LATOILA

Does its work instantly. A few drops on the hair and a wonderful shampoo is instantly produced. Cleanses the scalp and removes all dandruff. Cleanses the scalp and removes all dandruff.

Miss Marie Schultz, the Celebrated Contralto, Says:

"My hair had been coming out so rapidly that I was greatly worried. Nothing I could do but that was recommended for the hair did any good. After three shampoos with Latoila it stopped coming out. The irritation and itching were gone and my hair was in its natural condition. I recommend it to everyone, man or woman, for their hair and scalp."

Latoila is used and recommended by physicians everywhere. Every true preservative of the scalp. It is unequalled.

SOLDIERS' DEFEAT SAILORS

Army and Navy Schools War on Gridiron at Philadelphia.

CADETS SCORE TWENTY-TWO TO EIGHT

Middle Play Gamely, but Cannot Equal Opponents, Who Sweep Field in Second Half and Pile Up Points.

PHILADELPHIA, Nov. 29.—In the fourth contest on Franklin field between the foot ball elevens representing the army and navy today the young tars were decisively beaten by the landlubbers by the score of 22 to 8. The first half ended with the score at 10 to 8 in favor of the West Point lads. The latter made two touchdowns, neither of which resulted in a goal, whereas the army scored a touchdown on a sensational run of sixty-two yards by Straasburger and forced Daly of West Point back to his own goal line for a safety.

In the second half West Point's goal was never in danger, while they duplicated their performance in the first and kicked both goals. As a foot ball contest it may, without speaking disparagingly of either team, be called mediocre, but as a society event in foot ball it was a gigantic success. There were distinguished guests from both fighting departments of the government and prominent citizens from nearly every section of the United States. Former President and Mrs. Cleveland occupied a box on the army side and close to them sat Miss Alice Roosevelt, daughter of President Roosevelt, the cynosure of all eyes and on whom every attention was shown.

As far as scientific foot ball was concerned the game was a failure, but there were one or two sensational runs. Straasburger's sixty-yard dash for a touchdown was brilliant and Daly's running back of kicks was little short of marvelous, but the safety of the navy was due to bad judgment on his part. He caught the ball on West Point's goal line and, notwithstanding that both Soule and Whiting were upon him, started to run the ball out. As a consequence he was pushed back and thrown behind the goal.

From the time the game began until its close he almost continuously ran Bunker and Torney with the ball. Either Graves or Hammond were brought back of the line to open up for the big backs, and in tandem formation they plowed through the light navy line with deadly effect. For a time the Annapolis boys played fairly well, but the training of the heavy army guns on the light craft soon began to have its effect, and before the close of the contest the navy had in an almost entire substitute eleven. Daly outkicked Belknap by twenty yards to each exchange, and had he used a little better judgment the Annapolis boys would probably not have scored. When Straasburger got through the West Point center on a three-yard fake Daly failed to catch him, missing the tackle by a foot. His dive for the navy halfback was badly timed, an unusual performance on the part of West Point's star quarter.

It was 1:55 when the navy guard came on the field. Five minutes later the army eleven appeared. Both teams were given a rousing sendoff by their supporters. Wrightington was chosen referee and John Minds umpire. West Point won the toss and chose the east goal, with the wind at its back.

Captain Belknap kicked off at 2:10 p. m. Daly immediately punted back and it was the sailors' turn to punt and kick. It was the navy's ball on West Point's twenty-seven-yard line. Plunges into the line by Farley and Straasburger failed to gain and then Straasburger tried a goal from the field from the army's twenty-five-yard line.

The ball went wide and was West Point's ball. Daly punted on the first lineup and the navy secured the ball in midfield. Belknap at once punted to Daly on West Point's twenty-five-yard line.

Both sides braced and an exchange of punts made it the soldiers' ball on the sailors' fifty-yard line. Terrific line bucking by Bunker, Hackett and Torney forced the ball to the navy's ten-yard line. Bunker plowed through center for five yards and Torney made three more in the same place. In the next play Bunker carried the ball over for a touchdown. Daly punted out, but Hackett failed to heel the catch. Score: West Point, 5; Navy, 0.

Belknap punted. Hackett got the ball and ran thirty-two yards for a touchdown. Torney missed goal. Score: West Point, 10; Navy, 0.

On an exchange of kicks it was the Navy's ball on the army's twenty-five-yard line. Straasburger tried for a goal from the field, but it was wide. Daly punted to the navy's ten-yard line. Bunker plowed through center for five yards and Torney made three more in the same place. In the next play Bunker carried the ball over for a touchdown. Daly punted out, but Hackett failed to heel the catch. Score: West Point, 15; Navy, 0.

ball on its own 40-yard line. After two attempts Belknap kicked to West Point's 25-yard line. On the first lineup Torney fumbled and Straasburger of the Navy fell on the ball. After two attempts to gain, Straasburger tried for a goal from field from West Point's 30-yard line. Daly caught the ball and started to run with it, but was foveled over for a safety. Score: West Point, 10; Navy, 2.

The ball was brought back to West Point's 25-yard line and Daly kicked to the Navy's 45-yard line. Belknap returned the ball to midfield on a bad kick. On an exchange of kicks it was the Navy's ball on its own 48-yard line. On a fake punt Straasburger brought through center and ran sixty-two yards for a touchdown and a moment later kicked a goal. Score: West Point, 10; Navy, 8.

The second half was played started when they scored a goal. Score: Army, 16; Navy, 8.

Belknap kicked to Daly on West Point's fifteen-yard line and Daly brought it back twenty yards. Torney made five yards through center and then Daly kicked to the navy's thirty-five-yard line. Belknap returned the kick and it was West Point's ball on its own forty-yard line. After trying the navy center for no gain, Daly kicked and the ball went to the navy on its twenty-yard line. Straasburger got around left end for fifteen yards, and then Belknap was forced to kick. Daly caught the ball for West Point on its forty-yard line. After gaining fifteen yards by line plunges Daly got around right end on a double pass for seven yards.

Then began another drive against the navy line. Bunker and Torney carried the ball to the navy's thirty-yard line, where they lost it for holding. Belknap then punted to Daly on West Point's forty-eight-yard line. Daly heeled the catch, but was thrown and West Point was given fifteen yards for the foul tackle. Daly then kicked to the navy's twenty-yard line.

On the first lineup the navy fumbled and it was West Point's ball. Frits was injured and Oak went to center. Center backs and a mass on tackle carried the ball within three yards of the navy's goal. Bunker struck the center for two yards, and on the next lineup the ball was shoved over for a touchdown. Hackett punted out to Daly, who heeled the catch and the latter a moment later kicked goal. Score: West Point, 22; Navy, 8.

Belknap kicked to Daly on West Point's five-yard line and the little quarterback ran the ball back twenty yards to West Point's twenty-five-yard line. Belknap then carried the ball fifteen yards on line plunges, when Daly kicked to the navy's forty-yard line.

Grady was injured and Michael took his place at left guard for the navy. Belknap kicked to West Point's twenty-five-yard line and Daly got around left end for thirty yards on a double pass.

Bunker, Torney and Hackett then carried the ball to the navy's fifteen-yard line by straight line plunges. The game closed with the ball in West Point's possession. Score: West Point, 22; navy, 8.

NEW BALL LEAGUE FORMED

Southern Clubs Organize Independent Base Ball Body.

MONTGOMERY, Ala., Nov. 29.—At a meeting of the directors of the Southern Base Ball League the Memphis club of the 1902 Southern league was expelled. This action was taken to ratify the decision of the Georgia Club Association to join the Base Ball Clubs at the meeting in New York.

Kavanaugh will now put a new southern league club in Memphis and Breitenstein, it is said, will be the manager, as he is alleged to have declared he will have nothing to do with the new Southern league.

The new league was launched today at a meeting attended by seven of the eight prominent clubs.

It was decided the salary limit for each club would be \$2,500, with an understanding that it will be increased to \$3,500 if desired.

The following cities are included in the circuit: Charleston, Savannah, Atlanta, Birmingham, Montgomery, Memphis, Nashville and New Orleans.

After the meeting Charles Frank stated that the American association will not wage war on the new organization.

For several years I suffered constantly from indigestion and after using three or four so-called cures, I tried Kodol Dyspepsia Cure. Four bottles cured me and I am to-day sound and well. I always carry a bottle of Kodol with me, but have had no occasion to use same not having had a touch of indigestion in about two years. W. F. KODOL

Digests What You Eat.

When it was discovered that Kodol digests all classes of food, its great value in the treatment of indigestion and the many disorders arising therefrom was instantly recognized. Previous to the discovery of Kodol it was impossible for even the most skilled physician to treat Dyspepsia with any degree of certainty as to the results, due to the fact that Pepsin and all digestants hitherto known, digest certain classes of food only, while Kodol digests them all.

Kodol represents the active principle of Pepsin, Pancreatin, Ptyalin, Trypsin and all the acids of digestion as they exist in a healthy stomach, happily combined with the greatest known tonic and reconstructive properties. Kodol supplies the gastric glands with a healthy quantity of the digestive juices, thus relieving the inflamed stomach of all nervous strain while that organ takes a rest—recuperates. In all cases of a weak stomach, indigestion, nervous Dyspepsia, palpitation of the heart, insomnia, general debility and all wasting diseases, no remedy will so surely and so quickly restore one to the full vigor of health and strength as
