

TWO BUILDINGS IN PROSPECT

Factory at East Omaha and Structure for Insurance Companies in City.

TO BE BUILT ON MOST MODERN LINES

Insurance Companies Are Said to Have Agreed to Take Quarters in Building to Be Erected Especially for Them.

It is reported that the Omaha Tanning company has plans under way for the construction of a building at East Omaha to cost \$50,000 and that the work will be started as soon as the weather permits in the spring.

When the company first went to East Omaha it secured a conditional contract for the old Kilpatrick-Koch building and the manufacture of harness leather was begun.

Structure for Insurance Agents. One of the new buildings planned for the coming year, and which will be among the first started, probably will be constructed as the result of the united action of the insurance companies of the city.
