AUNT WOULD CARE FOR BOY

Institutes Habeas Corpus Proceedings to Secure 11-Year-Old Child.

SAYS STEPMOTHER CANNOT CARE FOR HIM

Child Formerly Lived with Aunt, Who Insists She is the Proper Person to Raise and Educate Him.

Mrs. Lillian M. Balfour of Chattanooga, Tenn., commenced habeas corpus proceedings in the district court yesterday to secure possession of her nephew, Edwin Hubbard, the 11-year-old son of Henry F. Hubbard of this city, who died last Sunday.

The father of the boy had married a second wife, his second wife had three children by a former husband, and for a time after his father's second marriage young Hubbard made his home with his aunt and uncle, the latter a prosperous business man of Chattanooga.

Mrs. Balfour, in her petition Mrs. Balfour, while casting no reflections on the stepmother, states that she and her husband are anxious to adopt him, and that Mrs. Hubbard, who since the death of her husband is said to be dependent on her own resources, is not able to support and educate the lad in a proper manner.

Pending the hearing Judge Green ordered young Hubbard placed in charge of Sheriff Connors. If Judge Macy is in the city today on his way home to Harlan from Glenwood, Judge Green will ask him to hear the case.

RAILROAD WINS ITS POINT

Receives Permission to Condemn Brewing Company Property.

The controversy between the Mason City & Fort Dodge Railroad company and the Anheuser-Busch Brewing association, over the condemnation of a lot on Eleventh avenue, just south of the Wabash freight house, has been decided in favor of the railroad company by the state railroad commissioners.

The commissioners were in Council Bluffs Tuesday and heard the evidence in the case and yesterday an order was received granting the Mason City & Fort Dodge Railroad company the permission to bring condemnation proceedings against the lot in question, the commissioners holding that the property was necessary to the Great Western railroad for additional depot purposes, as contended.

The lot is not only owned by the Anheuser-Busch Brewing association, but it occupies and has on it a large storage warehouse. The Wabash has a spur track to the lot and was made party defendant in the proceedings. Before commencing condemnation proceedings for depot purposes the railroad was required by law to secure permission from the State Railroad Commission.

The attorneys for the Mason City & Fort Dodge road expect to begin condemnation proceedings today. As the property involved is of considerable value to the brewing company, it is expected that the case will finally find its way into the district court.

ELVEN JURYMEN TO DECIDE

Seventh Day Adventist Would Not Sit Saturday and is Excluded From Service.

Judge Green, before whom is being tried in the district court the insurance suit of Petrus Peterson against the Des Moines Fire Insurance company and which has occupied his attention for the entire week, was confronted with a condition yesterday which in all the years he has been on the bench he has never met.

One of the twelve jurors impaneled in the case, notified the court that he was a member of the Seventh Day Adventist church, which observes Saturday as its Sabbath and that on that account he would be unable to serve.

The law provides that a person whose religious faith requires him to keep the seventh day of the week as his Sabbath cannot be compelled to attend as a juror on that day. The law being on Juror Hansen's side it looked as if the trial would have to be postponed over Saturday, but as both sides appeared anxious to get the case to the jury as soon as possible a compromise was reached. By mutual agreement it was decided to release Hansen from the jury and continue the further trial of the case before eleven men. Accordingly at the noon recess yesterday Juror Hansen was excused from further service in this case.

Indications at adjournment of court last evening were that the trial would last several days into next week.

Well Fixed for a Hobo.

When Edward Kenyon applied for lodging at the city jail Thursday night he was absolutely penniless and did not even possess a jackknife or a plug of tobacco. He will be held while the police investigate how he came in possession of two watches, one gold and one silver; two pocketbooks, one containing \$1.85 and a gold ring, with ruby and emerald setting. On the inner case of the gold watch is inscribed "R. E. to L. E." Minstrels Make a Hit.

The high school boys scored an unenviable success last night with their minstrel show, and the performance developed the fact that the college students are the most talented in this direction among the members of the Cadet and Athletic associations. The auditorium was crowded to the doors by an appreciative audience, which enjoyed two solid hours of fun. The "minstrels" were assisted by Jackson Gady at the piano and John Clark and Harry Evans, comprising the mandolin and guitar trio. One of the hits of the evening was Albert Treynor's impersonation of a ballet girl. Those taking part in the performance were: Charles Baldwin, Harry Baldwin, Lon Byram, Clay Cochran, Will Cornelius, Charles Campbell, Clarence Honninger, Perry Honack, Alf Hanchett, Harry Jostin, Phil Organ, Glen Reed, Ray Robertson, Robert Sprague, Albert Treynor, Charles Taylor, A. Indicted for Mock Marriage. Walter E. Stone was indicted today for misleading Miss Alice Donahue by a mock wedding. The charge is that they feigned an unusual interest. Stone had a number of an automobile company here and while here went to Ohio and was married. They lived together here but a few weeks, when she got a divorce. Last June he took Miss Donahue, according to her story, out riding on Sunday and he introduced her to a man representing himself to be a minister who performed a mock marriage ceremony. Three months ago Stone left and went to Cleveland, O. Miss Donahue heard he was about to be married to another and then made the discovery for the first time that Stone had never got a marriage license and no such minister lived as the one who performed the mock ceremony. She caused Stone's arrest and an officer was sent after him, but found him in Detroit, where he had gone on a wedding journey with a young woman of Cleveland he had just married. Stone was taken away from his bride and brought here. He denied the whole story, but admitted he had lived with Miss Donahue and had represented her to be his wife. Upon the representation of Miss Donahue to the grand jury he has been indicted. Stone is a popular white here and was engaged in big business enterprises, but left mysteriously.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.
