HERPICIDE NOT A FAKE.

Unsolicited Testimonials Tell of Its Superiority.

Alf. R. Kelley, residing at 2195 Devisadero street, San Francisco, Cal., writes the following:

"When I first purchased Herpicide thought, like the majority of hair preparations, it would prove a fake. I am happy to state that, on the contrary, it is all, and even more, than you claim for it. Quite a number of barbers throughout the section

in which I travel have called attention in the new hair sprouting out on my scalp and inquired of me what I have been using. I tell them 'Herpicide;' also give them your name and address."

Wants Gordon Case Advanced.

City Attorney Connell has forwarded t City Attorney Connell has forwarded to the supreme court a motion to advance the case of Judge S. I. Gordon against the city, involving the claim of Judge Gordon for salary at the rate of \$2,600 a year for January, February, March and April, 1962, as police judge of this city. Judge Gordon was defeated in the district court in this action, but has taken an appeal on error. his ground being that he is entitled to salary, notwithstanding the election of Judge Berka to the office and Judgo Berka's occupancy of the office. Mr. Con-nell said that he was satisfied there was nothing in the contention, but he has asked that the case be advanced that it may be disposed of and prevent other cases of a similar nature.
