the shock and strain first. You should thank heaven that you have nerves to warn you of approaching danger.

Thousands in the glorious springtime, who rise up each morning tired, wearied and miserable, stand in need of Paine's Celery Compound, the marvelous medicine that frees the body from acid blood and morbid waste material. Paine's Celery Compound at the same time strengthens the three great organs, the stomach, the liver and kidneys. When this good work is accomplished, the nerve fibres are made strong and vigorous and the whole system revitalized.

A few bottles of Paine's Celery Compound used this month will save you suffering and anxiety later on. Three suits given by Paine's Celery Compound are assuring and happy. Your reward will be a perfect and unhampered action of a clear and healthful brain and nervous system, pure blood will course through the body, you will have sweet and refreshing sleep and permanent good health.

Mrs. A. D. Manning of Hunter, Ark., writes:

"I have found Paine's Celery Compound for years to be a great blessing. I was in wretched health and could not get a meal of victuals without sitting down and resting two or three times. While in this miserable condition, almost wishing for the monster, Death, to take me out of my trouble, my brother-in-law advised me to try Paine's Celery Compound, and bought me a bottle. I found immediate relief and was soon well. Now I am fifty-eight years old, and can do as much work as almost any one, and more than a good many young girls. I heartily recommend it to all sufferers."
