FOR SALE-CIGARS, TOBACCO.

We Are Wholesalers and Manufacturers

of cigars since 1854 in this city and we are in position to know that the consumer is the one who has to pay the profit of the tobacco grower, the wholesale leaf dealer, the manufacturer, the wholesale and retail dealers of cigars. We are in position to cut out several of the above named profits and give it to the man who uses the article at the right price. The consumer wants at the right price. The consumer wants our cigars, but sometimes falls to find them in some of the cigar stores. Why is it? It's because these dealers don't like to pay the price which they should pay for a high-grade article. We therefore operate four retail stores in the best locations of Omaha, so that every consumer may obtain values in cigars direct from the manufacturer and jobber. Our store "A" (headquarters) you will find at 1404 Douglas; our store "B," 221 South 15th; our store "C" you will find at 206 South 15th; store "C" at the corner of 15th and Farnam, in Myers-Dillon Drug Co. place of business.

MME, GYLMER,

OMAHA'S FAVORITE PALMIST.

The time of year is near at hand when man generally reflects upon his past, and it it has not been what it ought have been he resolves to make it better. But resolutions are continually being broken. We may attribute this to different causes, but the one most probable is non-success. If a man is successful he is usually contented and satisfied with his condition, therefore he forestalls the breaking of resolutions. If you are not meeting with success consult Mme. Gylmer and she will advise what you are adapted to, then you will be successful.

Madam Gylmer extends to her patrons and friends a merry Xmas and a happy New Year.
