remedies have simply failed to understand the nature of skin diseases. They have worked on the theory that skin diseases are due to poisoned blood, when in reality all skin diseases are but the manifestation of the activity of a living foreign parasite, which can be quickly and easily cleared away.

Results count. We have made thousands of wretched people happy by clearing up their skins, once and for all, of disgusting irritating diseases.

# See what a citizen of your own section says:

Burlington, Iowa, May 21, 1902. D. D. D. Co., Chicago, Ill.

Gentlemon: Last July, 1901, I was suffering from what the doctors called Eczema. I suffered from it terribly. It was all over my shoulders and arms, and from my knees to my feet. My arms and legs were red and swollen to twice their normal size. I was taken to the hospital, and remained there for five months under the constant care and treatment of physicians. They gave me no relief. Some-body recommended D. D. D. Remedy, I are refused." purchased a bottle and applied it. The second application took out the redness and stopped the itching and burning so that I could sleep. The Eczema is entirely cured on my arms, and my legs are almost well.

I recommend the Remedy to any one suffering from Eczema. I am 78 years of H. E. MEYER.

Cochran Calls for Division.

Before all the members had passed the When Mr. Payne demanded the previous visitors from the galleries began surging question and Speaker Pro Tem Cannon put into the flood, also eager to grasp his hand. the question there was a second of oppressive silence. All eyes were on the ontinued and finally broke up with the democratic aide. From the rear row Mr. ainging of the Doxology. Many women had Cochran (dem., Mo.), arose quickly and in thrust bouquets of flowers into his hands a loud voice cried "Division," and then the and when ex-Speaker Henderson finally re-From the republican side came a sound

like a hiss. "The gentleman from Missouri demands the ayes ,and noes," announced the chair. "As many as are in favor of ordering the ayes and noes will rise and stand until

they are counted." In all only twenty-one democrats arose. The chair counted and amid a still, intense silence announced that twenty-one had sec-

onded the domand. "Forty-two are necessary to order the ayes and noes." he announced, "not a sufficient, number, and the ayes and noes

A great wave of applause swept over the epublican side, and was taken up by the spectators in the galleries as the announcement was made. Now the question came or the adoption of the resolution. Again Mr. Cochran demanded a record vote. This time only neventeen demograts joined in the demand, and the announcement that the resolution was adopted was halled with re-

doubled applause. President Vetoes a Bill.

When the applause subsided the speaker pro tem. laid before the house the president's veto on the bill to grant to N. F. Thompson the right to construct a dam at Muscle Shoals, Ala., and to use the water power of the Tennessee river. Mr. Payne moved to refer the message to the

committee on interstale commerce. Mr. Payne then yielded three minutes to pass the measure over the president's veto. 80, and at 11:30 the last roll call, the reputation as an educator was well known eightleth of this legislative day of Thursover the state. day, February 26, began on the motion to sand the veto message to the committee on
