OF SWAMP-ROOT DID.

W. F. Lohnes, a prominent business man of Springfield, Ohio, writes the following strong endorsement of the great kidney romedy, Swamp-Root, to the editor of the Springfield, Ohio, Republic:

Springfield, Ohio, Feb. 21st, 1903. "Having heard that you could procure a sample bottle of Swamp-Root free by mail, I wrote to Dr .Kilmer & Co., Binghamton, N. Y., for a sample bottle and it was promptly sent. I was so pleased after trying the sample bottle that I cent to the drug store and procured a supply. I have used Swamp-Reot regularly for some time, and consider it unsurpassed as a remedy for torpid liver, loss of appetite and general derangement of the digestive functions. I think my trouble was due to too close confinement in my business. I can recommend it highly for all liver and kidney complaints. I am not in the habit of endorsing any medicine, but in this case I cannot speak too much in praise of what Dr. Kilmer's Swamp-Root has done for me."

**Risked Life on Operating Table** Then Rescued by WINE OF CARDUI. MISS CAROLINE TAYLOR, 5649 Cottage Grove Avenue, Chicago, Illinois.

### CHICAGO, ILL., October 3, 1902.

I suffered with ovarian troubles for nearly five years before I really knew what troubled me. By that time I was so ill and weak that I never expected to recover. I underwent a painful and very expensive operation, spending nine months at the hospital, but making up my mind I would suffer any pain to get back my health. When I was finally brought home I still felt weak, but the doctor said I would have my usual strength in a couple of weeks. At the end of ten months I found that I was no better and then decided that I had enough of the doctors and would try some-thing else. As several of my friends had used Wine of Cardui and had spoken very highly of it I decided to try it. At first I felt no change and began to get discouraged, but after using three bottles I felt somewhat beelth and strength. health and strength.

I have since recommended Wine of Cardui to dozens of women who were in need of medicine and all are enthusiastic in its praise. You have my best wishes and *Carolicite* hearty thanks for what you have done for me.

Wine of Cardui has saved thousands of women from the dangers of the operating table. And it would have saved Miss Taylor all her money and suffering had she gone to Wine of Cardui for relief before she had her unhappy experience with the doctor. To "have an operation" has become a common expression today. But a woman wants health badly when she submits to an operation and it is sad indeed to see how many are disappointed after going through the pain and dan-ger. You need not submit to bearing down and ovarian pains nor suffer the weakening drams of female troubles when such a remedy as Wine of Cardui, is offered you. The most successfully conducted operation seldom brings permanent cure while Wine of Cardui cures nineteen out of every twenty cases. Be guided by Miss Taylor's experience. She shows you that for every suffer-ing woman there is a cure can be taken in the privacy of home for menstrual disorders, bearing down pains, nervousness, ovarian pains and all the troubles that attack women from youth to old age. This great remedy can be secured from any druggist at \$1.00 a bottle and taken in your home. Secure a bottle of Wine of Cardui today.
