THEORIES ABOUT CATARRH. Peculiar Ideas Regarding a Common Disease.

Mark Twain's cure for a cold in the head was simple, but he claims very effective in his own case; his plan was to cat nothing whatever for twenty four hours or pre sumably until the trouble had disappeared. Although not able to speak from personal experience as to the effectiveness of this treatment, it certainly has the merit of extreme ecomony, but it occurs to us that the application of it to a case of nasal catarrh might be attended with difficulties. Catarrh, as everyone knows, is a chronic cold in the head and Mr. Twain's treatment, if it should become a fad, would make of us nation of fasters: an army, emulating the example of the immortal Tanner who achieved world wide fame by

Catarrh is certainly becoming a national disease and there is little doubt but that errors in diet, particularly over eating is a very common cause.

Most people however are more interested in the cure of the trouble than in the cause, and modern medical science has produced more effective and less heroic remedics than Mr. Twain's.

Hydrantin is a new remedy, very effective in some forms of Catarrh, Red Gum is another which on account of its antiseptic properties is very valuable, while many severe cases of Chronic Catarrh have been entirely cured by the sanguinaria or extract of Blood root alone.

ANY WOMAN MAY BE CURED.

MRS. FRANCES KINGSLEY, First Vice-President of the Historical Club, 544 Garfield Ave., Chicago, Ill., says CHICAGO, ILL., 544 Garfield Avenue, October,

After doctoring for eleven months and taking forty-three bottles of medicine and finding no relief for leucorrhæa resulting from irritation of a fallen womb I took Wine of Cardui and fourteen bottles cured me. This seems strange but it is the simple truth. Wine of Cardui helped me from the time I began taking it and having heard it praised so highly by friends who had tried it I felt satisfied that it would help me, and it did. It cured me. Took every bit of ache, pain and headache, cramps and dragging down sensations away till I felt young, strong and happy once more. It is a wonderful medicine and a true friend to women. When I look back on the months of torture I had it seems like a hideous nightmare. Wine of Cardui will cure any woman I believe. I have more faith in it than all other medicines combined.

Who would go on suffering female troubles after reading the earnest statement of this prominent woman? Are you suffering from leucorrhoa? Have you the irritation of a fallen or misplaced uterus? Do you have periodical headaches? Do you have aches, pains or cramps in the abdomen? Have you "bearing down pains"? Do you feel as if you were never "young, strong and happy"?

How can you refuse relief when you know these troubles are torturing you, are growing worse day after day? If you go to a physician after a local examination, he will probably tell you an operation is necessary. Mrs. Kingsley took Wine of Cardui and she was cured without an operation. And this is what you may do. Shooting pains, irregularity, inflammation and bearing down pains make thousands of women miserable. Why drag through life never enjoying anything? Wine of Cardui has made over 1,500,000 weak and suffering women well and strong. We ask you to go to your druggist today and secure a \$1.00 bottle of Wine of Cardui and begin to take it at health Mrs. Kingsley writes

once. Do that and the health Mrs. Kingsley writes about will soon be yours. If you think special di-rections are needed in your case, address, giving symptoms, Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.
