BUSY ON RAILROAD GRADES

Work to be resumed Along the Great Western Line Monday.

EXPECT TO LAY STEEL APRIL FIFTEEN

Engineer in Charge of Construction of Opinion that with Good Weather Trains Will Be Run by June 1.

Grading camps all along the line of the Great Western between Harlan and Council Bluffs are getting ready to resume the work of construction Monday. There only remains about 100,000 yards of dirt to be moved on this section of the line and it is expected that the work of laying steel will be commenced not later than April 15 unless the weather interferes.

The Hall Construction company, which has the work within the city limits, has most of the grading completed and yesterday moved its steam shovel outfit to Glenwood where it has the contract for the big Burlington double track cut off. This work the Hall company expects will keep it busy until June, 1904.

One of the engineers on the construction work of the Great Western stated yesterday that it was expected to have trains running into Council Bluffs by June 1 if weather conditions were all favorable.

N. Y. Plumbing Co., Tel. 250, Night, 7667.

Matters in District Court.

The state did not meet with much success in the two criminal cases prosecuted in the district court yesterday. Both cases were taken from the jury by Judge Thornell and verdicts of acquittal ordered.

The first case was that against Martin Jensen, charged with obtaining goods under false pretenses while conducting a grocery store on Broadway. Following the Jensen case, Charles Dobbins, who two years ago was indicted for maintaining a nuisance in the shape of the Senate saloon at the corner of Bryant street and Broadway, was placed on trial. The prosecution relied for conviction on the testimony of certain ex-members of the police force. When the ex-members of the police force, however, were placed on the witness stand they were unable to swear definitely as to who was the owner of the saloon complained of. The result was that the court instructed the jury to return a verdict for the defendant.

This morning the trial of H. J. Bryan, charged with uttering forged orders on a nursery company by which he was employed, will be begun. A similar case against Harry Patterson was continued to the next term at the request of County Attorney Killpack.

G. O. Taylor, former street supervisor, brought suit yesterday against the city to recover \$65, the amount of his salary for the month of August, 1902. This amount, being his salary for the last month he was in the employ of the city, has been withheld pending the settlement of the alleged shortage in Taylor's accounts.

Anne M. Miller has filed original notice of suit for divorce from Phillip Miller, alleging cruel and inhuman treatment. She asks for \$25 a month alimony pending the determination of the suit.

Gravel roofing, A. F. Reid, 126 Main St.

Matters in Federal Court.

The \$40,000 personal injury damage suit of Lawrence Brown against the Union Pacific railroad was not completed when Judge McPherson adjourned federal court for the day last evening. In the morning the jury visited the crossing of the Burlington and Union Pacific tracks where the accident is alleged to have occurred. It is expected today the case will go to the jury some time today.

Judge McPherson announced that he would pass sentence today on Dr. George F. Eades, the dentist who pleaded guilty to uttering and passing counterfeit \$5 gold pieces. Dr. Eades, at the request of Judge McPherson, appeared in court yesterday morning and testified professionally that Eades was suffering from morphine mania. It is generally believed that Eades will be sentenced with a light sentence.

The suit of the United States against Frank P. Bradley, former United States marshal for the Southern District of Iowa, was ordered transferred to Des Moines.

Plumbing and heating, Kirby & Son.

Bowling at Elks' Club.

The second game in the second week's series of the bowling contest at the Elks' club resulted last night in Team No. 3 defeating Team No. 6. The next game will be pulled off Friday night. The score of last night's game follows:

Table with 4 columns: Name, 1st, 2nd, 3rd, Total. Includes names like Binyne, Cooper, Reed, etc.

Table with 4 columns: Name, 1st, 2nd, 3rd, Total. Includes names like Searle, Davis, Leggett, etc.

Sons of Herman Meeting.

The annual state meeting of the Sons of Herman will be held in this city May 23 to 25. The sessions will be held in Royal Arcanum hall and local members of the order estimate the attendance at 500, principally from Davenport, Sioux City and Des Moines.

James Glasgow in Hard Luck.

James Glasgow, a farmer from Newmarket, Ia., is in hard luck. He came to Council Bluffs Tuesday and purchased a ticket for Portland, Ore., where he was going to visit relatives. In his efforts to quench a thirst of considerable magnitude he fell by the way side and was found at night asleep on the sidewalk. He was taken to the city jail where on sobriety he discovered he had been robbed of \$35

TALK TELEPHONE MATTERS

Two Hundred Representatives of Independent Companies in Session.

GETTING TOGETHER ON MINERS' SCALE

Program for Visit of Iowa Men to Shiloh Battlefield Chanced to Include Corinth and Other Points of Interest.

(From a Staff Correspondent.)

DES MOINES, March 11.—(Special.)—The Iowa Association of Independent Telephone Managers and Owners commenced a convention today. There are about 200 present and the reports of officials show that in the last two years the association has grown from a mere dozen persons to its present proportions.

The association now has as members nearly all who are connected with the independent toll traversing the state. A legislative committee is maintained for the purpose of influencing legislation and taking care that nothing is done that will affect the telephone business adversely. Provision was made today for an arbitration board to consult with employers and act as between different companies, the committee to consist of five members appointed by the president and to receive compensation while on duty. Provision was also made for incorporation of the association. The recent decision of the supreme court relating to franchises on streets was discussed at length and an attorney of this city was asked to address the association and explain the purport of the decision.

There was some consideration also given to the suit in Pottawattamie county to have declared unconstitutional the law relating to telephone companies having a right to place their poles on the public highways. The following officers were elected: President, Dr. Heer, Ottumwa; vice president, J. C. Sullivan, Creston; secretary and treasurer, C. C. Deering, Des Moines.

Coal Conference Progress.

The coal miners and coal operators made substantial progress today in the matter of reaching an agreement on a scale for the ensuing year. The miners' committee made a proposition for a scale to conform to the Indiana scale and this is the basis on which the work is being done. The committees will be in session until the work is finished, but both operators and the miners say the session will be a short one and that a scale will be signed.

Creston Loses the Lodge.

The grand lodge, Knights of Pythias of Iowa, was located in Creston at the last grand lodge meeting and arrangements were being made to go there in July next for the annual gathering; but the officials have just received word that the conditions which were imposed on Creston have not been met and it will be necessary to choose some other place for the meeting. Accordingly the executive committee is to meet in Des Moines soon and fix a location for the grand lodge. This may be at Ottumwa, Davenport or Spirit Lake.

Change in Shiloh Program.

The transportation committee on the Shiloh monument commission will have another meeting today and may change the program with reference to the trip of the Iowa soldiers to the battlefield near Pittsburg Landing for May 30 next, when the Iowa monuments will be dedicated. The committee had practically concluded arrangements to have the excursion leave on the 27th of May, but it is now thought that it would be better to leave on the 30th. The Iowa people were visiting the battlefield. Now it is proposed that the Iowa excursion, which is likely to include several hundred persons, shall go by way of the rail route to Tennessee and then to the battle scenes of Corinth, Iuka and elsewhere. There has not been complete success in the efforts to secure a suitable boat for the trip up the river from Paducah. The Iowa monuments are now being placed at Shiloh and the contractors say they will have only half completed by the end of next month so that there will be no delay in the dedication. Governor Cummins is to accompany the party and deliver an address.

Trainers and the Federation.

Information has been received by the officials of the Iowa Federation of Labor to the effect that the Brotherhood of Railroad Trainmen and the Iowa Federation of Labor are looking toward affiliation with the trades and labor assemblies. None of the railroad orders are now joined with the federation. Last year the coal miners returned to the federation and greatly strengthened it. The railroad men are preparing to join with the other orders in the federation movement. This would add nearly 5,000 members, as the last report of the union showed they had twenty-nine locals in the state with a membership of 1,752, and there has been an increase since that time. It is anticipated that if the trainmen join the federation other of the railroad orders will also come in soon.

Investigating Guard Matters.

Adjutant General Byers has gone to Iowa Falls and New Hampton to make investigation of those towns with a view to locating the new company in the Forty-ninth regiment in one of them. The company will take the place of the Marshalltown company, which fell below the standard and was mustered out. Both of the towns mentioned are prepared to furnish a company of militia and to support it well.

With the secretary of state today there was filed an amendment to the articles of incorporation of the Prosyberian Publishing company of Dubuque increasing the capital stock from \$5,000 to \$10,000. The Iowa Ice company of Des Moines completed its incorporation by filing with the secretary of state. The capital is \$80,000, and it is incorporated by J. W. Willoughby and others.

Will Use Omaha Brick.

The State Board of Control put in the day today trying to make the award of a contract for the new work to be done at the institution for the Feeble Minded. The board had before it a number of bids and several contractors were present. Owing to the proximity of Glenwood to Omaha it

Washington, March 11.—Forecast: For Nebraska and South Dakota—Fair Thursday; Friday rain and colder. For Iowa—Fair and warmer Thursday, Friday fair, except rain in west portion. For Illinois—Fair Thursday and Friday; slowly rising temperature Thursday; light southeast winds, increasing. For Montana—Rain or snow Thursday; colder in south portion; Friday rain or snow. For Kansas—Fair and warmer Thursday; Friday fair, except rain in northeast portion. For Colorado—Fair Thursday; Friday rain and colder in north portion.

Duffy's Pure Malt Whiskey Cures Grip, Colds, Catarrh, Consumption, Malaria, Bronchitis, Asthma and All Diseases of the Throat and Lungs.

Grip is an infectious disease which attacks weak and strong alike, especially if the blood is sluggish, and generally involving mucous membrane air passages from the nostrils down to and including the lungs. Serious complications are liable to develop in the course of the disease, as grip settles in the weakest part of the system, sometimes the kidneys, the brain, the stomach or the heart, resulting often in heart failure, but the most dreadful of all is when the lungs are attacked. Consumption is sure to follow and certain death, if prompt action is not taken and Duffy's Pure Malt Whiskey administered.

The fatalities resulting from this disease within the past few years have sufficiently aroused doctors to the importance of giving the disease closest investigation.

Duffy's Pure Malt Whiskey is the only absolute cure for grip, influenza, asthma, bronchitis, catarrh, consumption and all other diseases of the throat and lungs. It is the only absolute cure for grip; it builds up the system and enables it to throw off disease. Duffy's Pure Malt Whiskey is the greatest known remedy for the grip and all diseases of the throat and lungs and all ailments which attend the grip.

The voluntary testimony received from thousands of our grateful patients is proof positive that Duffy's Pure Malt Whiskey is all that is claimed for it. It is the greatest known remedy for the grip and all ailments which attend the grip. Doctors, ministers, public speakers and a number of the leading temperance women have testified to the fact that Duffy's Pure Malt Whiskey has accomplished in saving lives.

Dr. Willard H. Morse, the eminent practitioner and world-renowned therapist, after careful study of grip in all its stages, has pronounced Duffy's Pure Malt Whiskey the only absolute cure for the grip; it builds up the system and enables it to throw off disease. Duffy's Pure Malt Whiskey is the greatest known remedy for the grip and all ailments which attend the grip.

Mr. Young's Informative Agency.

Consumption Cured.

After being given up by several of our best physicians, having throat and lung trouble, and pronounced a case of incurable consumption, my sister cured the disease by your Pure Malt Whiskey. She has taken

three bottles, and is so much improved in strength that we are all feeling quite hopeful. Mrs. ELLI SHAUL, Charlotte, Mich. GRIP CURED AT SEVENTY.

Gentlemen—I take pleasure in informing you that I have been cured of a severe attack of grip by using your Duffy's Pure Malt Whiskey. My age is 70 years. Mrs. ELIZA H. BEAM, 711 Cherry St. Reading, Pa., Dec. 31, 1902.

CURED THREE GRIP VICTIMS. Gentlemen—My family had "La Grippe." I pulled three of them through with Duffy's Pure Malt Whiskey and milk. WILLIAM H. YATES, Rochester, Mich., Nov. 3, 1902.

CAUTION.—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers mindful of the excellence of this preparation, will try to sell you cheap imitations, and so-called "Malt Whiskey substitutes," which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. "Duffy's" and be sure you get it. It is the only absolutely pure malt whiskey which contains medicinal health-giving qualities. Look for the trade mark, "The Old Chemist," on the label.

It is the only whiskey recognized by the government as a medicine. This is a guarantee. The genuine at all druggists and grocers or direct from the Medical Relief Free, Duffy Malt Whiskey Company, Rochester, N. Y.

Facts of Merger Reported from Time to Time to Interstate Commerce Commission and No Objection Offered.

ST. PAUL, Minn., March 11.—The report of the testimony taken before Frederick G. Ingersoll, special examiner in the case of the United States against the Northern Securities company and others has been filed with the clerk of the federal court. The report comprises four volumes of approximately 500 pages each, and much of the testimony has been published from time to time as it was taken.

The filing of the report makes public for the first time the proceedings at an interesting session held November 12, 1902, in New York, in which the contentions of the government and the defendant are outlined.

The securities company maintained that its operations are not in violation of the Sherman anti-trust act; that since the passage of that act other railway companies have been constructed by purchase and lease parallel and competing lines frequently under legislative sanction; that these facts have been reported to the Interstate Commerce commission and by the commission to congress; that the universal, popular and legitimate construction of the Sherman act has been that such railway transactions are not in violation of anti-trust law.

The attorneys for the Northern Securities company endeavored to secure from the Interstate Commerce commission reports on the transactions of seven railway companies concerning consolidation. The commission declined to furnish reports, and the attorneys for the defendant then asked to be permitted to introduce extracts from
