THE OMAHA DAILY BEE: SATURDAY, FEBRUARY 21, 1903.

BILL FOR COULTRY VOTERS ALR ADY IN

New Idea Seems to Be that if Citizenship is Worth Raving it is Worth Earning by Going to the Polls.

Representative J. A. C. Kennedy may Introduce a bill providing for compulsory refuse longer to intercede in his behalf, voting in citles. He is known to be interested in the subject and is said to be collecting data and information with a view of drawing up such a measure. bill to compel every qualified elector in the country districts to vote already has been introduced into the legislature by Representative Ellers, and is known as H. R. 155, being now in the hands of the committee on elections and privileges. It provides a voting tax of \$3, a receipt for which shall be given by the judges of election when each man casts his ballot, the receipt to be accepted by the county treasurer in payment of the tax. The only other the peace. The wounded man was taken to alternative than paying the amount is a Clarkson hospital in the city ambulance and sworn statement declaring physical dis- at a late hour was reported as resting ability on election day. Mr. Ellers also easily. The bullet passed through the liver, bas introduced H. R. 158, which seeks to make the general election day each year a holiday, on which the schools and all . places of labor shall be closed.

To City Engineer Rosewater is given the credit of originating the compulsory voting idea for cities. He has had one or two conversations with Mr. Kennedy concerning it, and says:

"It is one of the reforms that I would make to improve citizenship. If citizenship is good for anything it is worth earn-I do not believe in sending caring riages variously labeled for people on election day.

"I do believe, however, that if every man is compelled to vote or pay a fine we will get an housest expression at all times, either in special or genural elections. I son held on to his man until Wood put his yesterday when called before Captatu steer Old Times, was ended today by a verwould have & board of registration like hand in his hip pocket as though to draw a Mostyn for an inquisition. He has been dict for the plaintiff for the full sum. a census board, to check over the list of revolver, and threatened him if he did not sent to St. Joseph's hospital for treatment. registered voters to see whether each let go. Jackson then went to the police casts a bollot and to keep close tab on the station about the matter and Detective should be administered in case of failure to wate should be enforced by the board Dwight Haun, went along to identify the the man's wife. He said also that and \$5 for each offense would be the proper amount.

"So far as I know this proposition of put into effect in Nebraska.

"Another innovation that I believe would work much good in municipal government would be eliminate politics by making all cer any particulars. Heitfeld then said and was released from the service about SYMPATHY STRIKE BARRED nominations for office by petition. It that he would have to take Wood to jail. four months ago. He recently moved to should be arranged so that any man may The negro replied, "I sin't got time to go Long Pine, Neb., and later came to South be proposed for office by the signatures with you." and began a resistance when Omaha, where he has been living with a of fifteen per cent of the voters, his name the officer tried to force him. to be placed upon the ballot by the county cierk upon the receipt of the proper petition. No other form of nomination Heitfeld, "and then began to drag me into should be permitted."

NEW YORK, Feb. 20 .- The Merchants' **NSULAR COMMITTEE STRONGLY APPROVES** Association of New York has sent a letter Representative Grosvenor, chairman of Lorens's Assistant Will Join Faculty the committee on merchant marine and

Says Protocol Might Be Improved, but fisheries of the house, expressing the as sociation's opposition to the ship subsidy bill. A newspaper which accompanies the letter summarizes the views of the association on the bill. The letter says in part:

HAVANA, Feb. 20 .- The committee on foreign relations this evening submitted to the senate its report recommending the tatification of the reciprocity treaty with

tion on the bill. The letter says in part: These views were communicated to you when the bill was sent from the senate to the house, but we have neither been fa-vored with any reply nor has any answer otherwise been made to our argument. which we believe, is conclusive. This association believes in a subsidy to aid in the development of our shipbuilding industry, for reasons that have been fully set forth and which is the only legitimate purpose than can be urged. The bill, as reported from the senate, will not accomplish this, but retard it. It is estimated that it will make a grant of sizes, one to \$20,000,000 annually from the public freasury. Such a vast disposal of public funds should not be the subject of such legislation. The advocates of the measure will incor an enormous responsibility before the country, especially if ample thms for dis-cussion and expression through the press be not allowed. The short time at the dis-posal of the congress is given as insdequate for discussion upon the fleer of the house, and there is no puble interest that will sufficiention of the term of the bulk. NEW YORK. Feb. 30.-In the report of the health department published today it is estimated the present population of Greater New York is 3.732,903, an increase since the United States census of 1999 of 255,701. NEW YORK. Feb. 30.-W. H. Vanguert, an ordnance man, who was severely in-jured in the explosion at Fort Lafayette yesterday, died today, making the fith death as the result of the accident. He regained consciousness before he died, but was unable to give any explanation as to how the explosion occurred. It was said to-day that John Clancy and Martin Thoroge-sen, ordnance men, who were badly hurt,

Cloakmakers Get Increase.

NEW YORK. Feb. 30.-Ten thousand cloakmakers have gained increases in wages in this city. The advances in many cases are from 20 to 40 per cent.

"Doesn't cough much through the day. It's when night comes that he coughs so hard."

Don't let these night coughs deceive you. Some day you may wake up to the fact that your boy is thin, pale, weak, even seriously ill. You can't safely trifle with any throat or lung trouble. Cure the cough quickly with

Ayer's Cherry Pectoral

It's the same medicine your old doctor gave you when you were a child. The young doctors indorse it now, too, for coughs, colds, croup, bronchitis, consumption.

Three sists : 25c., Stc., \$1.89. J C. AVER CO., Lowell, Mana. - I have the greatest couldence is Ayer's Cherry Pertoral. I have used if far a number of men and I never knew it to fail to break up a cold." -- CHARLES PREVOT, Plattaburg, N. Y.

vais hope; vais, because you can't cure dandruff without killing the dandruff germ. and the only hair preparation on earth that will do that is Newbro's "Herpicide" -also a delightful bair dressing and thoruse of others hair brushes. It is also a delightful hair dressing.

or two-thirds of a year of her life, in that charged on February 9 last with kidnaping Miss Grace Marie Northway of that city
