### ASKS OPPORTUNITY TO VOTE

Real Estate Exchange Requests Council to Submit Rosewater Ordinance.

### DECLARES FRANCHISE IS NOT EXCLUSIVE

Sentiment of Members is that Council Should at Least Give People Chance to Vote on Proposition.

Whereas, The Rosewater ordinance is not exclusive, therefore be it Resolved, That the Omaha Real Estate Exchange hereby request and urge the members of the city council to pass the Rosewater power ordinance now pending before said body, and that the same be submitted to the electors at the next election for ratification or rejection.

The above resolution was unanimously adopted by the Real Estate exchange at its regular meeting yesterday. A. P. Tukey introduced the measure and it was acted on after a short discussion, in which the sentiment expressed was that the council should at least give the people an opportunity to vote for or against the Rosewater proposition.

A letter was received from a citizen of Plattsmouth requesting facts and figures relating to railroad taxation in Nebraska. The communication was referred to the tax committee for answer.

The matter of securing another meeting place was left with the executive committee, with a decided preference expressed for the Commercial club room.

### Inflammatory Rheumatism Cured.

William Shaffer, a brakeman of Dennison, O., was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he says, "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clasp."

### GRAND OFFICERS ARE COMING

Head Men of Travelers Protective Association to Visit Omaha Friday.

The state officers of Post A of the Travelers Protective association received a telegram yesterday from two of the grand officers, General Manager Burrows and National Director Crandall of St. Louis, saying that they would arrive in Omaha on Friday morning and remain for several days. The state officers have been trying for some time to induce the grand officers to make the local lodge a visit and when they received word of their coming at the date for the annual meeting for Friday night of this week at the Commercial club. After the routine of the meeting there will be a smoker and a social evening.

### Announcements of the Theaters.

There will be a matinee given at the Orpheum this afternoon and the women and children will enjoy their innings, for the bill is well calculated for their delectation. Russell brothers, who are accorded approbation that is characterized by the obtrusive in the audience, will change their bill, presenting today and for the rest of the week their greatest favorite, "Our Irish Servant Girl." Its success and their names being synonymous in a way. Joe Maxwell, who with his company is appearing in "The Fire Chief," has received from the friends of the different cities the sobriquet of "Chief," and is the center of no little attention from them here, as has been the case everywhere he has appeared. In New Orleans he was the women's guest.

"Sally in Our Alley," the best of all the Lederer musical comedies, will be opened at the Boyd tonight for an engagement that closes with the week. In all particulars the comedy is said to be one of the very best musical comedies of all the huge family which from season to season has ramped over the boards. There are jests and jests, airy melodies and very striking and artistic groupings of much feminine beauty. From beginning to end there is hardly a moment without its laugh. The company is carefully balanced and drilled. With such interpreters as Julie McCree, Richard F. Carroll, Trizzie Frigana, George Schiller, Richard Fairleigh, Caroline Heustle, Jessie Monney, Catherine Lewis, Frank Farrington, Frank Bernard any old comedy might win admirers.

### The Four-Track News.

When the different members of the editor's family ask, "Why don't the Four-Track News come?" it is getting to be like Castoria, the children cry for it, and this tells the story. It is the most interesting publication that comes in our exchanges, and the reason is easily told. Mr. Geo. H. Daniels, the General Passenger Agent, who has charge of it, has the "Carriage factory" of getting good men around who know their business, and the result is that in everything the publication department of the New York Central distributes it is "all right."—Brooklyn, N. Y. Journal.

The subscription price of "The Four-Track News" is 50 cents per year. A sample copy will be sent free for 5 cents by Geo. H. Daniels, General Passenger Agent, New York Central & Hudson River Railroad, Grand Central Station, New York.
