HONORS AK-SAR-BEN BOARD

Commercial Club Gives Complimentary Dinner to Board of Governors.

SPEAKERS EXALT THE PUBLIC SPIRIT

Past Successes and Future Plans of the Festival Society Are Discussed with Enthusiasm Over the Banquet Board.

The dinner given by the Commercial club last evening was complimentary to the Board of Governors of the Knights of Ak-Sar-Ben and eight of the governors with about 125 members of the Commercial club and invited guests were seated at the board.

At 8:30 o'clock J. Frank Carpenter, the president of the club and toastmaster, arose to open the oratorical part of the entertainment. Mr. Carpenter, in a few well-chosen words, referred to the work of the Board of Governors and introduced Charles N. Robinson, who responded to the toast "Welcome to the Board of Governors."

A FRIEND'S ADVICE

Will Often Help You Greatly. Read What an Omaha Citizen Says.

You may hesitate to listen to the advice of strangers, but the testimony of friends or residents of Omaha is worth your most careful attention. It is an easy matter to investigate such proof as this. Then the evidence must be conclusive. Read the following:

GREAT THANKSGIVING SALE of WOMEN'S COATS

The women of Omaha seem to be unanimous in choosing our great cloak department as their favorite shopping place. Our smart, exclusive styles at these exceedingly attractive prices prove that garment buying may be best done here.

Women's 3-4 Length Coats, nearly all samples, sizes 36 and only one of a kind—they are made of the finest kerseys, Montagnacs and oxford chevots, lined with the finest Skinner satin—coats manufactured to sell at \$25.00—14.75 sale price.

but when they call upon the people for time and money for the work. He closed by proposing three cheers for the board, which were given with vigor.

In response on behalf of the board, Matthew A. Hall thanked the club for this tribute to them, and gave excuses for the absent members of the board. He said the success of the Knights of Ak-Sar-Ben was due to the hearty support given by the business men of the community.

"The organization has done much," he said, "has made better feeling between the state and the town, has improved the business of the community, and has cemented the business interests. The future of the order depends upon the business men. It can only be kept going by the united support of the citizens. To obtain the best results the people should come with their subscriptions and not wait for committees to visit them."

As next speaker G. M. Hitchcock responded to the toast, "The Men Who Make Cities."

He said in part: "There is an old saying that God made the country, but man made the town. Nothing is so marked in the progress of the last fifty years as the growth of our cities. They are growing more rapidly than the best wishes of the country could wish. Population and capital are being centralized. Public spirit in cities is much like patriotism in a country. The men who now count much in a city are like those who counted much in the early history of the country—wise men, who will fight for their rights. These are the men who are making Omaha today, who are willing to take upon their shoulders a part of the public work in addition to their private business. Much that has been accomplished in Omaha in the last eight years has been done through the example set by the order, as much as through the actual work done by the society. It has been an example to all of the people of the community."

A telegram of regret was read from Ed P. Smith, and E. G. McGilton, lieutenant governor-elect, was introduced. Mr. McGilton said that it is the duty of each man to hold up the hands of the Ak-Sar-Ben and the Commercial club. He continued: "One thing the state must accomplish before it takes its proper place in the sisterhood of states, and that is to adopt a new constitution, one under which Nebraska may become one of the great states. It is a difficult thing to amend a constitution. One has talked and another remains—the calling of a constitutional convention, which can be done by three-fifths of the members

of the legislature and the approval of a majority of the people. We should impress upon the members of the legislature the necessity for a constitutional convention. I will do all I can to further this project."

His Eye on the Auditorium. Rev. E. F. Trefz then responded to the toast, "The Greater Ak-Sar-Ben."

"Most Ak-Sar-Ben confine itself only to the fall festivities, or is it large enough to take a step forward. I believe it is. Here is an institution which interests not only our business life, but our social life and relaxation. When I heard that the society contemplated a building downtown I saw danger. Why not avoid a mistake and follow the thought of concentration? Write in gold above the Auditorium the words, 'Ak-Sar-Ben Castle,' and let it go at that."

The last speaker, W. S. Summers, spoke of "The Demand of Today." He said in part: "Man filled with hopes of high future never stops to look at the picture on the dusty lid of oblivion. At times nations have had too small a base and investigation and advancement have caused their downfall. Today every man may be a Moses; today every man may be a Luther; today he may stand over against all dogmas and all tradition. Investigation is the pilerdriver of progress. Something for nothing is a delusion. The man who cheats himself commits the greatest fraud. Knowledge is a commission of dominion; it enriches the mind and places man on the promontory of truth."

The meeting closed with an expression of thanks by the toastmaster to those who spoke.

CARELESSNESS BRINGS DEATH

Verdict of the Coroner's Jury in the Case of H. L. McEldon.

The coroner's jury in the inquest held yesterday afternoon over the remains of H. L. McEldon, who died Friday afternoon from injuries sustained by being struck by a motor car that morning, brought in a verdict that the deceased had come to his death by his own carelessness. McEldon, while standing beside the tracks at Sixteenth and Douglas streets, was struck by a northbound electric car. He had evidently misjudged the distance by standing from the track and stood still, while the vestibule of the car passed him. The body of the car, which projects several inches further out than the vestibule, struck him in the shoulder and side. Funeral services over the remains were held at the roomer's home Monday afternoon, Rev. Connelly officiating, after which interment occurred at Forest Lawn cemetery.

THURSDAY'S FOOT BALL GAME

Creighton Will Put Up Its Strongest Lineup to Face the Highlanders.

Creighton's lineup in tomorrow's game at Vinton street park will be the strongest of the year. The men will be the same as those who faced the Highlanders, with one exception. Delaney will play left guard in Loofborough's place, the latter being partly disabled. The entire team is in the best condition and seems to have profited by the backs received from the previous Indians on Saturday last.

The Highland Park team did not risk playing last Saturday and has been saving its strength for the game with the Omaha boys on Thanksgiving.

INGLESIDE FAVORITES LOSE

Fifth race, one mile and an eighth, selling: Kenilworth won, Hank Grande second, Greater third. Time: 1:56. Sixth race, six furlongs, handicap: Vesuvius won, Money Musk second, Flash of Gold third. Time: 1:14.

CLEVELAND WRESTLER WINS

Jenkins Beats Carroll of Ireland in Clever Catch-as-Catch-Can Match.

NEW YORK, Nov. 25.—In a clever wrestling bout, catch-as-catch-can, Tom Jenkins of Cleveland defeated Joe Carroll of Ireland in Madison Square Garden concert hall. Jenkins had a decided advantage in weight, as he scaled 192 pounds, while Carroll weighed only 175. The match was best two out of three falls. Jenkins scored the first fall with a catch hold in twenty-eight minutes and fifteen seconds. He got the second fall and the match on high up and then pressed him head down until his shoulders were securely pinned to the mat. The time of the second fall was fourteen minutes and twenty-seven seconds.

Bellevue Scrubs Win.

BELLEVUE, Neb., Nov. 25.—(Special Telegram)—In a fast and furious contest this afternoon the college scrubs defeated the foot ball lads of South Omaha High school by a score of 12 to 0. One touchdown was made in each half, mostly by hard line blocking. The South Omaha boys put up a snappy defense, but could not hold the offense of Thrush, Rice and Sloan. This is the second game the Magic City lads have lost to Bellevue's second team this fall. On Elk field a great deal of interest is centered in the game to be played on Thanksgiving at the college grounds. Tom Moore's lame ankle is considerably improved, and the hope and determination of the local collegians is correspondingly higher. However, even if Bellevue's kicker is not able to go into the game, it is thought it has good chances against its heavier and slower rival. The team will go to Grand Island tomorrow evening, a number of rooters accompanying.

Challenge for Creightons.

COUNCIL BLUFFS, Nov. 25.—The Dodge Light Guard foot ball team hereby challenges the Creighton university foot ball team to a game to be played at either the Vinton street park in Omaha or Manawa field, Council Bluffs, on any date, Saturday, December 6, preferred. Officials are to be agreed upon by the captains of the two teams. R. HUTTENFORD, Manager Dodge Light Guard Team.

AFFAIRS AT SOUTH OMAHA

Cattle Receipts for the Year Likely to Reach Million Mark.

IMPROVEMENTS UNDER WAY AT YARDS

Thirteenth Annual Ball of the Paid Fire Department Occurs Tonight—Stores to Close on Thanksgiving Day.

Live stock dealers at the Union stock yards are wondering what the outcome of the year's receipts will be, especially in cattle. So far this year the yards here have handled \$15,120 head of cattle, as compared with 743,356 head on the same date a year ago. New guesses are being made on the 1,000,000 mark. Many dealers assert that with the cattle in prospect the stock yards company will close its calendar year with figures showing over 1,000,000 cattle received. Of course there are some doubters, but those who have been out in the state assert that all records will be broken and that the mark mentioned will be reached. While there still remains a decrease in hog receipts there is such a large increase in cattle and sheep receipts that the stockmen here do not feel at all alarmed over the market at South Omaha.

Up to the present time \$15,000 cattle have been handled, 1,999,000 hogs and 1,553,000 sheep. These heavy receipts, while not taxing the yards to the full capacity, caused the letting of contracts for extensions and improvements. These improvements are now under way and it is expected that the new cattle pens will be ready before another heavy run commences.

All of the guesses so far made refer to the close of receipts at the end of December. This gives a big leeway. Managers of the stock yards company and many commission men feel that all records will be broken and that the mark mentioned will be reached. While there still remains a decrease in hog receipts there is such a large increase in cattle and sheep receipts that the stockmen here do not feel at all alarmed over the market at South Omaha.

Firemen's Annual Ball.

The thirteenth annual ball of the South Omaha paid fire department will be given at the troop armory in the city hall building tonight. A large number of tickets have been sold and the proceeds, after deducting the expenses, will be turned into the Firemen's Relief association fund.

The honorary committee consists of Mayor Koutsky, William Queenan, president of the council, and Councilman Adkins, Welsh, Smith, O'Connor and Broderick.

Chief Eiter and Assistant Chief Curtis make up the committee of arrangements. Brabets, Sandwick and Borcott will have charge of the floor, while the reception committee will be composed of Captain Dave Garrett, Frank Nemeo and Peter Olson. Fred Ling will be in charge of the floor and in this work he will be assisted by Nemeo and Garrett. Sandwick, Brabets and Nevias have charge of the music.

It is expected that the mayor and members of the city council will attend and it is rumored that the mayor will deliver a short address between dances.

Oaks-Mayfield Nuptials.

Last evening Miss Mable E. Mayfield was married to Dr. Charles A. Oaks of Weeping Water, Neb. Rev. Dr. R. L. Wheeler, pastor of the First Presbyterian church, performed the ceremony at the home of the bride's father on Twenty-third street, South Omaha. Only the immediate friends of the bride and groom were present. The Mayfield residence was tastefully decorated with palm, ferns, etc. A number of valuable presents were sent by friends. Dr. and Mrs. Oaks will take up their residence in Weeping Water, where Dr. Oaks has a lucrative practice.

General Closing Thursday.

The banks, city offices and the stock yards market will be closed on Thursday. As a general thing merchants have agreed to close their places of business at noon. Some of the stores will remain open part of the afternoon. Even with the drug stores the closing order will prevail, as the dispensaries of medicine will be closed from 1 p. m. until 5 p. m.

Odd Fellows Elect Officers.

At a recent meeting the Independent Order of Odd Fellows elected these officers: Thomas S. Parker, noble grand; E. E. Howe, vice grand; George Knight, secretary; E. H. Roberts, treasurer; E. L. Gustafson, trustee; Thomas Galaway, captain.

Degree of Honor No. 123, Ancient Order of United Workmen, will initiate candidates at Workman hall Thursday night.

Mr. Jess C. Fiehart, editor of the Daily Statesman at Boise, Idaho, is in the city, the guest of his brother, Hon. J. W. Fiehart.

All old soldiers are requested to meet at the postoffice at 1 o'clock today to attend the funeral of the late E. L. Martin. Services will be held at the First Methodist church.

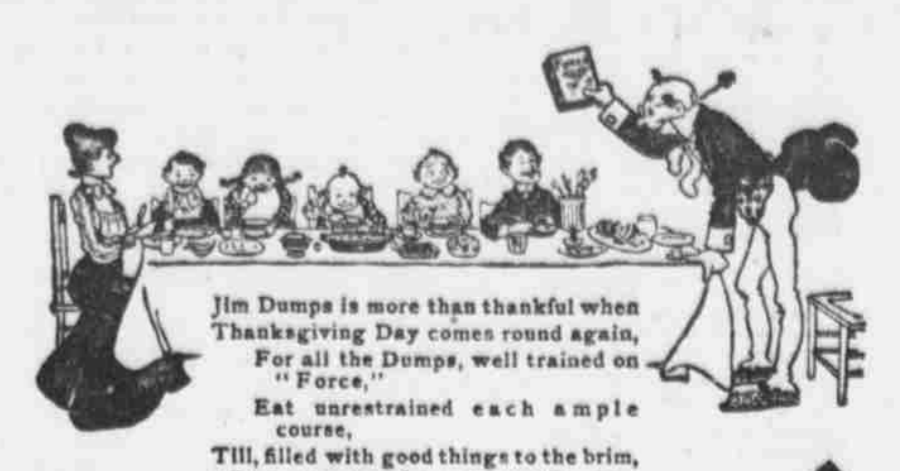

Those charitably inclined are requested to send baskets of food for the poor to Mrs. L. H. Ames, Twenty-third and J streets, today. These baskets will be distributed by the Magie City King's Daughters Thursday morning.

SCROFULA

Is an hereditary disease, and one for which a tainted ancestry or blood poisoned parentage is responsible. It is transmitted through the blood, shows itself in swelling and ulceration of the glands of the neck, catarrh of the head, weak eyes, sores, abscesses and skin eruptions, with a gradual wasting away of strength and vitality. It also attacks the bones and joints, resulting in white swelling, hip disease and deformities of every kind. We see the effects of this awful blood taint every day, but it exists in so many forms that frequently it passes for something else and is treated as another disease. Scrofula robs the blood of its nutritive qualities, and it becomes too poor to produce healthy growth and development, and thin, emaciated bodies and pallid, waxy complexions are the result. Only a constitutional remedy, one that works through the blood, can reach a disease that has been transmitted through generations or is being lurked in the blood since birth. S. S. C. cleanses the blood of all scrofulous matter and tubercular deposits, and when rich, pure, health-sustaining blood is again flowing in the veins there is a gradual disappearance of all the dangerous symptoms of Scrofula; strength and vigor return, and a complete cure is effected. S. S. C. contains no strong minerals to further break down and derange the system, but can be taken by the very old, as well as the middle aged and young, without any harmful after effects, or the least injury to the most delicate constitution.
