OVERCOATS

The \$20.00 overcoats which we now have on sale are fully as good as you pay \$25.00 and \$30.00 for, to high priced stores. If you pay more than \$20.00 for any ready-made Overcoat you pay for something for which the intrinsic value is not there. If a \$20.00 Overcoat is above your reach we have splendid ones for \$15.00 and \$12.50. We also have on sale a black and white speckled coat, lined with serge body lining and guaranteed Skinner satin sleeve lining, at \$10.00. The cloth in this coat is worth more money. There is no store in town that shows better \$7.50 and \$5.00 overcoats and liners than we do. Even at the low price of \$5.00 we give you a dependable garment. As our motto is "no shoddy goods at any price." The Guarantee Clothing Co., 1519-1521 Douglas Street.

If in need of a business or every day suit take a look at what we offer for \$7.50. You pay considerable more money for the identical goods elsewhere.

Foot Comfort for Men

It isn't necessary to wear uncomfortable shoes in order to wear stylish shoes. Many men think they must sacrifice comfort if they would have style. We can give you both style and comfort in the same pair of shoes. We carry the shoes that fit best and that have the most style and we fit them to the feet as they should be fitted; then they are more stylish, more comfortable and more durable.

This Great Holiday Store is Ready...

Complete in every detail. We are prepared to serve you to your entire satisfaction. Christmas means more diligence in purchase, more care in selecting, more economy in individual expenditures. You want to make your Christmas allowance go as far as possible and get the best for the money spent. You get the best from our line and enjoy the giving because the recipient enjoys the receiving. Come while assortments are complete. Purchases may be made now and laid aside until wanted.

Acorn Base Burner

The little storm of Friday night warned people that winter is really coming and base burners moved quite lively Saturday. We would like to have prospective buyers see our line while it is complete. We are just a little proud of our base burner exhibit. It so far outclasses competition that we feel that we are justified in boasting a little. Then our prices are within reach. The recent advances in the market have not changed ours; \$25 and up for Acorns.
