Bank Cashier Testifies.

coroper's jury."

now in evidence "I saw Mrs. Lillie on October 27, shortly which the bill was untangled from its three-tenths of a foot in eight hours. before 4 o'clock in the afternoon. She snarls and passed by a good vote. -W. J. O'Brien, superintendent of the state came in the bank and paid a note of \$50. from Bayfield, Wis., Manchester, In., and cash. She took the money out of her compel the purchase of state supplies after which it will recede, as the tribu in the fence. She said she was uneasy." On crost-examination witness said: "Mrs. Lillie was not weeping that day, and so

Lillie paid was not due." William F. Downing was the next witness. He was not called at the preliminary bearing. He said in part:

Finds, Piece of Shoe Heel. "I was at the Lillie home on the day of house and showed us the position of Mr. day partly cloudy, probably rain in south the bed. There was a little blood and a small lock of hair on the pillow. The son's head had lain on it. The spot of blood was to the east of the indenture it happened, and she said she was awaka revolver at her, and she rolled off the bed and the shot went through the window. Mrs. Lillie was standing just about the middle of the bed lengthwise, possibly a little to the north of the middle. She did not say just where the man stood. I asked Mrs. Lillie where the money was that was stolen, and she opened the bureau drawer and showed us just where it was taken from. The drawer did not appear to be disarranged. Mrs. Warren picked up off the floor the tap of a shoe heel and gave it to me. I gave it to the sheriff. John F. Zeilinger was not called at the preliminary hearing. He corroborated the estimony of Witness Downing, and in ad-

dition said: 'Mrs. Lillie showed where the man stood when she saw him pointing a gun at her. She said he stood north of the stovepipe and near the foot of the bed on the west

nide." Night Policeman Taddiken testified substantially the same as at the preliminary bearing, and in addition said: "I asked Mrs. Lillie if anything had been taken from the house, and she said she did not know. She went to the dresser and opened the drawer and seid there had been \$300 taken. She looked at Mr. Lillie's pants and said: 'His money is gone, too.' When she opened the drawer she picked up an old revolve: and said: "The gun is here." I went to the telephone and called the sheriff and doc-

The shoe heel herstofore spoken was identified and introduced in evidence. It is the tap of the heel of a shoe of medium size, and from its size and appearance is of a woman's shoe.

Dust in Keyhole. C. W. Derby was the next witness. He

MANY PEOPLE ARE LIVING IN TENTS

Cold Weather in Most Sections of Country is Abating and Backbone of Wave is Probably Broken.

VINCENNES, Ind., Feb., 19 -High water, which has turned to ice and the bitter cold has brought intense destitution and much suffering in scores of homes in the Emberras bottoms south of here. Thousands of acres of land which last week were under water are now covered with ice and many homes are entirely sur-

The Wabash river continues to rise and add to the destitution in the desolated district. The farmers are fighting with hunger and cold. Those who have not spoved out of the lowlands are preparing people are living in tents, which 'bey have pitched on the side of a hill or on top of the leves

Until today the ice has not been thick enough to bear the weight of a person and for the past three days to has been impossible for many to leave home. Scores of families are living in the second stories, the lower floors being filled with ice. It is impossible to send relief into a portion of the district, an the roads are

blocked by water and ice. Weather is Growing Warmer.

CHICAGO, Feb. 19.-The cold which has prevailed for several days decreased today to such an extent as to warrant the belief that the backbone of the wave is broken. Temperatures ranging from 10 to 15 above brought relief to thousands of sufferers from the extreme weather and life in the city resumed much of its usual tenor. Threatening weather, with occasional light snow flurries, is the official forecast. The warmer weather is general throughout

this section. CLEVELAND, Feb. 18.-The temperature dropped to 5 degrees below early today, while in many cases it was 6 to 8 below. twenty-five-mile gale last night, combined with the extremely low temperature, caused much suffering. The railroads continue to be hampered by the weather conditions. DES MOINES, Is., Feb. 19.-lows weather

is moderating rapidly and a light snow commenced early this morning. The minimum was 2 degrees above zero last night KANSAS CITY, Feb. 19 .- It was warmer this morning. The weather bureau reported 5 degrees above zero, which was 12

degrees warmer than yesterday. NEW YORK, Feb. 19 .- The cold wave which followed the snow storm of the first part of this week brought the coldest weather this city has experienced in four years. At 8 o'clock the weather bureau reported that its thermometer registered 2 degrees above zero, the lowest since 1899. LOUISVILLE, Ky., Peb. 18.-The Ohio river continues to rise steadily. A sudden thaw, accompanied by rain with the present high stage of water, would precipitate a flood

Joliet Man Freezes to Death. JOLJET, III., Peb. 19.-The dead body of an unidentified man was found on the Patterson road below Jolist today. He had frozen to death during the night, standing upright, leaping against a barbed wire

lee gorges in the drainage canal are causing damage below Joliet. Ice is piled

fish hatcheries near South Bend, received I owed her an account of \$18. She applied for filing articles of incorporations, re- morrow, it is expected the river will go slightly above the danger line of fifty feet purse. I did not see her have any other within the state, and then took up the taries above have practically run out and the Ohio river is falling at all points from Pittsburg down. No trouble is anticipated in the upper Ohio valley, but the situation is more serious from Evansville to Cairo. The thermometer has risen 15 degrees here since 6 this morning and the Weather bureau predicts a further rise in the temperature tomorrow.

A Serious Mistake.

To the average man it seems childish to doctor a cold, and unless it becomes particularly annoying to him little or no attenwas perfectly calm. The note that Mrs. counter charges flew rapidly for a time, but tion is given it. Often a cold contracted in the winter is allowed to run until the opening of spring. This is a grave mistake, as even though the warm weather may bring relief, the system is thereby weakened and rendered susceptible to disease. A cold should never be neglected, whether it be a child or an adult who is afflicted, as bealth Sioux Palls from Davenport and taken up amount, will bring speedy relief and all dangerous consequences will be avoided

HYMENEAL.

Ostdick-Hitpaley.

AVOCA. In., Feb. 19 .- (Special.)-Yesterday morning at 9 o'clock, in St, Mary's church, occurred the marriage of John Ger hardt-Ostdick of Neola, In., and Miss Marbers friends by acquaintances. Mr. Ostafter April 1 will be Madison, Neb.

Don't Lose Your Grip Gray hairs often stand in the way of advancement

for both men and women, accially and in business, Many men are falling to secure good positions just because they look " too old," and no one knows how many women have been disappointed in life because they have failed to preserve that attractiveness which so largely depends on the hair.

Buffalo Lithia Water

Has for Thirty Years been Recognized by the Medica Profession as an Invaluable Remedy in Bright's Disease, Albuminuria of Pregnancy, Renal Calculi, Gout, Rheumatism and all Diseases Dependent upon a Uric Acid Diathesis. Time adds to the Voluminous Testimony of Leading Clinical Observers.

"THE MOST VALUABLE MINERAL WATER IN USE."

Dr. Graeme M. Hammond, of New York, Professor of Diseases of the Mind and Nervous System in the New York Post-Graduate Medical School and Hospital: "In all cases of BRIGHT'S BUFFALO LITHIA WATER of the greatest service in increasing the quantity of urine and in ELIMI-NATING the ALBUMEN. In certain cases of Relancholia, accompanied by excessive elimination of URATES and URIC ACID, it is often the only remedy necessary. In GOUT and RHEUMATISM it is highly beneficial. have long BUFFALO LITHIA WATER as the most valuable miner-regarded BUFFALO LITHIA WATER as water in use."

"ESPECIALLY BUFFALO LITHIA WATER OF VIRGINIA."

Samuel O. L. Potter, A. M., M. D., M. R. C. P., London, Professor of the Principles and Practice of Medicine in the College of Physicians and Surgeons, San Francisco, in his handbook of PHARMACY, MATERIA MEDICA and THERAPEUTICS, a text-book in many of the leading medical colleges of the country, under the head of ALBUTINURIA, page 600, 7th edition, in the citation of "BUFFALO LITHIA WAIER recommended." Under the head of MCHPONIC PRIGHT'S DISCASE". der the head of "CHRONIC BRIGHT'S DISEASE," page 601, same edition, in the citation of remedies, he says: "Mineral Waters, especially the BUFFALO LITHIA WATER of Virginia, which has many advocates."

"A VERITABLE ANTIDOTE." Dr. Wm. H. Drummond, Professor of Medical Jurisprudence, Bishop's University, Montreal, Canada: "In the Acute and Chronic Nephritis-BRIGHT'S DISEASE—of Gouty and Rheumatic Origin, as well as in the graver Albuminuria of BUFFALO LITHIA WATER to act as a Pregnancy, I have found BUFFALO LITHIA WATER VERITABLE ANTIDOTE, and I know of NO OTHER NATURAL AGENT POSSESSING

"NO REMEDY SO ABSOLUTELY SPECIFIC."

Geo. Halsted Boyland, A. M., M. D., of Paris, Doctor of Medicine of Faculty of Paris, says: "There is no remedy so absolutely specific in all forms of ALBUMINURIA and BRIGHT'S DISEASE, whether acute or chron- BUFFALO LITHIA WATER, Spring No. 2, accompained by a nancy where Albumin is found in the urine as late as the last week before con fmement, if this Water and a milk diet are prescribed, the Albumin disappears rapidly from the urine and the patient has a positive guaranty against Puerperal Convulsions. Used as a substitute for ordinary water during the period of Gestation, it will be found invaluable as a preventive of Puerperal Convulsions and other disturbances incident to this condition. It is also an undoubted tonic to both mother and child, allaying at the same time Nausea and Vomiting."

BUFFALO LITHIA WATER is for sale by Grocers and Druggists
