, 'In the Harness,' Captain Sterricker.

In addition impromptu talks were called for from Coach Bickel, Captain Welch, DeLaney and others. It was decided that both teams and institutions work together in the future—practice together and afford support to each other in each other's games with one team. Amid Creighton and high school yells the banquet was adjourned.

JERRY CHORN MAY RIDE NOW

New California Club Reinstates Jockey It Ruled Off Seven Years Ago.

SAN FRANCISCO, Nov. 24.—Long shots were in evidence at Ingleside today, two of them coming home in front. Black Thorne at 20 to 1, scored an easy victory in the fourth race and the fifth event went to Searchlight at 40 to 1. THANKSGIVING DAY'S GAME

Creighton Foot Ball Players Will Meet Team from Highland Park.

If the records of the two teams can give any assurance of the worth of a foot ball game the contest between the Creighton and Highland Park teams on Thanksgiving will be the best of the season. Both teams have been playing highland ball and have been scored on by only one team. They have piled up big scores against strong teams. They scored against Penn college almost as freely as did the giants from Ames agricultural college. Upper Iowa university was defeated by the Highlanders by a score of 20 to 0, and Amity gave up the game fifteen minutes before the end of time, the score being 40 to 0. This is certainly a record to be proud of and a record that Creighton will give the Creighton kickers cause to fear. Yet it can be said for the local team that they have taken strong teams into camp. They are easily champions of Nebraska, barring the university, with whom they had no opportunity to try their strength.
