CURE SICK HEADACHE.

Eczema and all diseases of the skin cured.

Eczema, Erysipelas, Itching Piles, Tetter, Barber's Itch, Salt Rheum, Ring Worm and all diseases of the skin have postively been cured by the astonishingly effective new **D. D. D.** prescription.

If you have any affection of the skin you want to be rid of it. Don't think because you have failed to be cured by the countless blood remedies and skin preparations you have taken that you cannot be cured. The makers of these remedies have simply failed to understand the nature of skin diseases. They have worked on the theory that skin diseases are due to poisoned blood, when in reality **all skin diseases are but the manifestation of the activity of a living foreign parasite, which can be quickly and easily cleared away.**

Results count. We have made thousands of wretched people happy by clearing up their skins, once and for all, of disgusting irritating diseases.

Burlington, Iowa, May 21, 1902.

D. D. D. Co., Chicago, Ill.

Gentlemen: Last July, 1901, I was suffering from what the doctors called Eczema. I suffered from it terribly. It was all over my shoulders and arms, and from my knees to my feet. My arms and legs were red and swollen to twice their normal size. I was taken to the hospital, and remained there for five months under the constant care and treatment of physicians. They gave me no relief. Somebody recommended D. D. D. Remedy. I purchased a bottle and applied it. The second application took out the redness and stopped the itching and burning so that I could sleep. The Eczema is entirely cured on my arms, and my legs are almost well.

I recommend the Remedy to any one suffering from Eczema. I am 78 years of age.

House Goes Wild When Speaker Concludes Patriotic Speech, Visitors Thrusting Flowers Upon Him in Their Enthusiasm.

cussed the statehood bill and the Panama canal treaty.

He then urged that the rules of the senate be amended, and called attention to the ancient snuff boxes in the senate. There was no more snuff on the republican side than on the democratic side. It goes with the rules, he said, because it is a part of the dignity of the senate, and, he added, amid laughter, "Like the rules the snuff boxes are as unchangeable as the stars."

While Mr. Mason was speaking Secretaries Hay, Root, Hitchcock, Wilson and Cortelyou, Attorney General Knox and Postmaster General Payne entered the chamber and occupied seats on the floor.

Mr. Allison reported that the special committee had waited on the president, who said that he had no communication to make, and said, Mr. Allison added:

"If it is in order, I would like to say that I congratulate the two houses of congress upon the admirable work performed during this session."

As Mr. Mason had just been arraigning the senate for its failure to pass legislation, a titter went around the senate, which broke out into laughter, in which everybody joined.

Cockrell Presents Resolutions.

With only a minute or two remaining before adjournment Mr. Cockrell (Mo.) rose and said it afforded him sincere pleasure to present to the senate a resolution expressing the appreciation of the senate of "the uniform courtesy, impartiality, ability and dignity with which our president pro tempore has presided over the proceedings of this senate."

HOUSE WILD FOR HENDERSON

Retiring Speaker is Bid Farewell Amid Tumultuous Scenes of Patriotism.

WASHINGTON, March 4.—The decks were clear for the final adjournment at noon, when the house reconvened at 10 o'clock this morning. The storm which culminated at 4 o'clock, when Mr. Cannon delivered his scathing arraignment of the methods of the senate during the consideration of the conference report on the general deficiency appropriation bill, had passed and everything promised a serene and peaceful ending.

The democratic minority was determined to make good their threat when Mr. Butler (Mo.) was unseated last Thursday and filibuster to the end of the session.

As soon as the speaker's gavel fell Mr. Richardson announced blandly that no quorum was present, and thereupon Mr. Payne, the majority leader, moved a call of the house.

Cannon Takes the Gavel.

As the roll call was concluded a remarkable scene occurred. Speaker Henderson yielded the gavel to Mr. Cannon, the incoming speaker. As the latter took the chair the members broke into a burst of applause, in which the galleries joined. It was quite as much a compliment to the retiring speaker as to Mr. Cannon. The speaker retired to his room in the rear of the hall and Mr. Cannon then announced the motion for a call of the house defeated, 17 to 134. Amid intense silence Mr. Payne, the majority leader, then arose and offered the following resolution of thanks to the retiring speaker:

Resolved, That the thanks of this house are presented to Hon. David B. Henderson, speaker of the house of representatives, for the able, impartial and dignified manner in which he has presided over its deliberations and performed the arduous and important duties of the speaker during the present term of congress.

Cochran Calls for Division.

When Mr. Payne demanded the previous question and Speaker Pro Tem Cannon put the question there was a second of oppressive silence. All eyes were on the democratic side. From the rear row Mr. Cochran (dem., Mo.), arose quickly and in a loud voice cried "Division," and then the "Ayes and noes."

From the republican side came a sound like a hiss.

"The gentleman from Missouri demands the ayes and noes," announced the chair. "As many as are in favor of ordering the ayes and noes will rise and stand until they are counted."

In all only twenty-one democrats arose. The chair counted and amid a still, intense silence announced that twenty-one had seconded the demand.

"Forty-two are necessary to order the ayes and noes," he announced, "not a sufficient number and the ayes and noes are refused."

A great wave of applause swept over the republican side, and was taken up by the spectators in the galleries as the announcement was made. Now the question came on the adoption of the resolution. Again Mr. Cochran demanded a record vote. This time only seventeen democrats joined in the demand, and the announcement that the resolution was adopted was hailed with redoubled applause.

President Vetoes a Bill.

When the applause subsided the speaker pro tem. laid before the house the president's veto on the bill to grant to N. F. Thompson the right to construct a dam at Muscle Shoals, Ala., and to use the water power of the Tennessee river. Mr. Payne moved to refer the message to the committee on interstate commerce.

Mr. Payne then yielded three minutes to Mr. Richardson (Ala.), the author of the vetoed bill, who made an urgent appeal to pass the measure over the president's veto.

The previous question was ordered, 154 to 80, and at 11:30 the last roll call, the eightieth of this legislative day of Thursday, February 26, began on the motion to send the veto message to the committee on interstate commerce, which was adopted by 202 to 60.

Henderson Ascends Rostrum.

At this moment, 11:54, Speaker Henderson re-entered the hall and ascended the rostrum amid a great demonstration on the republican side, which extended to the democratic side and the galleries.

Mr. Cannon, still standing at the side of the rostrum, then in a clear voice read the resolution adopted by the house. Speaker Henderson was visibly affected as he faced the galleries and the members of the house for his valedictory. For half a minute he paused to control his emotions before beginning. Then, in a voice that trembled at first, but grew gradually stronger as he proceeded until his words rang out, he delivered what was perhaps the most touchingly human farewell address ever delivered from the speaker's chair.

Speaker Bids Farewell.

Speaker Henderson said:

Gentlemen of the House of Representatives: An age spent under this dome must give opportunity for forming many and strong ties. Constituted as I have been from childhood, friendship is an essential element of my life's food—(applause)—and whether on the floor or in the chair, I have a bountiful supply in this hall. (Applause.) I have seen beautiful and instructive things on this floor, sharp, able, feeling debate, and debate gentlemen, is the foundation and sustaining power of American liberty. (Applause.)

But I have seen another beautiful thing. When the flag was raised in war I have seen both sides of this chamber as one man put $50,000,000 into the hands of the chief magistrate and say, "Lead on," without a dissenting voice. (Applause.) I say that from that hour I have believed that there was no future moment when the disintegration could come to this republic. (Applause.) And when I saw the young men from every state in the union touching elbow to elbow and rushing into the ranks of war there was absolute confirmation of that belief. (Applause.)

I have no fears for the future of my country. Let no one be disturbed by the battles on this floor. As I said, they are guarantees of freedom, and I approve them. At times there may be scars left, but they are not scars that leave a permanent cripple; they are scars that leave the soul and the manhood without a dangerous wound. For one, go where I may from this hall, I shall carry with me in my heart an affectionate recollection of my friends that I have met here, and I do not know of one enemy. (Applause.) Whenever I meet any member of this body in the future I shall feel that I meet a legislative comrade and I know that he will meet a friend. (Applause.)

I am not going to give counsel to this body, further than to say that there is nothing more precious than this government for us to fight for. Preserve that if you love your life. It is more valuable than anything that can be named. Go on with the rough and tumble battles of legislation, but keep your eye on that flag which God asks us to die for. (Applause.)

When I took this chair I asked the support of this house to aid me in performing the duties of this high office which you conferred upon me. That gavel in my hand has never been defied by either side of this chamber. It is a pleasure to say that. It always has secured obedience, recognition when order was demanded. Knowing how excited we are at times that is a pleasant recollection to me.

Now, gentlemen, if I know my feelings toward this body of men, I know that I shall carry with me through life the image of this hour with its general approval and treatment of me this morning. I shall carry every one of your faces in my memory and I shall never cease to feel an interest in this great body, which stands so near to the happiness of my countrymen. And now I bid you goodby. (Prolonged applause, every member rising in his place.)

Forest of American Flags.

The members with a very few exceptions on the democratic side were on their feet. Suddenly there blossomed out of the republican side a forest of American flags. Waving these aloft, the members sang "America," the galleries rising en masse to join in the chorus. It was a stirring scene. As the notes of the hymn died away the speaker, who seemingly had forgotten to make the final announcement, turned as if to leave the chair, when he was reminded by the clerk at his side. He turned and in a clear voice declared the house adjourned sine die.

Then the demonstration of applause was renewed. In the midst of it Mr. Kyle (O.), in his sweet tenor voice, began singing "Sweet Land of Liberty." The house took it up as the members surged forward to bid the speaker farewell. He had descended from the rostrum and, standing at the door, they filed by and each received from him some pleasant word and a cordial shake of the hand.

A dozen republican members gathered on the marble steps behind him, and the song changed to "For He's a Jolly Good Fellow," and later to "God Be With You 'Till We Meet Again."

Before all the members had passed the visitors from the galleries began surging into the flood, also eager to grasp his hand.

For over half an hour the reception was continued and finally broke up with the singing of the Doxology. Many women had thrust bouquets of flowers into his hands and when ex-Speaker Henderson finally retired to his room his arms were filled with violets, roses and other choice flowers.

New Owner Sees Horse Gallop Home Ahead on New Orleans Track.

NEW ORLEANS, March 4.—E. E. Smathers, the millionaire light harness horseman, who has invested nearly $40,000 in thoroughbreds in the last few days, tasted the first fruits of victory on the running turf today when Dick Bernard, his most recent purchase, galloped home eight lengths in front in the Premier stakes. The Sathers colors, all brown, were carried for the first time by a runner.

Dick Bernard went to the front on the first turn and then made a show of his field. He was eased up all through the last sixteenth and came home in a romp. Petunia, who was second, was generally supposed to be the best 2-year-old shown here this season. The stake was worth $1,045 to the winner. IOWA MAN BECOMES VIOLENT

Rushes Into Court House at St. Joseph and Begs Protection from Imaginary Foes.

ST. JOSEPH, Mo., March 4.—(Special.)—Terror-stricken and breathless from running, Edward F. Kerbin, aged 35, and a resident of Marshalltown, Ia., dashed into the courthouse last evening and begged for protection. He believed that he was being chased by two murderers, and that his life was in danger.

Investigation showed the man to be violently insane. He says he was a witness in a murder trial in Iowa City, and that the men whom he testified against had threatened his life. The authorities believe that worry has caused him to lose his mind.

SPECIAL DISEASES OF MEN

I Do Not Treat All Diseases but Cure All I Treat

There is seldom a day that I am not consulted by an unfortunate sufferer who, if he had consulted me in regard to his condition in its early stages, I would have cured him and saved him much suffering, annoyance and expense. This I consider due to lack of knowledge on the part of the one who has previously treated the case; therefore, I say to you, if you are suffering from any disease or condition peculiar to men, or if you have been a victim and have been disappointed in not getting a permanent cure elsewhere, I would ask that you come to our office and I will explain to you OUR SYSTEM OF TREATMENT, which I

I CURE MEN.

I Treat Men Only and Cure Them to Stay Cured

originated after my whole life's experience. I will give you a thorough examination, together with an honest and scientific opinion of your case. If I find you are incurable, I will honestly tell you so. If I find your case curable, we will give you a legal guarantee to cure you.

We make no misleading statements or unbusinesslike propositions to the afflicted in order to secure their patronage. The many years of our successful practice prove that our special treatment is safe and certain.

We will make you no false promises as to curing your case in a short time, knowing it will take longer, as we promise nothing but what we can do, and always do as we promise.

VARICOCELE

is the enlargement of the veins of the scrotum and a condition that mankind suffers from more than all other conditions combined, and is the direct cause of nervous prostration and the early loss of mental, physical and vital powers, which in turn cause business failures and unhappiness. My treatment for this condition is perfectly painless. I accomplish a permanent cure without cutting or tying operation or any detention from business. The best reference I can give as to my ability in curing this condition is the names of thousands who have given me the permission of using their names after permanently curing them when others had failed.

SPECIFIC BLOOD POISON

is the most loathsome of venereal diseases, and it is one that may be hereditary or acquired. The first symptom is an ulcer, then pains in the bones and joints, ulceration of the mouth, throat and tongue, falling out of the hair and eyebrows and a copper-colored rash coming out over the entire body. I care not who has treated you and failed, I will cure you just as sure as you will come to me for treatment. I use no mercury or iodide, thereby asuring you when cured that your bones and tissues are not destroyed.

RHEUMATISM

in all its forms BY MY SYSTEM OF TREATMENT is permanently cured, irrespective of how many treatments you have tried and failed.

NOCTURNAL LOSSES

that sap the very life from you and later lead to complete loss of all powers, stopped forever in from 8 to 10 days.

DISCHARGES

of an unnatural order stopped forever in 3 to 5 days.

BLADDER

and kidney troubles, the symptoms of which are pain in the back and loins, frequent and scalding urination and thousands of other symptoms that you can appreciate better than I can describe. BY MY SYSTEM OF TREATMENT you are permanently cured.

RUPTURE

of men. I care not how long standing, cured in 10 to 30 days without any cutting operation or pain or loss of time.

STRICTURE

is the partial or complete closure of the canal, and BY MY SYSTEM OF TREATMENT all obstructions are permanently removed without cutting or dilating.

ULCERS

I care not how long standing or of what nature, as MY SYSTEM OF TREATMENT cures them at once.

HYDROCELE

or any swelling, tenderness or impediments reduced to their normal size without the aid of a knife.

ECZEMA

pimples, erysipelas or any eruptive disease of the skin BY MY SYSTEM OF TREATMENT are permanently removed, never to return.

IMPOTENCY

is a condition caused by excesses of early or late life. I care not how long you have been so, or how old you are, as MY SYSTEM OF TREATMENT is especially adapted for the permanent cure of all such cases as yours. Thousands have been cured of this condition, and a cure awaits you. Suffer no longer.

ORGANS

that have shrunken or are undeveloped or that have wasted through disease. BY MY SYSTEM OF TREATMENT are permanently restored to their normal size.
