WAS TILLMAN JUSTIFIED!

demarkation is almost imperceptible, but when the expounder of divine law

the contribution of Sidney Carton, betthrough the columns of a local paper Gonzales on the flimsy pretext that the libel laws offer absolutely no redress for wrongs inflicted by merciless editors.

"You cannot purchase honor with money," exclaims Mr. Trefz, "although dishonor may be thus pur chased. A wicked man can obtain vin libel is sought to be excused by this Interrogatory: "Suppose a man sought to take your life, would you not be justified in protecting yourself at the expense of his life, and is not honor to 30,250 life? * * * The wonder to me is that more editors, or newspaper men, are not killed. They seem to have such a their work."

> hat editors do have an idea of the sacredness of their work. Nobody has had better opportunity than he to learn that editors more frequently transgress by showing indulgence toward rogues in high places who richly deserve chastisement than by trying to make them harmless to society by exposure and denunciation. Nobody knows better than Mr. Trefz that editors are more to blame for criminal lenlency toward scoundrels in and out of office than for publishing their misdeeds to the world. The man who willfully betrays a public trust for pelf or place merits the indelible brand of inhis country to the enemy in time of law upon the traitor who raises his

Crying down courageous men who public thieves and bribe-takers and bribe-givers is a common practice among the men who pollute the wellsprings of social order and sap the foundations of free institutions. "The Trefz, "is perhaps the most powerful pay a tax in proportion to his, her or be strong enough on the sea to composition of the editor," declares Mr. in society, therefore, the editor can afford to make his magnanimity demonstrate his greatness." Mr. Trefz lawyers just now is to fabricate justifi-Most of the time of congress is taken might have added with propriety that cations for members of the legislature the position of the editor is most trying not for his magnanimity scores of men who hold their heads up with pride would be humbled in the dust and other scores would occupy cells in penitentiaries.

The idea that an honest man can only secure redress for injuries or mental anguish inflicted by libel by murderous assault on the libeler is puerile and preposterous. No libel however vile can seriously effect an honest man. Character, like a coral reef, is built in layers, but once firmly rooted it cannot be damaged or destroyed. A man of character will outlive all calumny for who travels the straight road is never

Tillman is not entitled to maudlin sympathy is evidenced by the that led up to the murderous assault of Gonzales were public property.

Nowhere in this country is the code held in such reverence as in South Carolina and believers in the code despise the man who would not face his enemy. The press, the pulpit and the people of South Carolina have than the bludgeon, revolver and bullet.

"Strong Manhood, Rooted in Right, Dealing with Men as Men."

Chicago Tribune. "We can say with truth," said President Roosevelt at the semi-centennial of the Washington Young Men's Christian association, "that we are better off than we were. We see all around us people who eay: 'Oh, well, things will come out all right.' So they will, but because there are a sufficient number of earnest men bound

to see that they come out all right." The constant problem is, of course, to recruit that number, so that the ranks of the earnest men may be always filled dent-went on to say, "by any effort which fails to take account of the fact that they demand manliness as well as virtue, and that it is necessary for them to be strong." "You get among a body of men," added, with particular reference to the work of the Young Men's Christian association, "and you can make them accept morality if you make them understand that I is not only compatible with, but demanded by, essential manliness. The work of the Young Men's Christian association has grown because it has not tried to dwarf the impulses of the young, vigorous man but to guide him aright. It has sought to see that he is in the fullest sense a man, and a good man."

The truth is that a cloistered virtue drawing saide from the world, however lovely it may seem in itself, never accomplished anything of real benefit for others The efficient reformer must deal with the world as it is and with men as they are He must descend into the arena of life and upon the common level of manhood wrestle

The men who made and preserved this nation were men of that kind. The men today who are carrying forward this nation's mission of freedom to all the earth are men who have made us better off than we were and who will make the twentieth century better than any that has gone be-
