CIGARS, PIPES AND TOBACCO.

## **CUT RATE** CIGARS

Talk about cutting the price on cigars, see what others give you and then find out what we offer you. Our 14 for 25c cannot be touched by the people who have started this war, for they find that their backbone is not stiff enough to bump against Omaha's largest cigar house. We can save the consumer, who is so often deceived by these people, the jobber's profit and the retailer's profit, and sell them cigars like the ones offered to them 8 and 19 for 25c, 14 for 25c, and they are not made by the trust, either, but manufactured in our own factory. When we cut we cut at all our stores at the same time.
